NOTES TO THE FINANCIAL STATEMENTS
for the Year Ended 30 April 2023

1. **STATUTORY INFORMATION**

PURE FLIGHT LIMITED is a private company, limited by shares, registered in England and Wales. The company's registered number and registered office address can be found on the Company Information page.

2. **ACCOUNTING POLICIES**

Basis of preparing the financial statements

These financial statements have been prepared in accordance with the provisions of Section 1A "Small Entities" of Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

The disclosure requirements of section 1a of FRS 102 have been applied other than where additional disclosure is required to show a true and fair view.

The principal accounting policies adopted in the preparation of the financial statements are set out below.

Turnover

Turnover represents the value of services provided in the year.

Turnover from the provision of services is recognised when the service is delivered.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off the cost less estimated residual value of each asset over its estimated useful life.

Plant and machinery etc - 25% on reducing balance and straight line over 3 years

Financial instruments

Debt instruments that are payable or receivable within one year, typically trade creditors and trade debtors, are measured initially and subsequently at the undiscounted amount of the cash that is expected to be paid or received.

Taxation

Taxation for the year comprises current and deferred tax. Tax is recognised in the Income Statement, except to the extent that it relates to items recognised in other comprehensive income or directly in equity.

Current tax is recognised at the amount of tax payable using the tax rates and laws that have been enacted or substantively enacted by the statement of financial position date.

Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the statement of financial position date.

Timing differences arise from the inclusion of income and expenses in tax assessments in periods different from those in which they are recognised in financial statements. Deferred tax is measured using tax rates and laws that have been enacted or substantively enacted by the year end and that are expected to apply to the reversal of the timing difference.

Unrelieved tax losses and other deferred tax assets are recognised only to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits.

3. **EMPLOYEES AND DIRECTORS**

The average number of employees during the year was 2 (2022 - 2).
