REPORT ON CONDUCT OF THE LIQUIDATION

Realisation of assets.

The directors' Declaration of Solvency disclosed that the Company's assets comprised the following

	£
Intercompany debt	146,001
Total	146,001

Following the liquidators' appointment, the Company's intercompany debt was taken under control pending distribution

Realisations from the Company's other assets have amounted to £222, which was a tax refund from HM Revenue & Customs

No additional assets have been identified and there are no assets still to be realised

Settlement of liabilities:

This section covers all liabilities except any claims of Her Majesty's Revenue & Customs ("HMRC") which are dealt with separately below under HMRC

The directors' Declaration of Solvency and the Company's records disclosed that the Company had no liabilities. Following their appointment, the Liquidators published a notice in the Gazette inviting any unknown creditors to submit their claims

There are no residual claims to be agreed or settled.

HMRC:

Subsequent to their appointment, the Liquidators sought to confirm the steps needing to be taken in order to obtain HMRC's agreement to the Company's liquidation being closed

All matters outstanding with HMRC have now been cleared and HMRC have confirmed their agreement to the liquidation being closed without further reference to them

Distributions to shareholders:

At the time of the Liquidators' appointment, the issued share capital of the Company comprised

- 1,110 £1 Ordinary shares

The following distribution has been made to shareholders

On 20 June 2011, a distribution in specie of £146,223 (representing £131.73 per share) was paid to the sole member

The distribution comprised an inter-company debtor balance, a distribution from HM Revenue & Customs, together with any other assets held by the Company. Where the inter-company debt is owed by the shareholder, the distribution has the effect of extinguishing, by way of set-off, the existing balance on the inter-company account between the two companies
