**1 Statutory information**

Park Royal Taxi Centre Limited is a private company, limited by shares, registered in England and Wales, registration number 4539929. The registered office is 7 JOHNSONS WAY, PARK ROYAL, EALING, LONDON, NW10 7PF.

**2 Compliance with accounting standards**

The accounts have been prepared in accordance with the provisions of FRS 102 Section 1A Small Entities. There were no material departures from that standard.

**3 Accounting policies**

The principal accounting policies adopted in the preparation of the financial statements are set out below and have remained unchanged from the previous year, and also have been consistently applied within the same accounts.

***Basis of preparation***

The accounts have been prepared under the historical cost convention as modified by the revaluation of certain fixed assets.

***Presentation currency***

The accounts are presented in £ sterling.

***Turnover***

Turnover represents the value, net of VAT and discounts, of goods provided to customers and work carried out in respect of services provided to customers.

***Leased assets***

Rentals applicable to operating leases where substantially all of the benefits and risks of ownership remain with the lessor are charged against profit on a straight line basis over the lease term.

Assets held under finance leases and hire purchase contracts are capitalised and depreciated over their useful lives. The corresponding lease or hire purchase obligation is treated in the balance sheet as a liability. The interest element of rental obligations is charged to the profit and loss account over the period of the lease at a constant proportion of the outstanding balance of capital repayments.

***Tangible fixed assets policy***

Depreciation has been provided at the following rates in order to write off the assets over their estimated useful lives:

Plant & machinery	20% Reducing Balance
Motor vehicles	20% Reducing Balance

***Going concern***

The financial statements have been prepared on a going concern basis notwithstanding the net liabilities of £21,076 (2018-£22,059) as the directors have provided an undertaking that they will continue to support the company to meet its liabilities as they fall due. As a result, the directors believe that the preparation of the financial statements on a going concern basis are appropriate.
