Assets

The declaration of solvency, sworn by the directors prior to the commencement of the liquidation, showed an intercompany debt of £1 due from IBM United Kingdom Limited ("IBM UKL"), the Company's sole shareholder. The debt will be distributed by set off to IBM UKL prior to closure of the liquidation.

Creditors

The Company had no known creditors. Notices to creditors to prove their claims in the liquidation were advertised in The London Gazette and The Times newspapers on 11 November 2014. No creditors were forthcoming as a result of these advertisements.

Tax

The Company's tax advisors advised that the Company had dormant corporation tax status. Following their appointment, the joint liquidators sought confirmation from HM Revenue and Customs ("HMRC") that the Company had no outstanding corporation tax returns or liabilities, that it would not raise enquiries into any pre or post liquidation periods and that it had no objection to the liquidators calling a final meeting of members to conclude the liquidation. A response is awaited.

A similar assurance was sought and received from HMRC in respect of VAT and PAYE. A response has been received in respect of PAYE but is awaited in respect of VAT.

Distributions

No distributions have been made to date.

Joint liquidators' remuneration and expenses

A written resolution was passed on 29 October 2014 that the remuneration of the joint liquidators be fixed at their normal charging rates according to the time properly spent by them and members of their staff in attending to matters arising in the winding up of the Company

In the event, the liquidators' remuneration has been paid by IBM UKL and accordingly no detailed analysis is included in this report
