(c) Any notice given by the First Lien Collateral Agent to one or more Grantors suspending any of the rights of such Grantors under Section 6.3(a) during the continuance of any Parity Lien Debt Default, (i) shall be given in writing, (ii) may be given with respect to one or more of the Grantors at the same or different times and (iii) may suspend the rights of one or more of the Grantors under Section 6.3(a) in part without suspending all such rights (as specified by the First Lien Collateral Agent in its sole discretion) and without waiving or otherwise affecting the rights of the First Lien Collateral Agent to give additional notices from time to time suspending other rights under Section 6.3(a) so long as a Notified Parity Lien Debt Default is continuing.

(d) Each Grantor hereby authorizes and instructs each other Grantor that is an Issuer of any Investment Property pledged by such Grantor hereunder to (i) comply with any instruction received by it from the First Lien Collateral Agent in writing that (x) states that a Notified Parity Lien Debt Default has occurred and is continuing and (y) is otherwise in accordance with the terms of this Agreement, without any other or further instructions from such Grantor, and each Grantor agrees that each Issuer and each obligor, as the case may be, shall be fully protected in so complying, and (ii) unless otherwise expressly permitted hereby, pay any dividends or other payments with respect to such Investment Property directly to the First Lien Collateral Agent upon the occurrence and during the continuance of any Notified Parity Lien Debt Default.

(e) Subject to the rights of the First Lien Collateral Agent pursuant to Section 6.3(b), the First Lien Collateral Agent will execute and deliver (or cause to be executed and delivered) to each Grantor all such proxies and other instruments as such Grantor may reasonably request for the purpose of enabling such Grantor to exercise the voting and other rights and powers that it is entitled to exercise pursuant to Section 6.3(a)(i) above and to receive the dividends, distributions and payments that it is authorized to

receive and retain pursuant to Section 6.3(a)(ii) above. Each Grantor agrees not to exercise or otherwise use any such proxy or other instrument delivered by the First Lien Collateral Agent pursuant to this Section 6.3(e) in violation of Section 6.3(b).

(f) In the event that the First Lien Collateral Agent shall have instituted any proceeding to enforce any right, power or remedy under this Agreement by foreclosure, sale, entry or otherwise, and such proceeding shall have been discontinued or abandoned for any reason or shall have been determined adversely to the First Lien Collateral Agent, then and in every such case, the Grantors, the First Lien Collateral Agent and each other Parity Lien Secured Party shall be restored to their respective former positions and rights hereunder with respect to the Collateral, and all rights, remedies and powers of the First Lien Collateral Agent and the other Parity Lien Secured Parties shall continue as if no such proceeding had been instituted.

6.4 Proceeds to be Turned over to First Lien Collateral Agent. In addition to the rights of the First Lien Collateral Agent specified in Section 6.1 with respect to payments of Receivables, if a Notified Parity Lien Debt Default shall occur and be continuing, upon written notice from the First Lien Collateral Agent to the Company requiring such action, all Proceeds of Collateral received by any Grantor consisting of cash, checks and Cash Equivalents shall be held by such Grantor in trust for the First Lien Collateral Agent for the ratable benefit of the Parity Lien Secured Parties, segregated from other funds of such Grantor, and shall, forthwith upon receipt by such Grantor, be turned over to the First Lien Collateral Agent in the exact form received by such Grantor (duly indorsed by such Grantor to the First Lien Collateral Agent, if required). All Proceeds received by the First Lien Collateral Agent hereunder shall be held by the First Lien Collateral Agent in a Collateral Account maintained under its sole dominion and control. All Proceeds while held by the First Lien Collateral Agent in a Collateral Account (or by such Grantor in trust for the First Lien Collateral Agent for the ratable benefit of the Parity Lien Secured Parties) shall continue to be held as collateral security for all the Secured Obligations and shall not constitute payment thereof until applied as provided in Section 6.5.

6.5 Application of Proceeds. If any Collateral is sold or otherwise realized upon by the First Lien Collateral Agent in connection with any foreclosure, collection or other enforcement of the liens granted to the First Lien Collateral Agent in the Parity Lien Security Documents, in any such case, as a result of an exercise of remedies in connection with a Parity Lien Debt Default, the Proceeds received by the First Lien Collateral Agent from such foreclosure, collection or other enforcement or realization will be distributed by the First Lien Collateral Agent in accordance with Section 3.4 the Collateral Agency Agreement and the Intercreditor Agreement.

6.6 Code and Other Remedies. If a Notified Parity Lien Debt Default shall occur and be continuing, the First Lien Collateral Agent, on behalf of the Parity Lien Secured Parties, may exercise, in addition to all other rights and remedies granted to them in this Agreement and in any other instrument or agreement securing, evidencing or relating to the Secured Obligations, all rights and remedies of a secured party under the UCC or any other applicable law. Without limiting the generality of the foregoing, the First Lien Collateral Agent, without demand of performance or other demand, presentment, protest, advertisement or notice of any kind (except any notice required by law referred to below or expressly required by each Parity Lien Document) to or upon any Grantor or any other Person (all and each of which demands, presentments, protests, advertisements and notices are hereby waived), may during the continuance of a Notified Parity Lien Debt Default, forthwith collect, receive, appropriate and realize upon the Collateral, or any part thereof, and/or may forthwith sell, lease, assign, give an option or options to purchase, or otherwise dispose of and deliver the Collateral or any part thereof (or contract to do any of the foregoing), in one or more parcels at public or private sale or sales, at any exchange, broker's board or office of the First Lien Collateral Agent or any other Parity Lien Secured Party or elsewhere upon such terms and conditions as it may deem advisable and at such commercially reasonable prices as it may deem

best, for cash or on credit or for future delivery without assumption of any credit risk. The First Lien Collateral Agent and each other Parity Lien Secured Party shall have the right upon any such public sale or sales, and, to the extent permitted by law, upon any such private sale or sales, to purchase the whole or any part of the Collateral so sold, free of any right or equity of redemption in any Grantor, which right or equity of redemption is hereby waived and released. During the continuance of a Notified Parity Lien Debt Default, each Grantor further agrees, at the First Lien Collateral Agent's reasonable request, to assemble the Collateral and make it available to the First Lien Collateral Agent at places which the First Lien Collateral Agent shall reasonably select, whether at such Grantor's premises or elsewhere. The First Lien Collateral Agent shall apply the net proceeds of any action taken by it pursuant to this Section 6.6 in accordance with Section 6.5. To the extent permitted by applicable law, each Grantor waives all claims, damages and demands it may acquire against the First Lien Collateral Agent or any other Parity Lien Secured Party arising out of the exercise by them of any rights hereunder after the occurrence and during the continuance of a Notified Parity Lien Debt Default, in any such case, except to the extent arising out of such Person's gross negligence, willful misconduct, violation of law or willful breach of its obligations hereunder or under any other Parity Lien Document, as determined pursuant to a final judgment of a court of competent jurisdiction. If any notice of a proposed sale or other disposition of Collateral pursuant to this Section 6.6 shall be required by law, such notice shall be deemed reasonable and proper if given at least ten (10) days before such sale or other disposition.

6.7 Registration Rights; Private Sales.

(a) If the First Lien Collateral Agent shall determine to exercise its right to sell any or all of the Pledged Stock pursuant to Section 6.6, and if in the reasonable opinion of the First Lien Collateral Agent it is necessary or advisable to have the Pledged Stock, or that portion thereof to be so sold, registered under the provisions of the Securities Act, the relevant Grantor will, after the occurrence and during the continuance of a Parity Lien Debt Default, (i) cause the Issuer thereof to (x) execute and deliver, and cause the directors and officers of such Issuer to execute and deliver, all such instruments and documents, and do or cause to be done all such other acts as may be, in the reasonable opinion of the First Lien Collateral Agent, necessary or advisable to register the Pledged Stock, or that portion thereof to be sold, under the provisions of the Securities Act, (y) cause the registration statement relating thereto to become effective and to remain effective for a period of one year from the date of the first public offering of the Pledged Stock, or that portion thereof to be sold, and (z) make all amendments thereto and/or to the related prospectus which, in the reasonable opinion of the First Lien Collateral Agent, are necessary or advisable, all in conformity with the requirements of the Securities Act and the rules and regulations of the U.S. Securities and Exchange Commission applicable thereto, and (ii) cause such Issuer to take such actions as are necessary to comply with the provisions of the securities or "Blue Sky" laws of any and all jurisdictions which the First Lien Collateral Agent shall reasonably designate in connection with such sale and to make available to its security holders, as soon as reasonably practicable, an earnings statement (which need not be audited) which will satisfy the provisions of Section 11(a) of the Securities Act.

(b) Each Grantor recognizes that the First Lien Collateral Agent may be unable to effect a public sale of any or all the Pledged Stock, by reason of certain prohibitions contained in the Securities Act and applicable state securities laws or otherwise or may determine that a public sale is impracticable or not commercially reasonable and, accordingly, may be compelled to resort to one or more private sales thereof to a restricted group of restricted purchasers which will be obliged to agree, among other things, to acquire such securities for their own account for investment and not with a view to the distribution or resale thereof. Each Grantor acknowledges and agrees that any such private sale may result in prices and other terms less favorable than if such sale were a public sale and, notwithstanding such circumstances, agrees that any such private sale after the occurrence and during the continuance of a Notified Parity Lien Debt Default shall be deemed to have been made in a commercially reasonable manner as a result of such lower price. The First Lien Collateral Agent shall be under no obligation to delay a sale of any of the Pledged Stock for the period

of time necessary to permit the Issuer thereof to register such securities for public sale under the Securities Act, or under applicable state securities laws, even if such Issuer would agree to do so.

(c) Each Grantor agrees to use its best efforts to do or cause to be done all such other acts as may reasonably be necessary to make such sale or sales by the First Lien Collateral Agent of all or any portion of the Pledged Stock pursuant to this Section 6.7 valid and binding and in compliance with any and all other applicable law. Each Grantor further agrees that a breach of any of the covenants contained in this Section 6.7 will cause irreparable injury to the First Lien Collateral Agent and the other Parity Lien Secured Parties, that the First Lien Collateral Agent and the other Parity Lien Secured Parties have no adequate remedy at law in respect of such breach and, as a consequence, that each and every covenant contained in this Section 6.7 shall be specifically enforceable against such Grantor after the occurrence of a Notified Parity Lien Debt Default and exercise of remedies pursuant to this Section 6, and such Grantor hereby waives and agrees not to assert any defenses against an action for specific performance of such covenants except for a defense that the Final Termination Date has occurred or that no Notified Parity Lien Debt Default has occurred that is continuing.

6.8 Deficiency. Each Grantor shall remain liable for any deficiency if the proceeds of any sale or other disposition of the Collateral are insufficient to pay its Secured Obligations and, subject to the limitations set forth in Section 7.8 of the Collateral Agency Agreement, the fees and disbursements of any attorneys employed by the First Lien Collateral Agent to collect such deficiency.

6.9 Non-Judicial Enforcement. The First Lien Collateral Agent may enforce its rights hereunder without prior judicial process or judicial hearing, and to the extent permitted by law, each Grantor expressly waives any and all legal rights which might otherwise require the First Lien Collateral Agent to enforce its rights by judicial process.

6.10 Grant of License to Use Intellectual Property. For the exclusive purpose of enabling the First Lien Collateral Agent to exercise rights and remedies under this Agreement solely at such time as the First Lien Collateral Agent shall be lawfully entitled to exercise such rights and remedies at any time during the continuance of a Notified Parity Lien Debt Default, each Grantor hereby grants to the First Lien Collateral Agent a nonexclusive license (exercisable without payment of royalty or other compensation to the Grantors) (until the termination or cure of such Notified Parity Lien Debt Default) to use or license or sublicense any Intellectual Property now owned or hereafter acquired by such Grantor, and wherever the same may be located (in any such case, to the extent permitted by the terms of any applicable third party license or sublicense of any such Intellectual Property), subject to reasonable quality control provisions in connection with the goods and services offered under the Intellectual Property sufficient to avoid the risk of cancellation, voiding, or invalidation of such Intellectual Property. Such license shall include reasonable access to all media in which any of the licensed items may be recorded or stored and to all computer software and programs used for the compilation or printout thereof. The use of such license by the First Lien Collateral Agent, and the other rights of the First Lien Collateral Agent pursuant to this Section 6.10, may be exercised, at the option of the First Lien Collateral Agent, only upon the occurrence and during the continuation of a Notified Parity Lien Debt Default and shall immediately terminate upon any subsequent termination, cure or waiver of a Notified Parity Lien Debt Default. Nothing in this Section 6.10 shall require any Grantor to grant any license that is prohibited by any rule of law, statute or regulation, or is prohibited by, or constitutes a breach or default under or results in the termination of any contract, license, agreement, instrument or other document evidencing, giving rise to or theretofore granted, to the extent not prohibited by the Parity Lien Debt Documents, with respect to such property or otherwise unreasonably prejudices the value thereof to the relevant Grantor; provided, further, that any such license and any such license granted by the First Lien Collateral Agent to a third party shall include reasonable and customary terms and conditions necessary to preserve the existence, validity and value of the affected Intellectual Property, including without limitation, provisions requiring the continuing confidential handling of trade

secrets, requiring the use of appropriate notices and prohibiting the use of false notices, quality control and inurement provisions with regard to Trademarks, patent designation provisions with regard to Patents, copyright notices and restrictions on decompilation and reverse engineering of copyrighted software (it being understood and agreed that, without limiting any other rights and remedies of the First Lien Collateral Agent under this Agreement, any other Parity Lien Document or applicable law, nothing in the foregoing license grant shall be construed as granting the First Lien Collateral Agent rights in and to such Intellectual Property above and beyond (x) the rights to such Intellectual Property that each Grantor has reserved for itself and (y) in the case of Intellectual Property that is licensed to any such Grantor by a third party, the extent to which such Grantor has the right to grant a sublicense to such Intellectual Property hereunder).

SECTION 7. THE FIRST LIEN COLLATERAL AGENT

7.1 First Lien Collateral Agent's Appointment as Attorney-in-Fact, Etc.

(a) Subject to the final paragraph of this Section 7.1(a), each Grantor hereby irrevocably constitutes and appoints, by way of security, the First Lien Collateral Agent and any officer or agent thereof, with full power of substitution, as its true and lawful attorney-in-fact with full irrevocable power and authority in the place and stead of such Grantor and in the name of such Grantor or in its own name, for the purpose of carrying out the terms of this Agreement, to take any and all appropriate action and to execute any and all documents and instruments which may be reasonably necessary or desirable to accomplish the purposes of this Agreement, and, without limiting the generality of the foregoing, each Grantor hereby gives the First Lien Collateral Agent the power and right, but not the obligation, on behalf of such Grantor, without notice to or assent by such Grantor, to do any or all of the following:

(i) in the name of such Grantor or its own name, or otherwise, take possession of and indorse and collect any checks, drafts, notes, acceptances or other instruments for the payment of moneys due under any Receivable or Contract that constitute or are required to constitute Collateral or with respect to any other Collateral and file any claim or take any other action or proceeding in any court of law or equity or otherwise deemed appropriate by the First Lien Collateral Agent for the purpose of collecting any and all such moneys due under any such Receivable or Contract or with respect to any other Collateral whenever payable;

(ii) in the case of any Intellectual Property included in the Collateral, execute and deliver, and have recorded, any and all agreements, instruments, documents and papers as the First Lien Collateral Agent may reasonably request to evidence the First Lien Collateral Agent's security interest in such Intellectual Property;

(iii) unless being disputed in accordance with or as otherwise not prohibited by the Parity Lien Documents, pay or discharge taxes and Liens levied or placed on or threatened against the Collateral, effect any repairs or purchase any insurance called for by the terms of this Agreement or any other Parity Lien Debt Document and pay all or any part of the premiums therefor and the costs thereof;

(iv) execute, in connection with any sale provided for in Section 6.6 or 6.7, any endorsements, assignments or other instruments of conveyance or transfer with respect to the Collateral; and

(v) (A) direct any party liable for any payment under any of the Collateral to make payment of any and all moneys due or to become due thereunder directly to the First Lien Collateral Agent or as the First Lien Collateral Agent shall direct; (B) ask or demand for, collect, and receive payment of and receipt for, any and all moneys, claims and other amounts due or to become due at

any time in respect of or arising out of any Collateral; (C) sign and indorse any invoices, freight or express bills, bills of lading, storage or warehouse receipts, drafts against debtors, assignments, verifications, notices and other documents in connection with any of the Collateral; (D) commence and prosecute any suits, actions or proceedings at law or in equity in any court of competent jurisdiction to collect the Collateral or any portion thereof and to enforce any other right in respect of any Collateral; (E) defend any suit, action or proceeding brought against such Grantor with respect to any Collateral; (F) settle, compromise or adjust any such suit, action or proceeding and, in connection therewith, give such discharges or releases as the First Lien Collateral Agent may deem appropriate; (G) assign any Copyright, Patent or Trademark included in the Collateral, throughout the world for such term or terms, on such conditions, and in such manner, as the First Lien Collateral Agent shall in its sole discretion determine; and (H) generally, sell, transfer, pledge and make any agreement with respect to or otherwise deal with any of the Collateral as fully and completely as though the First Lien Collateral Agent were the absolute owner thereof for all purposes, and do, at the First Lien Collateral Agent's option and such Grantor's expense, at any time, or from time to time, all acts and things which the First Lien Collateral Agent deems necessary to protect, preserve or realize upon the Collateral and the First Lien Collateral Agent's security interests therein and to effect the intent of this Agreement, all as fully and effectively as such Grantor might do.

Anything in this Section 7.1(a) to the contrary notwithstanding, the First Lien Collateral Agent agrees that it will not exercise any rights under the power of attorney provided for in this Section 7.1(a) unless a Notified Parity Lien Debt Default shall have occurred and be continuing.

(b) If a Notified Parity Lien Debt Default has occurred and is continuing, if any Grantor fails to perform or comply with any of its agreements contained herein, the First Lien Collateral Agent at its option, but without any obligation so to do, may perform or comply, or otherwise cause performance or compliance, with such agreement.

(c) The reasonable, documented out-of-pocket expenses of the First Lien Collateral Agent incurred in connection with actions undertaken as provided in this Section 7.1 shall be payable by the Grantors to the First Lien Collateral Agent promptly after demand by the First Lien Collateral Agent.

(d) Each Grantor hereby ratifies all that said attorneys shall in good faith and lawfully do or cause to be done by virtue and in accordance with the terms hereof. All powers, authorizations and agencies contained in this Agreement are coupled with an interest and are irrevocable until this Agreement is terminated and the security interests created hereby are released.

7.2 Duty of First Lien Collateral Agent. The First Lien Collateral Agent's sole duty with respect to the custody, safekeeping and physical preservation of the Collateral in its possession shall be to deal with it in the same manner as the First Lien Collateral Agent deals with similar property for its own account, and the First Lien Collateral Agent shall be deemed to have exercised reasonable care in the custody and preservation of the Collateral in its possession if the Collateral is accorded treatment substantially equal to that which comparable secured parties accord comparable collateral. Neither the First Lien Collateral Agent nor any of its Related Parties (i) shall be liable for failure to demand, collect or realize upon any of the Collateral or for any delay in doing so or (ii) shall be under any obligation (x) to sell or otherwise dispose of any Collateral upon the request of any Grantor or any other Person or (y) other than as set forth in the first sentence of this Section 7.2 and the accounting for moneys actually received by it under any Parity Lien Security Document, to take any other action whatsoever with regard to the Collateral or any part thereof. The powers conferred on the First Lien Collateral Agent hereunder are solely to protect the First Lien Collateral Agent's interests in the Collateral and shall not impose any duty upon the First Lien Collateral Agent to exercise any such powers. The First Lien Collateral Agent shall be accountable

only for amounts that it actually receives as a result of the exercise of such powers, and neither the First Lien Collateral Agent nor any of its Related Parties shall be responsible to any Grantor for any act or failure to act hereunder, except for their own gross negligence or willful misconduct. To the fullest extent permitted by applicable law, the First Lien Collateral Agent shall, except as specifically set forth in this Agreement, the Collateral Agency Agreement and any other Parity Lien Document to which the First Lien Collateral Agent is a party, be under no duty whatsoever to make or give any presentment, notice of dishonor, protest, demand for performance, notice of non-performance, notice of intent to accelerate, notice of acceleration, or other notice or demand in connection with any Collateral or the Secured Obligations, or to take any steps necessary to preserve any rights against any Grantor or other Person or ascertaining or taking action with respect to calls, conversions, exchanges, maturities, tenders or other matters relative to any Collateral, whether or not it has or is deemed to have knowledge of such matters. Each Grantor, to the extent permitted by applicable law, waives any right of marshaling in respect of any and all Collateral, and waives any right to require the First Lien Collateral Agent to proceed against any Grantor or other Person, exhaust any Collateral or enforce any other remedy which the First Lien Collateral Agent now has or may hereafter have against each Grantor, any Grantor or other Person. Notwithstanding anything stated herein to the contrary, the rights and indemnity afforded to First Lien Collateral Agent under the Collateral Agency Agreement, shall apply, mutatis mutandis, to the First Lien Collateral Agent under this Agreement.

7.3 Filing of Financing Statements. Pursuant to any applicable law, each Grantor authorizes the First Lien Collateral Agent to file, register or record financing statements and other filing or recording documents or instruments with respect to the Collateral without the signature of such Grantor in such form and in such offices as the First Lien Collateral Agent reasonably determines appropriate to perfect and ensure the priority of the security interests of the First Lien Collateral Agent under this Agreement. A photographic or other reproduction of this Agreement shall be sufficient as a financing statement or other filing or recording document or instrument for filing or recording in any jurisdiction. Each Grantor authorizes the First Lien Collateral Agent to use in any such financing statements, filings or recording documents the collateral description “all personal property of the debtor, whether now owned or hereafter acquired,” “all assets of the debtor, whether now owned or hereafter acquired,” or words of similar import. Notwithstanding the foregoing or anything to the contrary herein, the First Lien Collateral Agent shall not be responsible for filing any financing or continuation statements or for recording any documents or instruments in any public office at any time or times or for otherwise perfecting, and ensuring the priority of and maintaining the perfection of any security interest in the Collateral.

7.4 Authority of First Lien Collateral Agent.

(a) Each Grantor acknowledges that the rights and responsibilities of the First Lien Collateral Agent under this Agreement with respect to any action taken by the First Lien Collateral Agent or the exercise or non-exercise by the First Lien Collateral Agent of any option, voting right, request, judgment or other right or remedy provided for herein or resulting or arising out of this Agreement shall, as between the First Lien Collateral Agent and the other Parity Lien Secured Parties, be governed by the Collateral Agency Agreement and by such other agreements with respect thereto as may exist from time to time among them, but, as between the First Lien Collateral Agent and the Grantors, the First Lien Collateral Agent shall be conclusively presumed to be acting as agent for the Parity Lien Secured Parties with full and valid authority so to act or refrain from acting, and no Grantor shall be under any obligation, or entitlement, to make any inquiry respecting such authority.

(b) By acceptance of the benefits of this Agreement and/or any other Parity Lien Security Document, each Parity Lien Secured Party (whether or not a signatory hereto) shall be deemed irrevocably (i) to consent to the appointment of the First Lien Collateral Agent under the Parity Lien Documents, (ii) to agree to be bound by the terms of this Agreement and any other Parity Lien Security Documents and (iii) to confirm that no Parity Lien Secured Party (other than the First Lien Collateral Agent or other applicable

Agent) shall have the right individually to seek to realize upon or enforce any Lien or other security granted by, or to exercise rights or remedies under, this Agreement or any other Parity Lien Security Document, it being understood and agreed that such Liens may be enforced solely by, and such rights and remedies may be exercised solely by, the First Lien Collateral Agent for the benefit of the Parity Lien Secured Parties upon the terms of the Collateral Agency Agreement and other applicable Parity Lien Documents.

SECTION 8. MISCELLANEOUS

8.1 Amendments in Writing; Joinder of Additional Grantors.

(a) No amendment or waiver of or consent to any departure from any provision of this Agreement shall be effective unless it is in writing and given in the manner and subject to the terms of the Collateral Agency Agreement, except that, for the avoidance of doubt, (i) any Assumption Agreement executed and delivered in accordance with Section 8.1(b) need only be executed by the parties thereto and (ii) any Schedule hereto may be supplemented from time to time by a supplement thereto in writing delivered by any Grantor to the First Lien Collateral Agent. Any waiver or consent shall be effective only in the specific instance and for the specific purpose for which given and to the extent specified in such writing.

(c) Notwithstanding anything in this Agreement to the contrary, if any Subsidiary of the Company or any Restricted Subsidiary has executed and delivered this Agreement to become a Grantor hereunder, or has otherwise become a party to this Agreement as a Grantor, and such Subsidiary is or becomes an Excluded Subsidiary and has delivered notice thereof to the First Lien Collateral Agent in accordance with the Initial First Lien Indenture, such Subsidiary will not be considered a party to this Agreement or a Grantor hereunder (but only so long as such Person is also an Excluded Subsidiary for purposes of each other Parity Lien Debt and Junior Lien Debt) in any respects, and will not have any obligations under this Agreement, until such time that it is no longer an Excluded Subsidiary.

8.2 Notices. All notices and other communications provided for herein shall be given in the manner and subject to the terms of Section 7.6 of the Collateral Agency Agreement or such other address, email address or facsimile number as such Grantor may hereafter specify for such purpose by written notice to the First Lien Collateral Agent in accordance with Section 7.6 of the Collateral Agency Agreement.

8.3 No Waiver by Course of Conduct; Cumulative Remedies. No delay or failure on the part of the First Lien Collateral Agent or any other Parity Lien Secured Party to exercise and no delay in exercising, and no course of dealing with respect to, any right, power, privilege or remedy or any abandonment or discontinuance of steps to enforce such right, power, privilege or remedy under this Agreement or any other Parity Lien Document shall operate as a waiver thereof or as an acquiescence in any default, nor shall any single or partial exercise of any right, power, privilege or remedy preclude any other or further exercise of any other power, right or remedy under this Agreement or any other Parity Lien Document preclude or be construed as a waiver of any other or further exercise thereof or the exercise of

any other right, power, privilege or remedy. The remedies provided herein are cumulative and not exclusive of any remedies provided by law or equity.

8.4 Enforcement Expenses; Indemnification.

(a) The Company and each other Grantor agree to indemnify and hold harmless the First Lien Collateral Agent and its Related Parties, attorneys and agents (collectively, the “*Indemnified Parties*”), in each case, to the extent such parties would be required to do so pursuant to, and for the avoidance of doubt, subject to the limitations of, Section 7.20 of the Collateral Agency Agreement.

(b) The Company and each other Grantor agree that each Indemnified Party shall be entitled to reimbursement of its expenses incurred hereunder to the extent the Company would be required to pay or reimburse such Indemnified Party pursuant to, and for the avoidance of doubt, subject to the limitations of, Section 7.8 of the Collateral Agency Agreement.

(c) The agreements in this Section 8.4 shall survive repayment of the Secured Obligations and all other amounts payable under the Parity Lien Documents.

8.5 Successors and Assigns. This Agreement shall be binding upon each of the parties hereto and their respective successors and permitted assigns and shall inure to the benefit of each of the parties hereto and the other Parity Lien Secured Parties and their respective successors and permitted assigns; provided that no Grantor may assign, transfer or delegate any of its rights or obligations under this Agreement without the prior written consent of the First Lien Collateral Agent.

8.6 Counterparts. This Agreement may be executed in any number of counterparts, and by different parties hereto on different counterpart signature pages, each of which when executed shall be deemed an original, but all such counterparts taken together shall constitute one and the same Agreement. Except as otherwise specified in any Parity Lien Security Document with respect to such Parity Lien Security Document and/or any Ancillary Document executed and delivered pursuant thereto, delivery of an executed counterpart of a signature page of (x) this Agreement and/or (y) any document (including, for the avoidance of doubt, any Assumption Agreement executed and delivered pursuant to Section 8.1(b)), amendment, approval, consent, information, notice (including, for the avoidance of doubt, any notice delivered pursuant to Section 8.2), certificate, request, statement, disclosure or authorization related to this Agreement and/or the transactions contemplated hereby (each an “*Ancillary Document*”) that is an Electronic Signature transmitted by telecopy, emailed “.pdf” or “.tif” file or any other electronic means that reproduces an image of an actual executed signature page shall be effective as delivery of a manually executed counterpart of this Agreement or such Ancillary Document, as applicable. The words “execution,” “signed,” “signature,” “delivery,” and words of like import in or relating to this Agreement and/or any Ancillary Document shall be deemed to include Electronic Signatures, deliveries or the keeping of records in any electronic form (including deliveries by telecopy, emailed “.pdf” or “.tif” file or any other electronic means that reproduces an image of an actual executed signature page), each of which shall be of the same legal effect, validity or enforceability as a manually executed signature, physical delivery thereof or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act; provided that nothing herein shall require the First Lien Collateral Agent to accept Electronic Signatures in any form or format without its prior written consent and pursuant to procedures approved by it; provided, further, without limiting the foregoing, (a) to the extent the First Lien Collateral Agent has agreed to accept any Electronic Signature, the First Lien Collateral Agent and other Parity Lien Secured Parties shall be entitled to rely on such Electronic Signature purportedly given by or on behalf of any Grantor without further verification thereof and without any obligation to review the

appearance or form of any such Electronic Signature and (b) upon the request of the First Lien Collateral Agent, any Electronic Signature shall be promptly followed by a manually executed counterpart. Without limiting the generality of the foregoing, the Company and each other Grantor hereby (i) agree that, for all purposes, including without limitation, in connection with any workout, restructuring, enforcement of remedies, bankruptcy proceedings or litigation among the First Lien Collateral Agent or any other Parity Lien Secured Party, and the Company and the other Grantors, Electronic Signatures transmitted by telecopy, emailed “.pdf” or “.tif” file or any other electronic means that reproduces an image of an actual executed signature page and/or any electronic images of this Agreement and/or any Ancillary Document shall have the same legal effect, validity and enforceability as any paper original, (ii) agree that each of the First Lien Collateral Agent or any other Parity Lien Secured Party may, at its option, create one or more copies of this Agreement and/or any Ancillary Document in the form of an imaged electronic record in any format, which shall be deemed created in the ordinary course of such Person’s business, and destroy the original paper document (and all such electronic records shall be considered an original for all purposes and shall have the same legal effect, validity and enforceability as a paper record), (iii) waive any argument, defense or right to contest the legal effect, validity or enforceability of this Agreement and/or any Ancillary Document based solely on the lack of paper original copies of this Agreement and/or such Ancillary Document, respectively, including with respect to any signature pages thereto and (iv) waive any claim against the First Lien Collateral Agent, each other Parity Lien Secured Party and each of their Affiliates and the respective directors, officers, employees, agents and advisors for any claims, causes or action, damages or other liabilities arising solely from the First Lien Collateral Agent or any other Parity Lien Secured Party’s reliance on or use of Electronic Signatures and/or transmissions by telecopy, emailed “.pdf” or “.tif” file or any other electronic means that reproduces an image of an actual executed signature page, including any claims, causes or action, damages or other liabilities arising as a result of the failure of the Company and/or any other Grantor to use any available security measures in connection with the execution, delivery or transmission of any Electronic Signature.

8.7 Severability. Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

 - (A) a Grantor incorporated in Switzerland and/or having its registered office in Switzerland (a “*Swiss Grantor*”) secures obligations other than obligations of one of its wholly owned direct or indirect subsidiaries (the “*Restricted Obligations*”); and
 - (B) using the proceeds from enforcement of the Collateral, or any other security granted (if any) by a Swiss Grantor under any and all Parity Lien Documents, would in accordance with applicable Swiss law constitute a repayment of capital

(*Einlagerückgewähr*), a violation of the legally protected reserves (*gesetzlich geschützte Reserven*) or the payment of a (constructive) dividend (*Gewinnausschüttung*) by a Swiss Grantor or would otherwise be restricted under then applicable mandatory Swiss law,

the proceeds from the enforcement of the Collateral, or any other security granted (if any) by a Swiss Grantor under any and all Parity Lien Documents, to be applied towards discharging Restricted Obligations shall be limited to the amount as determined in accordance with applicable Swiss law (the "*Swiss Available Amount*"). This limitation shall not release the Swiss Grantor from its obligations in excess of the Swiss Available Amount, but merely postpone the time of using such proceeds until such times as application towards discharging the Restricted Obligations is again permitted notwithstanding such limitation.

(ii) In case the proceeds from the enforcement of the Collateral, or any other security granted (if any) by a Swiss Grantor under any and all Parity Lien Documents, (such proceeds, for the avoidance of doubt, in no event to exceed the Swiss Available Amount) are by law subject to Swiss Withholding Tax, the Swiss Grantor shall:

(B) if the notification procedure pursuant to the preceding sub-paragraph:

(X) applies for a part of the Swiss Withholding Tax only, the First Lien Collateral Agent undertakes to withhold from the enforcement proceeds of the Collateral, or any other security granted (if any) by a Swiss Grantor under any and all Parity Lien Documents, an amount of Swiss Withholding Tax at the reduced rate resulting after the discharge of part of such Tax by notification under applicable law; or

(Y) is not available, the First Lien Collateral Agent undertakes to withhold from the enforcement proceeds of the Collateral, or any other security granted (if any) by a Swiss Grantor under any and all Parity Lien Documents, an amount equivalent to the Swiss Withholding Tax at the rate of 35% (or such other rate as in force from time to time), and subject to any applicable double taxation treaty or any other applicable treaty, that may be due by the Swiss Grantor to the Swiss Federal Tax Administration from the enforcement of the Collateral, or any other security granted (if any) by a Swiss Grantor under any and all Parity Lien Documents, by the First Lien Collateral Agent under this Agreement and forward such amount to the Swiss Federal Tax Administration, in the name and for the account of the relevant Swiss Grantor, within sixty (60) Business Days after presentation by the Swiss Grantor to the First Lien Collateral Agent of the relevant form of the Swiss Federal Tax Administration, it being specified that the Swiss Grantor shall fill in and prepare the relevant form of the Swiss Federal Tax Administration and submit it to the First Lien Collateral Agent for approval; and

(Z) in the case of a deduction of Swiss Withholding Tax the Swiss Grantor shall use its best efforts to ensure that (1) any person other than the First Lien

Collateral Agent, which is entitled to a full or partial refund of the Swiss Withholding Tax deducted from such application of proceeds towards discharging Restricted Obligations, will, as soon as possible after such deduction request a refund of the Swiss Withholding Tax under applicable law (including tax treaties), and pay to the First Lien Collateral Agent upon receipt any amounts so refunded and (2) if the First Lien Collateral Agent is entitled to a full or partial refund of the Swiss Withholding Tax deducted from such application of proceeds towards discharging Restricted Obligations, the Swiss Grantor provides the First Lien Collateral Agent with those documents that are required by law and applicable tax treaties to be provided by the payer of such Tax in order to enable the First Lien Collateral Agent to prepare a claim for refund of Swiss Withholding Tax. The First Lien Collateral Agent and the Swiss Grantor shall co-operate with each other to secure such refund.

(iii) If Swiss Withholding Tax is to be withheld in accordance with clause (A) above, the First Lien Collateral Agent shall be entitled to further apply proceeds from the enforcement of the Collateral, or any other security granted (if any) by a Swiss Grantor under any and all Parity Lien Documents, against the Restricted Obligations up to an amount which is equal to that amount which would have been obtained if no withholding of Swiss Withholding Tax were required, *provided, however*, that the aggregate amount paid (including the additional amount) shall in any event be limited to the Swiss Available Amount.

(iv) If and to the extent requested by the First Lien Collateral Agent and if and to the extent this is from time to time permitted under applicable Swiss mandatory law notwithstanding the restrictions referred to in this Section 8.15(g), in order to allow the First Lien Collateral Agent (and the Parity Lien Secured Parties) to obtain a maximum benefit under the Loan Documents and, in particular, the Collateral, the Swiss Grantor shall take all such measures and/or promptly procure the fulfilment of all such prerequisites, in each case to the extent within its power, as are necessary and appropriate to achieve, without delay, the application of the proceeds from the enforcement of the Collateral granted under this Agreement, or any other security granted (if any) by a Swiss Grantor under any and all Parity Lien Documents, towards the discharge of the Restricted Obligations and to enable it to promptly perform its obligations under this Agreement and make the (required) payment(s) thereunder from time to time, including the following:

(A) the preparation of an up-to-date (interim) audited balance sheet of the Swiss Grantor;

(B) the confirmation of the auditors of the Swiss Grantor that the relevant amount represents (the maximum of) freely distributable reserves;

(C) the passing of unanimous written resolutions of the quotaholders of the Swiss Grantor approving the (resulting) distribution;

(D) the conversion of restricted reserves into profits and reserves freely available for the distribution as dividends (to the extent permitted by mandatory Swiss law);

(E) to the extent permitted by applicable Swiss law, (x) write up or realize any of its assets shown in its balance sheet with a book value that is significantly lower than the market value of the assets, in case of a realization, however, only if such assets are not

necessary for the Swiss Grantor's business (*nicht betriebsnotwendig*) and/or (y) reduce its quota capital; and

(F) all such other measures necessary or useful to allow the First Lien Collateral Agent to further enforce the Collateral and any other indemnity granted under this Agreement, or any other security granted (if any) by a Swiss Grantor under any and all Parity Lien Documents, and apply proceeds therefrom towards the Restricted Obligations with a minimum of limitations.
