HEALTHCARE PROPERTIES (OXFORD) LIMITED

DIRECTORS' REPORT

FOR THE YEAR ENDED 30 JUNE 2016

The directors present their annual report and financial statements for the year ended 30 June 2016.

Principal activities

During the year ended 30 June 2015, until 31 December 2014, the company's principal activity was property rental to other group companies. However, on 31 December 2014, the directors took the decision to cease trading following the transfer of its properties to other group companies. As the directors do not intend to acquire a replacement trade, they have not prepared the financial statements on a going concern basis.

Directors

The directors who held office during the year and up to the date of signature of the financial statements were as follows:

Patricia Lee
David Manson

Results and dividends

The results for the year are set out on page 5.

No interim dividends were paid. The directors do not recommend payment of a final dividend.

Auditor

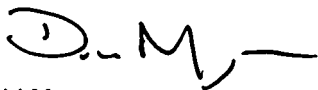

Pursuant to Section 487 of the Companies Act 2006, the auditor will be deemed to be reappointed and KPMG LLP will therefore continue in office.

Statement of disclosure to auditor

So far as each person who was a director at the date of approving this report is aware, there is no relevant audit information of which the company's auditor is unaware. Additionally, the directors individually have taken all the necessary steps that they ought to have taken as directors in order to make themselves aware of all relevant audit information and to establish that the company's auditor is aware of that information.

This report has been prepared in accordance with the provisions applicable to companies entitled to the small companies exemption.

On behalf of the board

David Manson
Director

6 December 2016

HEALTHCARE PROPERTIES (OXFORD) LIMITED

DIRECTORS' RESPONSIBILITIES STATEMENT

FOR THE YEAR ENDED 30 JUNE 2016

The directors are responsible for preparing the annual report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with applicable law and Section 1A of FRS 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (UK Generally Accepted Accounting Practice applicable to Smaller Entities). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business. As explained in note 1, the directors do not believe that it is appropriate to prepare these financial statements on a going concern basis.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

HEALTHCARE PROPERTIES (OXFORD) LIMITED

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF HEALTHCARE PROPERTIES (OXFORD) LIMITED

We have audited the financial statements of Healthcare Properties (Oxford) Limited for the year ended 30 June 2016 set out on pages 5 to 14. The financial reporting framework that has been applied in their preparation is applicable law and Section 1A of FRS 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (UK Generally Accepted Accounting Practice applicable to Smaller Entities).

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditor

As explained more fully in the Directors' Responsibilities Statement set out on page 2, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of the audit of the financial statements

A description of the scope of an audit of financial statements is provided on the FRC's website at www.frc.org.uk/auditscopeukprivate.

Opinion on financial statements

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 30 June 2016 and of its result for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice applicable to Smaller Entities; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Opinion on other matters prescribed by the Companies Act 2006

In our opinion the information given in the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements.

HEALTHCARE PROPERTIES (OXFORD) LIMITED

INDEPENDENT AUDITOR'S REPORT (CONTINUED)

TO THE MEMBERS OF HEALTHCARE PROPERTIES (OXFORD) LIMITED

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the directors were not entitled to prepare the financial statements in accordance with the small companies regime and take advantage of the small companies exemption from the requirement to prepare a strategic report.

HEALTHCARE PROPERTIES (OXFORD) LIMITED

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 30 JUNE 2016

1 Accounting policies

Company information

Healthcare Properties (Oxford) Limited is a private company limited by shares incorporated in England and Wales. The registered office is Two Parklands Business Park, Great Park, Rubery, Birmingham, B45 9PZ.

1.1 Accounting convention

These financial statements have been prepared in accordance with FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" ("FRS 102") and the requirements of the Companies Act 2006 as applicable to companies subject to the small companies regime. The disclosure requirements of section 1A of FRS 102 have been applied other than where additional disclosure is required to show a true and fair view.

The financial statements are prepared in sterling, which is the functional currency of the company. Monetary amounts in these financial statements are rounded to the nearest £'000.

The financial statements have been prepared on the historical cost convention, modified to include the revaluation of freehold properties and to include investment properties and certain financial instruments at fair value. The principal accounting policies adopted are set out below.

These financial statements for the year ended 30 June 2016 are the first financial statements of Healthcare Properties (Oxford) Limited prepared in accordance with FRS 102, The Financial Reporting Standard applicable in the UK and Republic of Ireland. The date of transition to FRS 102 was 1 July 2014. An explanation of how transition to FRS 102 has affected the reported financial position and financial performance is given in note .

This company is a qualifying entity for the purposes of FRS 102, being a member of a group where the parent of that group prepares publicly available consolidated financial statements, including this company, which are intended to give a true and fair view of the assets, liabilities, financial position and profit or loss of the group. The company has therefore taken advantage of exemptions from the following disclosure requirements:

- Section 4 'Statement of Financial Position' – Reconciliation of the opening and closing number of shares;
- Section 7 'Statement of Cash Flows' – Presentation of a statement of cash flow and related notes and disclosures;
- Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instrument Issues' – Carrying amounts, interest income/expense and net gains/losses for each category of financial instrument; basis of determining fair values; details of collateral, loan defaults or breaches, details of hedges, hedging fair value changes recognised in profit or loss and in other comprehensive income;
- Section 26 'Share based Payment' – Share-based payment expense charged to profit or loss, reconciliation of opening and closing number and weighted average exercise price of share options, how the fair value of options granted was measured, measurement and carrying amount of liabilities for cash-settled share-based payments, explanation of modifications to arrangements;
- Section 33 'Related Party Disclosures' – Compensation for key management personnel.

The financial statements of the company are consolidated in the financial statements of Embrace Group Limited. These consolidated financial statements are available from its registered office, Two Parklands Business Park, Great Park, Rubery, Birmingham B45 9PZ.

HEALTHCARE PROPERTIES (OXFORD) LIMITED

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 30 JUNE 2016

1 Accounting policies

(Continued)

The company has taken advantage of the exemption under section 400 of the Companies Act 2006 not to prepare consolidated accounts. The financial statements present information about the company as an individual entity and not about its group.

Healthcare Properties (Oxford) Limited is a wholly owned subsidiary of Embrace Group Limited and the results of Healthcare Properties (Oxford) Limited are included in the consolidated financial statements of Embrace Group Limited.

1.2 Going concern

In the prior year the company transferred its properties into other group entities, as part of a wider group restructuring. On completion of this transfer the company has ceased to trade and became dormant. The company has been dormant for the full period. Therefore, the Board has not prepared the financial statements of the company on a going concern basis.

1.3 Turnover

Revenue (net of VAT) comprises the fair value of rental income receivable for the year in respect of properties occupied by tenants and is recognised in respect of the days that properties have been occupied in the relevant period.

1.4 Fixed asset investments

Interests in subsidiaries, associates and jointly controlled entities are initially measured at cost and subsequently measured at cost less any accumulated impairment losses. The investments are assessed for impairment at each reporting date and any impairment losses or reversals of impairment losses are recognised immediately in profit or loss.

A subsidiary is an entity controlled by the company. Control is the power to govern the financial and operating policies of the entity so as to obtain benefits from its activities.

1.5 Financial instruments

The company has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the company's statement of financial position when the company becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

HEALTHCARE PROPERTIES (OXFORD) LIMITED

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 30 JUNE 2016

1 Accounting policies

(Continued)

Impairment of financial assets

Financial assets, other than those held at fair value through profit and loss, are assessed for indicators of impairment at each reporting end date.

Financial assets are impaired where there is objective evidence that, as a result of one or more events that occurred after the initial recognition of the financial asset, the estimated future cash flows have been affected. If an asset is impaired, the impairment loss is the difference between the carrying amount and the present value of the estimated cash flows discounted at the asset's original effective interest rate. The impairment loss is recognised in profit or loss.

If there is a decrease in the impairment loss arising from an event occurring after the impairment was recognised, the impairment is reversed. The reversal is such that the current carrying amount does not exceed what the carrying amount would have been, had the impairment not previously been recognised. The impairment reversal is recognised in profit or loss.

Derecognition of financial assets

Financial assets are derecognised only when the contractual rights to the cash flows from the asset expire or are settled, or when the company transfers the financial asset and substantially all the risks and rewards of ownership to another entity, or if some significant risks and rewards of ownership are retained but control of the asset has transferred to another party that is able to sell the asset in its entirety to an unrelated third party.

Classification of financial liabilities

Financial liabilities and equity instruments are classified according to the substance of the contractual arrangements entered into. An equity instrument is any contract that evidences a residual interest in the assets of the company after deducting all of its liabilities.

Basic financial liabilities

Basic financial liabilities, including creditors, bank loans, loans from fellow group companies and preference shares that are classified as debt, are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future receipts discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of business from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

Derecognition of financial liabilities

Financial liabilities are derecognised when the company's contractual obligations expire or are discharged or cancelled.

HEALTHCARE PROPERTIES (OXFORD) LIMITED

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 30 JUNE 2016

1 Accounting policies

(Continued)

1.6 Taxation

The tax expense represents the sum of the tax currently payable and deferred tax.

Current tax

The tax currently payable is based on taxable profit for the year. Taxable profit differs from net profit as reported in the profit and loss account because it excludes items of income or expense that are taxable or deductible in other years and it further excludes items that are never taxable or deductible. The company's liability for current tax is calculated using tax rates that have been enacted or substantively enacted by the reporting end date.

Deferred tax

Deferred tax liabilities are generally recognised for all timing differences and deferred tax assets are recognised to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits. Such assets and liabilities are not recognised if the timing difference arises from goodwill or from the initial recognition of other assets and liabilities in a transaction that affects neither the tax profit nor the accounting profit.

The carrying amount of deferred tax assets is reviewed at each reporting end date and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered. Deferred tax is calculated at the tax rates that are expected to apply in the period when the liability is settled or the asset is realised. Deferred tax is charged or credited in the profit and loss account, except when it relates to items charged or credited directly to equity, in which case the deferred tax is also dealt with in equity. Deferred tax assets and liabilities are offset when the company has a legally enforceable right to offset current tax assets and liabilities and the deferred tax assets and liabilities relate to taxes levied by the same tax authority.

2 Auditor's remuneration

Audit fees for the year ended 30 June 2016 of £2,000 (2015: £2,000) have been borne by a fellow subsidiary undertaking, Embrace All Limited. Fees paid to KPMG LLP for non audit services have not been disclosed because Embrace Group Limited is required to disclose such fees on a consolidated basis.

3 Directors' remuneration

The directors received no remuneration for qualifying services in relation to the Company during the year. The directors are paid by Embrace All Limited. Details of their remuneration are disclosed in that company's financial statements.

4 Interest payable and similar expenses

	2016	2015
	£'000	£'000
Interest payable and similar expenses includes the following:		
Intercompany interest	-	201

Interest accrues at 8% on an intercompany loan.

10 Events after the reporting date

There are no post balance sheet events requiring disclosure under FRS 102.32.

11 Parent company

The immediate parent company is Embrace Realty Scotland Limited, a company registered in Scotland, and the ultimate parent company is Embrace Group Limited, a company registered in England and Wales. Embrace Group Limited is beneficially owned by funds managed by Värde Partners and D.E. Shaw & Co and therefore the directors consider there to be no ultimate controlling party of the group.

12 Transition to FRS 102

As stated in note 1, these are the Company's first financial statements prepared in accordance with FRS 102.

The accounting policies set out in note 1 have been applied in preparing the accounts for the period 30 June 2016, the comparative information presented in these financial statements for the year ended 30 June 2015 and in the preparation of an opening FRS 102 balance sheet at 1 July 2014 (the Company's date of transition).

In preparing its FRS 102 balance sheet, the Company has considered the amounts reported previously in financial statements prepared in accordance with its old basis of accounting (UK GAAP). An explanation of how the transition from UK GAAP to FRS 102 has affected the Company's financial position, financial performance and cash flows is set out below:

Income statement

The transition from UK GAAP to FRS 102 results in no change to the reported profit and loss for the year ended 30 June 2015.

Balance sheet

In previous years the company has recorded properties as tangible assets as SSAP 19 excluded properties let to and occupied by other group entities under the definition of investment properties. FRS 102.16 does not exclude such properties and therefore these assets are treated as investment properties in the individual financial statements of the lessor. As a result of this, any revaluations must be disclosed within the profit and loss account, therefore the revaluation reserve has been transferred to the profit and loss reserve.
