The members have not required the company to obtain an audit of its financial statements for the year ended 31 March 2016 in accordance with Section 476 of the Companies Act 2006.

The director acknowledges her responsibilities for:

- (a) ensuring that the company keeps accounting records which comply with Sections 386 and 387 of the Companies Act 2006 and preparing financial statements which give a true and fair view of the state of affairs of the company as at the end of each financial year and of its profit or loss for each financial year in accordance with the requirements of Sections 394 and 395 and which otherwise comply with the requirements of the Companies Act 2006 relating to financial statements, so far as applicable to the company.
- (b)

The abbreviated accounts have been prepared in accordance with the special provisions of Part 15 of the Companies Act 2006 relating to small companies.

The financial statements were approved by the director on 13 April 2016 and were signed by:

Mrs M O'Connor - Director

**NOTES TO THE ABBREVIATED ACCOUNTS
for the Year Ended 31 March 2016**

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements have been prepared in accordance with Companies Act 2006, as amended and with applicable Accounting Standards. The break up basis of accounting has been adopted with tangible assets being disposed of at scrap value.

Accounting convention

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

Turnover

Turnover represents net invoiced sales of services, excluding value added tax.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Plant and machinery	- 25% on reducing balance
Computer equipment	- at varying rates on cost

Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date.

Revenue recognition

The company's turnover represents the sale of goods and services. The company recognises revenue as soon as the customers order has been dispatched and a sales invoice billed and sent to the customer.
