1 Accounting policies

a) Basis of accounting

The financial statements are prepared on the historical cost basis of accounting and have been prepared in accordance with the Financial Reporting Standard for Smaller Entities (effective January 2005).

The company has taken advantage of the exemption, conferred by Financial Reporting Standard 1, from presenting a cash flow statement as it qualifies as a small company.

b) Turnover

Turnover represents net invoiced sales of goods and services, excluding value added tax.

c) Depreciation of tangible fixed assets

Depreciation is provided on all tangible fixed assets at rates calculated to write off the full cost or valuation less estimated residual value of each asset over its estimated useful life. The principal rates in use are:

Equipment, fixtures and fittings 25% per annum reducing balance basis

d) Stocks

Stock and work in progress is valued at the lower of cost and estimated net realisable value.

Cost of raw materials is determined on the first in first out basis. In the case of work in progress and finished goods, cost includes all direct expenditure and production overheads based on the normal level of activity. Net realisable value is the price at which the stock can be released in the normal course of business, less further costs to completion of sale.
