For the financial year ended 31 December 2011 the company was entitled to exemption from audit under section 477 Companies Act 2006. No member of the company has deposited a notice, pursuant to section 476, requiring an audit of these financial statements under the requirements of the Companies Act 2006.

The directors acknowledge their responsibilities for ensuring that the company keeps accounting records which comply with section 386 of the Act and for preparing financial statements which give a true and fair view of the state of affairs of the company as at the end of the financial year and of its profit or loss for the financial year in accordance with the requirements of sections 394 and 395 and which otherwise comply with the requirements of the Companies Act 2006 relating to accounts, so far as applicable to the company.

These abbreviated accounts have been prepared in accordance with the provisions applicable to companies subject to the small companies regime within Part 15 of the Companies Act 2006.

Approved by the Board for issue on 7 September 2012

Mr S Farrugia
Director

Company Registration No. 4565061

DEVONSHIRE ADMINISTRATION LIMITED

NOTES TO THE ABBREVIATED ACCOUNTS

FOR THE YEAR ENDED 31 DECEMBER 2011

1 Accounting policies

1.1 Accounting convention

The financial statements are prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008)

Although the company has incurred losses in the current period, these have been anticipated by the directors. Further losses have been sustained subsequent to the year end and the directors have formulated plans to curtail these losses and generate profits. The successful implementation of these plans is dependent upon both the continued financial support of the directors and further funding from a related undertaking, Lex Holdings SA.

On the basis of these plans, the directors believe that it is appropriate to prepare the financial statements on the going concern basis which assumes the company will have sufficient funding to continue in operational existence for the foreseeable future. If this were not the case, adjustments would have to be made to reduce the value of the balance sheet value of assets to their recoverable amounts, and to provide for further liabilities that might arise and to reclassify fixed assets and any long term liabilities as current assets and liabilities.

1.2 Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost less depreciation. Depreciation is provided at rates calculated to write off the cost less estimated residual value of each asset over its expected useful life, as follows:

Computer equipment	33 3% straight line
Fixtures, fittings & equipment	33 3% straight line

1.3 Financial instruments

Financial instruments are classified and accounted for, according to the substance of the contractual arrangement, as either financial assets, financial liabilities or equity instruments. An equity instrument is any contract that evidences a residual interest in the assets of the company after deducting all of its liabilities.

2 Share capital

	2011 £	2010 £
Allotted, called up and fully paid		
50,000 Ordinary shares of £1 each	50,000	50,000
