**Notes to the Abbreviated Accounts
for the period 1 January 2010 to 31 March 2011**

1 ACCOUNTING POLICIES

Accounting convention

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

Turnover

Turnover represents net invoiced sales of goods and services, excluding value added tax

Goodwill

Goodwill, being the amount paid in connection with the acquisition of a business in 2010, is being amortised evenly over its estimated useful life of ten years

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life or, if held under a finance lease, over the lease term, whichever is the shorter

Plant and machinery	- 25% on reducing balance
Motor vehicles	- 25% on reducing balance

Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date

Hire purchase and leasing commitments

Assets obtained under hire purchase contracts or finance leases are capitalised in the balance sheet. Those held under hire purchase contracts are depreciated over their estimated useful lives. Those held under finance leases are depreciated over their estimated useful lives or the lease term, whichever is the shorter.

The interest element of these obligations is charged to the profit and loss account over the relevant period. The capital element of the future payments is treated as a liability.

Rentals paid under operating leases are charged to the profit and loss account on a straight line basis over the period of the lease.
