2 Strategy and progress to date

Meetings of members were held on 9,10 and 11 December 2014 at which we were appointed Joint Liquidators of the Companies

Our appointment was confirmed at the meetings of creditors also held on 9,10 and 11 December 2014 (See Appendix 1)

This section updates you on our strategy for the liquidations and on our progress to date. It follows the information provided in the reports to the meetings of creditors

2.1 Strategy to date

Background

The Companies are part of the Prestbury Hotel Holdings group of companies (the Group), a property investment group which established in 2004 to acquire 136 budget hotels, let at the time to Travelodge Hotels Limited. The Group also acquired a further portfolio of 17 hotels from the same seller in 2005. The portfolio was debt financed at a high level of leverage, as was typical at that stage in the property investment and banking cycle.

As a result of the CVA process which Travelodge went through in the summer of 2012, the Group defaulted on the terms of its credit agreements. The maturity dates for the two loans financing the portfolios fell due within approximately two years following the Travelodge default and the directors, together with the asset manager and lender, undertook an assessment of the best route for the Group considering the expiry of the loan facilities in the short term.

Following a review by KPMG of the disposal options available, the directors, after taking legal advice and obtaining the support of the bank, took the decision to pursue a sale of the property portfolio outside of an insolvency process with a view to maximising realisations for the creditors as a whole. After an extensive marketing campaign, all properties were sold with the proceeds used to repay the bank debt to the fullest extent possible, although there remained a shortfall overall. As the Companies had no realisable assets but remained guarantors under group bank facilities, the directors did not consider the Companies to be a going concern and took the decision to place them in creditors' voluntary liquidation.

Strategy

The assets listed on the directors' Statement of Affairs for the Companies include intercompany debtors, investment in subsidiaries and corporation tax receivable with no estimated to realise values attributed to them.

Amounts stated as due to HMRC are stated before the application of group relief or brought forward losses. We have submitted all relevant information to HMRC for the Companies and do not envisage refunds being applicable for any of these Companies.

The investment in subsidiaries all relate to investments in companies which are part of the Prestbury Hotels Group, all of which are in liquidation. Accordingly no value is realisable for these investments.

The intercompany debtor balances stated are owed by group companies which are also in liquidation. However, all group companies have signed non-competition clauses in the guarantees provided to the secured creditor which mean that they cannot prove in the liquidations of other group companies in competition with the secured creditor, or apply set off in respect of intercompany debt unless the secured creditor consents.

2.2 Receipts and payments accounts

We attach a receipts and payments account for TLLC CMSubpropco9. We have not attached a receipts and payments account for any of the other Companies as there have been no receipts or payments during the period covered by this progress report, namely the first year of each of the liquidations.

2.3 Asset realisations

Realisations are anticipated in only four of the group companies, TLLC CMSubpropco5 Limited, TLLC CMSubpropco9 Limited, TLLC CMSubpropco10 Limited and TLLC CMSubpropco12 Limited by way of a dividend due from Travelodge Hotels Limited (in Company Voluntary Arrangement). The quantum of the realisations in each of these four Companies is not yet known, however, we understand we can expect to receive the distribution during May 2016.

During the period there have been realisations in only one of the Companies, TLLC CMSubpropco9 Limited, which are set out in the attached receipts and payments account (Appendix 2).

Leasehold property

At the date of our appointment over TLLC CMSubpropco9 Limited, a leasehold property remained in the company which was subject to the original sale contract for the portfolio. We completed the lease assignment to the purchaser under the original sale contract. All proceeds were paid to the secured creditor under its fixed charge security. Included in the distribution to the Bank is a transfer to Prestbury Hotels Limited to settle all costs of realisation. Additionally, as explained further below, there was a deduction from the sale proceeds of £7,796 in relation to rent owed to the purchasers.

Rent

Rent received from the tenant during the liquidation prior to the sale of the above property was paid into a blocked account at the request of the charge-holder pursuant to its security. This covers rent for the quarter 1 January 2015 to 31 March 2015. On the sale of the property, on 19 March 2015, an adjustment was made for the proportion of rent owing to the purchaser of £7,796. Details of the net rent received, after the aforementioned adjustment, is shown on the receipts and payments account in Appendix 2.

The receipts and payments account also shows the VAT element of the rent paid to TLLC CMSubpropco9 Limited.

Investigations

We have complied with the relevant statutory requirements to provide information on the conduct of the Companies' directors and any shadow directors to the Department for Business, Innovation and Skills. The contents of our submission are confidential.

2.4 Costs

There have been no costs paid in the period since our appointment in any of the Companies.

2.5 Schedule of expenses

We have detailed the costs incurred during the period, whether paid or unpaid, in the schedules of expenses attached (Appendix 4) for the four Companies where realisations are expected, TLLC CMSubpropco5 Limited, TLLC CMSubpropco9 Limited, TLLC CMSubpropco10 Limited and TLLC CMSubpropco12 Limited.

3 Dividend prospects

3.1 Secured creditor

The last claim received from the Bank in June 2015 detailed the total debt across the Prestbury Hotels group at £83,045,777. The secured creditor valued its secured debt at £37,418,078 leaving an unsecured balance that is subject to cross guarantees of £45,627,699.

A distribution of £3,269,585 was made to the secured creditor from TLLC CMsubpropco9 in the period in connection with the property sale detailed in section 2.3.

The distribution we expect to be available to the secured creditor from TLLC CMsubpropco5, TLLC CMsubpropco10 and TLLC CMsubpropco12 will be modest and leave a shortfall owing.

3.2 Preferential creditors

We are not aware of any preferential claims against any of the Companies.

3.3 Unsecured creditors

In the Directors' Statement of Affairs for each of the Companies, the only unsecured creditors are Bank of Scotland plc, HMRC, intercompany creditors and accruals.

For the four Companies where realisations are anticipated, the following unsecured liabilities are estimated (please note that the Bank of Scotland liability is taken from the last claim received from the Bank in June 2015 as detailed in section 3.1, and the remaining figures are from the directors' Statement of Affairs).

TLLC CMsubpropco5 Limited

	Unsecured liabilities £
Bank of Scotland	45,627,699
TLLC CMpropco5 Limited*	8,151,560
Total	<u>53,779,259</u>

TLLC CMsubpropco9 Limited

	Unsecured liabilities £
Bank of Scotland	45,627,699
TLLC CMpropco9 Limited*	18,715,809
Accruals	49,559
Total	<u>64,393,067</u>

TLLC CMsubpropco10 Limited

	Unsecured liabilities £
Bank of Scotland	45,627,699
HMRC**	107,370
TLLC CMpropco10 Limited*	17,843,364
Accruals	15
Total	<u>63,578,448</u>

TLLC CMsubpropco12 Limited

	Unsecured liabilities
	£
Bank of Scotland	45,627,699
HMRC**	759,944
TLLC CMpropco12 Limited*	14,855,068
Accruals	15
Total	<u>61,242,726</u>

*subject to non-competition provisions (See section 2.1)

**relates to capital gains tax liabilities. Amounts shown as due to HMRC are stated before the application of group relief or brought forward losses.

Based on current estimates, it is highly unlikely that there will be a dividend to unsecured creditors from TLLC CMsubpropco5 and TLLC CMsubpropco9.

The availability of a dividend to unsecured creditors in TLLC CMsubpropco10 and TLLC CMsubpropco12 is entirely dependent on the realisations received by way of a distribution from Travelodge Hotels Limited (in Company Voluntary Arrangement).

4 Joint Liquidators' remuneration and disbursements

At the meetings of creditors held on 9,10 and 11 December 2014 the creditors passed resolutions for each of the Companies providing approval that

- our remuneration will be drawn on the basis of time properly given by us and the various grades of our staff according to the charge-out rates included in Appendix 4
- disbursements for services provided by KPMG (defined as Category 2 disbursements in Statement of Insolvency Practice 9) will be charged in accordance with KPMG's policy as set out in Appendix 4

Remuneration

Other than the four companies listed below, the Joint Liquidators' remuneration and disbursements for the remaining Companies are being settled by a third party under separate terms of engagement and, therefore, are not detailed in this report

Time costs

Our remuneration for the four Companies with anticipated realisations, namely TLLC CMsubpropco5 Limited, TLLC CMsubpropco9 Limited, TLLC CMsubpropco10 Limited and TLLC CMsubpropco12 Limited will be met from the respective estate

From the date of our appointment to 9 and 10 December 2015 for these four companies, we have incurred time costs as follows

TLLC CMsubpropco10 Limited	4,135	9 8	422
TLLC CMsubpropco12 Limited	5,044	12 8	394

During the period, we have not drawn any remuneration

During the period, we have incurred disbursements of £406 in TLLC CMsubpropco9 Limited These have not yet been paid

Appendix 4 Joint Liquidators' charging and disbursements policy

The information below is applicable to TLLC CMsubpropco5, TLLC CMsubpropco9, TLLC CMsubpropco10 and TLLC CMsubpropco12 only

Joint Liquidators' charging policy

The time charged to each respective liquidation is by reference to the time properly given by us and our staff in attending to matters arising in the liquidation. This includes work undertaken in respect of tax, VAT, employee, pensions and health and safety advice from KPMG in-house specialists

Our policy is to delegate tasks in the liquidation to appropriate members of staff considering their level of experience and requisite specialist knowledge, supervised accordingly, so as to maximise the cost effectiveness of the work performed. Matters of particular complexity or significance requiring more exceptional responsibility are dealt with by senior staff or us

A copy of "A Creditors' Guide to Joint Liquidators' Fees" from Statement of Insolvency Practice 9 ('SIP 9') produced by the Association of Business Recovery Professionals is available at

<https://www.r3.org.uk/what-we-do/publications/professional/fees>

If you are unable to access this guide and would like a copy, please contact Kerry O'Sullivan on 01223 582036

Hourly rates

Set out below are the relevant charge-out rates per hour worked for the grades of our staff actually or likely to be involved on each liquidation. Time is charged by reference to actual work carried out on the liquidation

All staff who have worked on the liquidations, including cashiers and secretarial staff, have charged time directly to the applicable liquidation and are included in the analysis of time spent. The cost of staff employed in central administration functions is not charged directly to the liquidations but is reflected in the general level of charge-out rates

Charge-out rates (£) for Restructuring		
Grade	From 01 Oct 2014 £/hr	From 01 Oct 2015 £/hr
Partner	595	595
Director	535	535
Senior Manager	485	485
Manager	405	405
Senior Administrator	280	280
Administrator	205	205
Support	125	125

The charge-out rates used by us might periodically rise (for example to cover annual inflationary cost increases) over the period of the liquidations. In our next statutory report, we will inform creditors of any material amendments to these rates

Policy for the recovery of disbursements

Where funds permit the officeholders will seek to recover both Category 1 and Category 2 disbursements from the estate. For the avoidance of doubt, such expenses are defined within SIP 9 as follows

Category 1 disbursements These are costs where there is specific expenditure directly referable to both the appointment in question and a payment to an independent third party. These may include, for example, advertising, room hire, storage, postage, telephone charges, travel expenses, and equivalent costs reimbursed to the officeholder or his or her staff

Category 2 disbursements These are costs that are directly referable to the appointment in question but not to a payment to an independent third party. They may include shared or allocated costs that can be allocated to the appointment on a proper and reasonable basis, for example, business mileage

Category 2 disbursements charged by KPMG Restructuring include mileage. This is calculated as follows

Mileage claims fall into three categories

- Use of privately-owned vehicle or car cash alternative – 45p per mile
- Use of company car – 60p per mile
- Use of partner's car – 60p per mile

For all of the above car types, when carrying KPMG passengers an additional 5p per mile per passenger will also be charged where appropriate

- We have incurred the following disbursements (excluding VAT) in the first year of the liquidations

TLLC CMsubpropco 9 Limited
