The notes on pages 3 to 6 form part of these financial statements.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 NOVEMBER 2022

1. General information

Chafford Residual Properties Limited is a private company, limited by shares and incorporated in England and Wales, United Kingdom, with a registration number 04589137. The address of the registered office is Lawrence House, Goodwyn Avenue, Mill Hill, London, NW7 3RH. The principal activity of the company is that of property investment.

2. Accounting policies

2.1 Basis of preparation of financial statements

The financial statements have been prepared under the historical cost convention unless otherwise specified within these accounting policies and in accordance with Section 1A of Financial Reporting Standard 102, the Financial Reporting Standard applicable in the UK and the Republic of Ireland and the Companies Act 2006.

The preparation of financial statements in compliance with FRS 102 requires the use of certain critical accounting estimates. It also requires management to exercise judgement in applying the Company's accounting policies.

The financial statements are presented in pounds sterling which is the functional currency of the company and rounded to the nearest £.

The following principal accounting policies have been applied:

2.2 Revenue

Revenue represents rental and ancillary income due from properties for the period.

2.3 Current and deferred taxation

The tax expense for the year comprises current and deferred tax. Tax is recognised in profit or loss except that a charge attributable to an item of income and expense recognised as other comprehensive income or to an item recognised directly in equity is also recognised in other comprehensive income or directly in equity respectively.

The current income tax charge is calculated on the basis of tax rates and laws that have been enacted or substantively enacted by the balance sheet date in the countries where the Company operates and generates income.

Deferred tax balances are recognised in respect of all timing differences that have originated but not reversed by the balance sheet date, except that:

- The recognition of deferred tax assets is limited to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits; and
- Any deferred tax balances are reversed if and when all conditions for retaining associated tax allowances have been met.

Deferred tax balances are not recognised in respect of permanent differences except in respect of business combinations, when deferred tax is recognised on the differences between the fair values of assets acquired and the future tax deductions available for them and the differences between the fair values of liabilities acquired and the amount that will be assessed for tax. Deferred tax is determined using tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 NOVEMBER 2022**

2. Accounting policies (continued)**2.4 Investment property**

Investment property is carried at fair value determined annually by the directors and derived from the current market rents and investment property yields for comparable real estate.

Sums received for lease extensions have been deducted from the original cost where the company owns the relevant freehold reversions until the original cost is extinguished. Sums received for subsequent lease extensions are taken directly to profit and loss account.

2.5 Cash and cash equivalents

Cash is represented by cash in hand and deposits with financial institutions repayable without penalty on notice of not more than 24 hours. Cash equivalents are highly liquid investments that mature in no more than three months from the date of acquisition and that are readily convertible to known amounts of cash with insignificant risk of change in value.

2.6 Financial instruments

The Company only enters into basic financial instrument transactions that result in the recognition of financial assets and liabilities like trade and other debtors and creditors, loans from banks and other third parties, loans to related parties and investments in ordinary shares.

3. Employees

The average monthly number of employees, including directors, during the year was 3 (2021 - 3).
