GOING CONCERN

The financial statements have been prepared other than on a going concern basis, due to the company's discontinued operations. The company will remain active until such time as all debts have been cleared, and as such the directors will maintain the company as non-trading.

STATEMENT OF DIRECTORS' RESPONSIBILITIES

The directors are responsible for preparing the Report of the Directors and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

STATEMENT AS TO DISCLOSURE OF INFORMATION TO AUDITORS

So far as the directors are aware, there is no relevant audit information (as defined by Section 418 of the Companies Act 2006) of which the company's auditors are unaware, and each director has taken all the steps that he ought to have taken as a director in order to make himself aware of any relevant audit information and to establish that the company's auditors are aware of that information.

**REPORT OF THE DIRECTORS
for the year ended 30 September 2014**

AUDITORS

Deloitte LLP were re-appointed as auditors during the year and have indicated their willingness to be re-appointed for another term. Appropriate arrangements have been put in place for them to be re-appointed as auditors in the absence of an Annual General Meeting.

The Report of the Directors has been prepared in accordance with the provisions applicable to companies entitled to small companies exemption under Section 415A of the Companies Act 2006, which also provides an exemption from the preparation of a strategic report.

REPORT OF THE INDEPENDENT AUDITORS TO THE MEMBERS OF COUNTYWIDE J9 M6 (NO.2) LIMITED

We have audited the financial statements of Countywide J9 M6 (No.2) Limited for the year ended 30 September 2014 which comprise the Profit and Loss Account, the Statement of Total Recognised Gains and Losses, the Balance Sheet and related notes 1 to 18. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in a Report of the Auditors and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditors

As explained more fully in the Statement of Directors' Responsibilities set out on page two, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the directors; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the Report of the Directors to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on financial statements

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 30 September 2014 and of its loss for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Emphasis of matter - Financial statements prepared other than on a going concern

In forming our opinion on the financial statements, which is not modified, we have considered the adequacy of the disclosure made in note 1 to the financial statements, which explains that the financial statements have been prepared on a basis other than that of a going concern.

Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the Report of the Directors for the financial year for which the financial statements are prepared is consistent with the financial statements.

REPORT OF THE INDEPENDENT AUDITORS TO THE MEMBERS OF COUNTYWIDE J9 M6 (NO.2) LIMITED

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the directors were not entitled to take advantage of the small companies' exemption from the requirement to prepare a Strategic Report or in preparing the Report of the Directors.

NOTES TO THE FINANCIAL STATEMENTS
for the year ended 30 September 2014

1. ACCOUNTING POLICIES

Accounting convention

The financial statements have been prepared under the historical cost convention as modified by revaluation of investment properties in accordance with applicable Accounting Standards in the United Kingdom. In order to show a true and fair view, the company's accounting policy in respect of investment properties departs from the requirement of the Companies Act 2006. Details of this departure are given below. A summary of the more important accounting policies, which have been applied consistently in both periods, is set out below.

Going concern

The financial statements have been prepared other than on a going concern basis, due to the company's discontinued operations. The company will remain active until such time as all debts have been cleared, and as such the directors will maintain the company as non-trading.

Cash flow statement

The company is a subsidiary of Gallagher Investments Holdco Limited and is included in the consolidated accounts of Gallagher Investments Holdco Limited, which are publicly available. Consequently, the company has taken advantage of the exemption from preparing a cash flow statement under the terms of FRS1 (revised) - 'Cash flow statements'.

Turnover

Turnover represents rental income receivable, service charges and other recoveries from investment properties in the United Kingdom.

In circumstances where a tenant has been given an incentive to enter into a lease by way of a payment the incentive is included in other debtors and treated as a reduction in rental income. It is amortised on a straight line basis over the period from term commencement to the date of the first rent review in accordance with UITF 28. Similarly, where an incentive is given to a tenant by way of a rent free period the total rental income receivable for the period to the first rent review is recognised on a straight line basis from term commencement to the date of the first rent review in accordance with UITF 28.

Cost of sales

Cost of sales represents expenses relating to the servicing of property and collection of rental income.

Taxation

Current tax, including UK corporation tax, is provided at amounts expected to be paid (or recovered) using the tax rates and laws that have been enacted or substantially enacted by the balance sheet date.

Full provision is made on a non-discounted basis for deferred tax assets and liabilities arising due to timing differences between the recognition of gains and losses in the financial statements and their recognition in the tax computation at the current rate of tax. Deferred tax assets are only recognised when it is considered more likely than not that they will be realised.

NOTES TO THE FINANCIAL STATEMENTS - continued
for the year ended 30 September 2014

1. ACCOUNTING POLICIES - continued

Investment property

Until investment properties are completed they are included in the financial statements at cost. Once completed open market valuations are performed on an annual basis. The valuations are incorporated into these financial statements with the resulting revaluation adjustments taken to the revaluation reserve.

The Companies Act 2006 requires all properties to be depreciated. However, this requirement conflicts with the generally accepted accounting principle set out in SSAP 19. The directors consider that, because these properties are not held for consumption but for their investment potential, to depreciate them would be inappropriate. The accounting policy adopted is therefore necessary for the financial statements to give a true and fair view. Depreciation is only one of many factors reflected in the annual valuation and the amount, which might otherwise have been shown, cannot reasonably be separately identified or quantified.

In accordance with SSAP19, where a property valuation at the balance sheet date is less than the historic cost of the property and the directors believe that the decline in value is temporary, then the reduction in value is taken as a deficit on revaluation reserve and is not charged to the profit and loss account.

Amortisation of loan issue costs

Costs incurred in respect of obtaining loan finance are disclosed against the bank loan creditor and the costs are amortised on a straight-line basis over the term of the loan.

2. STAFF COSTS

There were no direct staff costs for the year ended 30 September 2014 (2013: none).
