Directors' Report for the Period from 13 September 2020 to 18 September 2021

The directors present their report and the financial statements for the period from 13 September 2020 to 18 September 2021.

Directors' of the company

The directors, who held office during the period and up to the date of signing of the financial statements, were as follows:

Sir Guy Weston

George Weston

Kate Hobhouse

Charles Mason

No director had at any time during the period any material interest in a contract with the company, other than service contracts.

Principal activity

The principal activity of the company is that of an investment company.

Directors' liabilities

Directors' and officers' liability insurance has been purchased by the ultimate parent company, Wittington Investments Limited, and was in place throughout the period. The insurance does not provide cover in the event that the Director is proved to have acted fraudulently.

Statement of directors' responsibilities

The directors acknowledge their responsibilities for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial period. These financial statements were prepared in accordance with Financial Reporting Standard 101 'Reduced Disclosure Framework'. The presentation currency of these financial statements is sterling. In preparing these financial statements, the Company applies the recognition, measurement and disclosure requirements of International accounting standards in conformity with the requirements of the Companies Act 2006. Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether FRS 101 has been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

**Directors' Report for the Period from 13 September 2020 to 18 September 2021
(continued)**

Disclosure of information to the auditors

Each of the Directors who held office at the date of approval of this Directors' Report confirm that so far as they are aware, there is no relevant audit information of which the Company's auditors are unaware, and that they have taken all steps that they ought to have taken as Directors to make themselves aware of any relevant audit information and to establish that the Company's auditors are aware of that information. This confirmation is given and should be interpreted in accordance with the provisions of section 418 of the Companies Act 2006.

Auditors

Pursuant to Section 487 of the Companies Act 2006, the auditor will be deemed to be reappointed and Ernst & Young LLP will therefore continue in office.

Political and charitable contributions

The Company made no political or charitable donations or incurred any political expenditure during the period.

Results and dividends

The statement of comprehensive income for the period is set out on page 7. The profit for the period is €961,385 (2020: loss of €466,633). The Directors do not recommend the payment of a dividend (2020: €nil).

This report has been prepared in accordance with the special provisions of section 381 of the Companies Act 2006 relating to small companies. The directors has taken exemption under this regime not to disclose the strategic report.

Approved by the Board on 16 December 2021 and signed on its behalf by:

.....
Sir Guy Weston
Director

Independent Auditor's Report to the Members of Wittington Investments (Sand Aire) Limited

Opinion

We have audited the financial statements of Wittington Investments (Sand Aire) Limited (the 'Company') for the period ended 18 September 2021 which comprise the Statement of Comprehensive Income, the Balance Sheet, the Statement of changes in equity and the related notes 1 to 13, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards including FRS 101 "Reduced Disclosure Framework (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the company's affairs as at 18 September 2021 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report below. We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard and the provisions available for small entities, in the circumstances set out in note 2 to the financial statements, and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the directors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the company's ability to continue as a going concern for a period of 12 months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the directors with respect to going concern are described in the relevant sections of this report. However, because not all future events or conditions can be predicted, this statement is not a guarantee as to the company's ability to continue as a going concern.

Other information

The other information comprises the information included in the Directors' Report, other than the financial statements and our auditor's report thereon. The directors are responsible for the other information.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in this report, we do not express any form of assurance conclusions thereon.

Independent Auditor's Report to the Members of Wittington Investments (Sand Aire) Limited (continued)

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of the other information, we are required to report that fact.

We have nothing to report in this regard.

Opinion on other matter prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Directors' Report for the financial period for which the financial statements are prepared is consistent with the financial statements; and
- the Directors' Report has been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of our knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified material misstatements in the Directors' Report.

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the directors were not entitled to prepare the financial statements in accordance with the small companies regime and take advantage of the small companies' exemptions in preparing the Directors' Report and from the requirement to prepare a Strategic Report.

Responsibilities of directors

As explained more fully in the Statement of directors' responsibilities set out on page 2, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Independent Auditor's Report to the Members of Wittington Investments (Sand Aire) Limited (continued)

Explanation as to what extent the audit was considered capable of detecting irregularities, including fraud

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect irregularities, including fraud. The risk of not detecting a material misstatement due to fraud is higher than the risk of not detecting one resulting from error, as fraud may involve deliberate concealment by, for example, forgery or intentional misrepresentations, or through collusion. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below. However, the primary responsibility for the prevention and detection of fraud rests with both those charged with governance of the entity and management.

Our approach was as follows:

- We obtained an understanding of the legal and regulatory frameworks that are applicable to the Company and determined that the most significant are the reporting framework (FRS 101 "Reduced Disclosure Framework" (United Kingdom Generally Accepted Accounting Practice), Companies Act 2006, GDPR, Bribery Act 2010 and relevant tax compliance regulations in the jurisdiction in which the Company operates.
- We understood how the Company is complying with those frameworks by making enquiries of management and observing the oversight of those charged with governance. We corroborated our enquiries through the review of the following documentation:
 - all minutes of board meetings held during the period; and
 - any relevant correspondence with local tax authorities.
- We assessed the susceptibility of the Company's financial statements to material misstatement, including how fraud might occur by gaining an understanding of the entity level controls and policies that the Company applies. In doing so we focused on the value of investments held and designed and executed additional audit procedures to address the risk of material misstatement, placing emphasis on testing to third party confirmation.
- Based on this understanding we designed our audit procedures to identify noncompliance with such laws and regulations. Our procedures involved a focus on journals indicating large or unusual transactions or meeting our defined risk criteria based on our understanding of the business and enquiries of management.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Use of our report

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Notes to the Financial Statements for the Period from 13 September 2020 to 18 September 2021

1 General information

The accounting reference date of the Company is the Saturday nearest to 15 September. Accordingly, these financial statements have been prepared to 18 September 2021.

The presentational and functional currency of these financial statements is Euros.

2 Basis of preparation

The Company financial statements have been prepared in accordance with FRS 101: 'Reduced Disclosure Framework'. The Company applies the recognition, measurement and disclosure requirements of applicable law and International Accounting Standards in conformity with the requirements of the Companies Act 2006.

The following accounting standards and amendments were adopted during the period and had no significant impact on the Company's Financial Statements:

- Amendments to IFRS 3 Definition of a Business;
- Amendments to IAS 1 and IAS 8 Definition of Material;
- Amendments to IFRS 9, IAS 39, IFRS 7, IFRS 4 and IFRS 16 Interest Rate Benchmark Reform - Phase 1;
- Amendments to References to the Conceptual Framework in IFRS Standards.

As permitted by FRS 101, the Company has taken advantage of the disclosure exemptions available under that standard in relation to presentation of a cash flow statement and related notes, presentation of comparative information in respect of certain assets, certain related party transactions, capital management, compensation of Key Management Personnel, financial instruments and effects of standards not yet effective. Where required, equivalent disclosures are given in the consolidated financial statements of Wittington Investments Limited which is the Company's ultimate parent undertaking.

The consolidated financial statements of Wittington Investments Limited are prepared in accordance with International Financial Reporting Standards and are available to the public and may be obtained from Companies House. The Company is incorporated and domiciled in England and Wales.

Measurement convention

The financial statements are prepared on historical cost basis except for financial instruments required to be measured at fair value through profit or loss or other comprehensive income, and those financial assets so designated at initial recognition.

Notes to the Financial Statements for the Period from 13 September 2020 to 18 September 2021 (continued)

2 Basis of preparation (continued)

Going concern

The going concern basis has been applied in these financial statements. After making enquiries, the directors have a reasonable expectation that the Company has adequate resources to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the financial statements.

Having reviewed the Board's best estimate of future cash flow to December 2022 and letters of comfort provided by the ultimate parent company Wittington Investments Ltd (Wittington), the possibility that the financial headroom could be exhausted is considered to be extremely remote. The directors understand the risks, sensitivities and judgements included in the cash flow forecast and have a high degree of confidence in these cash flows. There is substantial financial headroom between this cash flow forecast and the cash on hand and funding available to the Company over the period. adopt the going concern basis in preparing the company's financial statements.

3 Accounting policies

Critical accounting judgements and key sources of estimation uncertainty

In application of the Company's accounting policies, the Directors are required to make judgements, estimates and assumptions about the carrying value of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience or other factors that are relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised prospectively.

The carrying value of investments is a critical accounting judgement. The Company undertakes an annual review of its investments for indicators of impairment and tests for impairment where such an indicator arises.

Summary of significant accounting policies and key accounting estimates

The accounting policies set out below have, unless otherwise stated, been applied consistently to all periods presented in these Company Financial Statements.

Financial instruments

Financial assets and financial liabilities are recognised in the Company Balance Sheet when the Company becomes a party to the contractual provisions of the instrument. Financial assets are derecognised when the Company no longer has the rights to cash flows, the risks and rewards of ownership or control of the asset. Financial liabilities are derecognised when the obligation under the liability is discharged, cancelled or expires.

(a) Trade and other receivables

Trade and other receivables are initially recognised at fair value, which is usually the original invoice amount, and are subsequently held at amortised cost using the effective interest method (taking into account the Company's business model, which is to collect the contractual cash flows owing) less an allowance for impairment losses. Balances are written off when recoverability is assessed as being remote. If collection is due in one year or less, receivables are classified as current assets. If not, they are presented as non-current assets.

Notes to the Financial Statements for the Period from 13 September 2020 to 18 September 2021 (continued)

3 Accounting policies (continued)

(b) Trade and other payables

Trade and other payables are initially recognised at fair value, which is usually the original invoice amount and are subsequently held at amortised cost using the effective interest method. If payment is due within one year or less, payables are classified as current liabilities. If not, they are presented as non-current liabilities.

(c) Share capital

Ordinary shares are classified as equity. Incremental costs directly attributable to the issue of new shares are shown in equity as a deduction from the proceeds received. Own equity instruments that are reacquired (treasury or own shares) are deducted from equity. No gain or loss is recognised in the Company Statement of Comprehensive Income on the purchase, sale, issue or cancellation of the Company's own equity instruments.

(d) Financial assets at fair value through profit and loss

The Company's primary function is to invest in private equity funds where the value of the Company's investments represents a small proportion of the total fund value. Equity financial instruments held by the Company are measured at fair value in the Balance Sheet, as determined either by the equity funds or by the Directors. Gains and losses arising from changes in fair value are recognised in the Statement of Comprehensive Income net of fund management expenses.

Investments where the fair value derives mainly from the underlying assets, such as investments managed by fund managers, are valued based on methodologies derived from application of the International Private Equity and Venture Capital Valuation Guidelines (December 2018). Generally the valuation reflects the estimated price a market participant would receive from a hypothetical sale of the investee company in an orderly transaction given current market conditions.

Dividend income is recognised when a dividend is declared by the subsidiaries and associates in which the company has invested.

Fair Value Measurement Hierarchy

FRS 101 requires certain disclosures which require the classification of financial assets and liabilities measured at fair value using a fair value hierarchy that reflects the significance of the inputs used in making the fair value measurement. The fair value hierarchy has the following levels:

- (a) Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities
- (b) Level 2: inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e., as prices) or indirectly (i.e. derived from prices)
- (c) Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs)

The level in the fair value hierarchy within which the financial asset or financial liability is categorised is determined on the basis of the lowest level input that is significant to the fair value measurement. Financial assets and financial liabilities are classified in their entirety into only one of the three levels.

4 Operating profit/(loss)

A foreign exchange gain of €6,761 (2020: a foreign exchange loss of €10,897) includes movements on group undertakings balances which are denominated in sterling.

The Company did not employ staff at any time during the period nor make any payments in respect of wages and salaries.

**Notes to the Financial Statements for the Period from 13 September 2020 to
 18 September 2021 (continued)**

4 Operating profit/(loss) (continued)

The directors of the Company were remunerated as employees of Wittington Investments Limited and did not receive any remuneration, from any source, specifically for their services as Directors of the Company during the current or preceding financial period.

	No.	€	No.	€
Ordinary shares of £1 each	<u>2</u>	<u>2</u>	<u>2</u>	<u>2</u>

12 Investments measured at fair value

The carrying values of all investments that are measured at fair value are as follows:

	Investments at fair value through Profit and Loss €
At 13 September 2020	2,765,275
Additions	87,084
Disposals	(1,940,856)
Fair value gain	<u>1,316,553</u>
At 18 September 2021	<u>2,228,056</u>

The investments measured at fair value are valued at 18 September 2021 according to the fair value hierarchy as set out in the accounting policies.

	2021			2020		
	Level 1	Level 2	Level 3	Level 1	Level 2	Level 3
	€	€	€	€	€	€
Investments measured at fair value through Profit and Loss	-	2,228,056	-	-	2,765,275	-

The value of Level 2 investments is provided by the investment company using techniques based on observable inputs (i.e. market processes and rates) or indirectly (i.e. derived from market process and rates).

Because of the inherent uncertainties of valuing unquoted investments, the eventual realisation proceeds may differ from the estimated fair value and the difference could be significant. Appropriate provisions are made against all individual values where necessary to reflect unsatisfactory financial performance or a fall in comparable ratings, leading to impairment in value.

**Notes to the Financial Statements for the Period from 13 September 2020 to
18 September 2021 (continued)**

13 Parent and ultimate parent undertaking

The company's immediate and ultimate parent is Wittington Investments Limited.

The ultimate controlling party is Wittington Investments Limited and, through their control of Wittington Investments Limited, the trustees of the Garfield Weston Foundation ("the Foundation"), the Foundation, a grant making trust and registered charity, is the majority shareholder of Wittington Investments Limited. The Trustees of the Foundation are Persons with Significant Control in relation to Wittington, the immediate parent.

Relationship between entity and parents
