STATEMENT OF DIRECTORS' RESPONSIBILITIES IN RESPECT OF THE FINANCIAL STATEMENTS

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the profit or loss of the company for that year. In preparing those financial statements, the directors are required to

- select suitable accounting policies and then apply them consistently,
- make judgements and estimates that are reasonable and prudent,
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements, and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping proper accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditors

As explained more fully in the Statement of Directors' Responsibilities on page 4, the directors are responsible for the preparation of financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). These standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed, the reasonableness of significant accounting estimates made by the directors, and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the directors' report to identify material inconsistencies with the audited financial statements. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on the financial statements

In our opinion the financial statements

- give a true and fair view of the company's affairs as at 30 September 2012 and of its result for the year then ended,
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice, and
- have been prepared in accordance with the requirements of the Companies Act 2006.

- certain disclosures or directors' remuneration specified by law are not made, or

1 ACCOUNTING POLICIES

Accounting convention

The accounts are prepared under the historical cost convention and in accordance with accounting standards applicable in the United Kingdom

Accounting period

The company prepares accounts for either 52 or 53 week periods ending within one week of 30 September

Going concern

The financial statements are prepared on the going concern basis because Warner Music UK Limited has committed to provide financial support to the company to enable it to meet its debts as they fall due, and for the foreseeable future

Foreign currencies

Transactions in foreign currencies are recorded at the rate ruling on the date of the transaction. Monetary assets and liabilities denominated in foreign currencies are retranslated at the rate of exchange ruling at the balance sheet date. All differences are taken to the profit and loss account.

Artists' advances

Artists are classified as proven or unproven depending on earnings potential. Advances to unproven artists are expensed as incurred. Advances to proven artists are held at net book value equal to the expected future royalty earnings.

Royalty income

Credit is taken for royalty income that has been received from or declared by licensees and other parties.

Treatment of balances with parent company

Warner Music UK Limited (the immediate parent company) is responsible for the company's losses based on the commitment to provide financial support to the company to enable it to operate as a going concern.

Losses made by the company and funded by Warner Music UK Limited are written back as a write back of the resulting intercompany balance, reflecting the fact that the receivable in the books of the parent will not be recovered, and profits made are written off as a write off of the resulting intercompany receivable balance, to offset the write backs recorded in previous years. This treatment will continue until the losses funded by Warner Music UK Limited have been reclaimed.

Related parties

The company has taken advantage of the exemption in FRS 8 not to disclose details of transactions between fellow wholly-owned group undertakings.
