Lone Eagle Investments Limited

Notes to the financial statements for the Year Ended 30 September 2012

1 Accounting policies

Trading status
The company was dormant and has not traded during the year

Going concern
The company no longer holds it's investment property and the directors are intending to strike the company off within the next 12 months

Deferred tax
Where material, deferred tax is recognised in respect of timing differences that have originated but not reversed by the balance sheet date Deferred tax balances are not discounted

Financial instruments
Financial instruments are classified and accounted for, according to the substance of the contractual arrangement, as financial assets, financial liabilities or equity instruments An equity instrument is any contract that evidences a residual interest in the assets of the company after deducting all of its liabilities Where shares are issued, any component that creates a financial liability of the company is presented as a liability in the balance sheet The corresponding dividends relating to the liability component are charged as interest expense in the profit and loss account
