[&]quot;For the year ending 31st December 2014 the Company was entitled to exemption from audit under section 477 of the Companies Act 2006 relating to small companies and its members have not required the Company to obtain an audit of its accounts for the year in question in accordance with section 476.

The abbreviated accounts were approved by the board of directors on the 11th September 2015.

M.Scott Director

The directors acknowledge their responsibilities for complying with the requirements of the Act with respect to accounting records and the preparation of the accounts.

These abbreviated accounts have been prepared in accordance with the provisions applicable to companies subject to the small companies' regime. "

LOW FOLD PROPERTIES LTD NOTES TO THE ABBREVIATED ACCOUNTS for the year ended 31st December 2014

1. ACCOUNTING POLICIES

1.1 Basis of preparation of accounts

The accounts are prepared under the historical cost convention and include the results of the company's operations which are described in the Director's Report and all of which are continuing.

The company has taken advantage of the exemption in FinancialReporting Standard No 1 from the requirement to produce a cash flow statement on the grounds that it is a small company.

1.2 Turnover

Turnover comprises the invoiced value of goods and services supplied by the company, net of Value Added Tax and trade discounts.

1.3 Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost less depreciation.

Depreciation is provided at rates calculated to write off the cost of fixed assets, less their estimated residual value, over their expected useful lives on the following basis:

% BasisProperty Improvements 10 Reducing Balance

The directors are of the opinion that the property values currently exceed that of cost therefore no depreciation has been provided in this period.

1.4 Stocks and Work In Progress

Work in progress is valued at the lower of cost and net realisable value.

1.5 Deferred Taxation

Deferred taxation is provided on the liability method on all timing differences which are expected to reverse in the future, calculated at the rate which it is estimated that the tax will be payable.
