STEPPING STONES (NOTTS) LIMITED
CHAIRMAN'S REPORT
FOR THE YEAR ENDED 31 OCTOBER 2021

Hi and welcome to this, my ninth, Annual Report...

Light at the end of the tunnel? As I write this are we getting towards the endgame with regards to Covid 19?

If we are then let me take a moment to place on record my thanks to all those who have supported all those who reside at Castle Street these last couple of years! My thanks also to my fellow trustees for their support in what was a trying time for me as Covid took its toll on the family.

During the year as Covid restrictions were lowered we were able to arrange activities for the tenants at Castle Street. A day trip to the seaside, Halloween disco and a Christmas activity being a small sample of what was made available.

Also, the Trustees have agreed to provide an enhancement to Castle Street by way of providing a covered seating area outside the art room. This was done following discussion with both the tenants and support staff.

Over the year work has been carried out on upgrading and repairing several of the bathrooms at Castle Street and several of the boilers have had to be replaced. As a result of the later the Trustees have decided that it would be in the best interests of all to replace all the boilers as most of them have been in place since the flats were first opened and are therefore, not efficient as they could be.

We continue to work with all agencies connected with Castle Street and I hope that as we come out of the shadow of the pandemic, we can look at our working relationships with them and look for ways that we can improve. It is a 'fluid' arrangement that we have with these agencies and reviewing our arrangements with them will, I believe, see us providing an even better service to those we support.

So, while 2021 has been a relatively quiet year, due mainly the pandemic, let us not forget the fact that Stepping Stones is a small charity, but it is big enough deliver yet small enough to care for each and everyone connected to the charity.

As we enter 2022 the Trustees will continue to monitor any issues at Castle Street, look at ways to attract new members and Trustees, provide activities for those we support and welcome any ideas, constructive critics, or comments!

Take care, Stay Safe and thank you again, for your time and support!

Best wishes

Andrea

During the financial year the UK, and indeed the rest of the World, was hit by the Covid 19 pandemic.

The Charity has not been affected by the pandemic and no Government financial support has been taken.

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Fixtures and fittings - 15% on reducing balance

Taxation
