    - 3.2 To enter into such commercial or other transactions in connection with any trade or business of the Company as may seem to the board of directors desirable for the purpose of the Company's affairs.
    - 3.3 To apply for, purchase or otherwise acquire, protect, maintain and renew any patents, patent rights, trade marks, designs, licences and other intellectual property rights of all kinds or any secret or other information as to any invention and to use, exercise, develop or grant licences in respect of, or otherwise turn to account the property, rights or information so acquired and to experiment with any such rights which the Company may propose to acquire.
    - 3.4 To invest and deal with the moneys of the Company not immediately required in any manner and hold and deal with any investment so made.

- 3.5 To pay or to provide or to make such arrangements for providing such gratuities, pensions, benefits, share option and acquisition schemes, loans and other matters and to establish, support, subsidise and subscribe to any institutions, associations, clubs, schemes, funds or trusts (whether to or for the benefit of present or past directors or employees of the Company or its predecessors in business or of any company which is a subsidiary company of the Company or is allied to or associated with the Company or with any such subsidiary company or to or for or for the benefit of persons who are or were related to or connected with or dependants of any such directors or employees) as may seem to the board of directors directly or indirectly to advance the interests of the Company.

- (b) by adding a new clause 4 to read as follows:
- “4. The objects stated in each part of clause 3 shall not be restrictively construed but shall be given the widest interpretation. Except where the context expressly so requires, none of the sub-clauses of clause 3, or the

objects stated in clause 3, or the powers conferred by clause 3 shall be limited by, or be deemed subsidiary or auxiliary to, any other sub-clause of clause 3, or any other object stated in clause 3 or any other power conferred by clause 3.”;
