Directors' report (continued)

Directors' Responsibilities Statement

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing those financial statements, the directors are required to

- select suitable accounting policies and then apply them consistently,
- make judgments and estimates that are reasonable and prudent,
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements, and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and to enable them ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Auditors

The auditors, Ernst & Young, Chartered Accountants, have indicated their willingness to continue in office and a resolution concerning their re-appointment will be proposed at the Annual General Meeting.

Independent auditor's report to the members of Rolfe & Nolan Group Limited

We have audited the financial statements of Rolfe & Nolan Group Limited for the year ended 31 December 2012 which comprise the Profit and Loss Account, Balance Sheet and the related notes 1 to 14. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditors

As explained more fully in the Directors' Responsibilities Statement set out on page 3, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed, the reasonableness of significant accounting estimates made by the directors, and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the directors' report to identify material inconsistencies with the audited financial statements. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on financial statements

In our opinion the financial statements

- give a true and fair view of the state of the company's affairs as at 31 December 2012 and of its profit for the year then ended,
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice, and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion

- adequate accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records, or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

Notes to the financial statements

31 December 2012

1. Accounting policies

Basis of preparation

The financial statements are prepared under the historical cost convention as modified by the revaluation of financial fixed assets and in accordance with Generally Accepted Accounting Practice in the United Kingdom (UK GAAP)

These financial statements present information about the company, and not its group. The company has used the exemption conferred under section 400 of the Companies Act 2006 not to prepare group financial statements as its intermediate parent undertaking, a company established under the law of a member state of the European Union, prepares consolidated financial statements. Details in respect of this intermediate parent undertaking are set out in note 11. Consequently these financial statements deal with the results and state of affairs of the company as a single entity.

The company will continue operating as an intermediate holding company. The Board deems it appropriate to adopt the going concern basis in preparing the financial statements on the basis that amounts owed to another group company will not be called upon for payment for at least 12 months from the date of signing the financial statements.

Statement of cash flows

Financial Reporting Standard No 1 (revised 1996) 'Cash Flow Statements' exempts subsidiary undertakings from the requirement to prepare a cash flow statement where 90% or more of the voting rights are controlled by a group that prepares publicly available consolidated financial statements in which the subsidiary undertaking's results are included. The company has availed of this exemption.

Taxation

Current corporation tax is provided at amounts expected to be paid (or recovered) using the tax rates and laws that have been enacted for the financial year.

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date where transactions or events have occurred at that date that will result in an obligation to pay more, or a right to pay less or to receive more, tax in the future, with the exception that deferred tax assets are recognised only to the extent that the directors consider that it is more likely than not that there will be suitable taxable profits from which the future reversal of the underlying timing differences can be deducted.

Timing differences are differences between profit as computed for taxation purposes and taxation as stated in the financial statements which arise because certain items of income and expenditure in the financial statements are dealt with in different periods for taxation purposes.

Deferred tax is measured on an undiscounted basis at the tax rates that are expected to apply in the periods in which timing differences reverse, based on tax rates and laws enacted or substantively enacted at the balance sheet date.

Foreign currencies

The financial statements are expressed in pounds sterling (£), the functional currency of the company. Transactions in foreign currencies are recorded at the rate ruling at the date of the transaction. Monetary assets and liabilities denominated in foreign currencies are retranslated at the rate of exchange ruling at the balance sheet date. All differences are taken to the profit and loss account.

Financial fixed assets

Financial fixed assets represent investments in subsidiary undertakings and are stated at valuation less any provision for diminution in value. Income from financial assets is recognised in the profit and loss account in the year in which it is receivable.

(c) Factors affecting future tax charge

Further changes to the corporation tax system were announced in the Budget of 21 March 2012 and subsequently enacted in Finance Bill 2012. A reduction in the UK tax rate from 26% to 24% is effective from 1 April 2012. A further reduction from 24% to 23% is effective from 1 April 2013.

In addition, the Government announced that legislation will be introduced in Finance Bill 2013 and will be substantively enacted during 2013 to reduce the UK tax rate further from 23% to 21% from 1 April 2014 and from 21% to 20% from 1 April 2015. As this legislation was substantively enacted on 2 July 2013, the reductions to the tax rate will be accounted for in the year ending 31 December 2013.
