AADEPT ENVIRONMENTAL LIMITED
CHARTERED ACCOUNTANTS REPORT TO THE DIRECTOR ON THE PREPARATION
OF THE UNAUDITED STATUTORY ABRIDGED FINANCIAL STATEMENTS OF
AADEPT ENVIRONMENTAL LIMITED
YEAR ENDED 31 JANUARY 2017

In order to assist you to fulfil your duties under the Companies Act 2006, we have prepared for your approval the abridged financial statements of Aadept Environmental Limited for the year ended 31 January 2017, which comprise the abridged statement of financial position and the related notes from the company's accounting records and from information and explanations you have given us. As a practising member firm of the Institute of Chartered Accountants in England and Wales (ICAEW), we are subject to its ethical and other professional requirements which are detailed at www.icaew.com/en/membership/regulations-standards-and-guidance. This report is made solely to the director of Aadept Environmental Limited in accordance with the terms of our engagement letter dated 31 January 2016. Our work has been undertaken solely to prepare for your approval the abridged financial statements of Aadept Environmental Limited and state those matters that we have agreed to state to you in this report in accordance with ICAEW Technical Release 07/16 AAF as detailed at www.icaew.com/compilation. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than Aadept Environmental Limited and its director for our work or for this report.

It is your duty to ensure that Aadept Environmental Limited has kept adequate accounting records and to prepare statutory abridged financial statements that give a true and fair view of the assets, liabilities, financial position and profit of Aadept Environmental Limited. You consider that Aadept Environmental Limited is exempt from the statutory audit requirement for the year. We have not been instructed to carry out an audit or a review of the abridged financial statements of Aadept Environmental Limited. For this reason, we have not verified the accuracy or completeness of the accounting records or information and explanations you have given to us and we do not, therefore, express any opinion on the statutory abridged financial statements.

These abridged financial statements have been prepared and delivered in accordance with the provisions applicable to companies subject to the small companies' regime and in accordance with FRS 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'.

In accordance with section 444 of the Companies Act 2006, the abridged income statement has not been delivered.

For the year ending 31 January 2017 the company was entitled to exemption from audit under section 477 of the Companies Act 2006 relating to small companies.

Director's responsibilities:

- The members have not required the company to obtain an audit of its abridged financial statements for the year in question in accordance with section 476 ;
- The director acknowledges his responsibilities for complying with the requirements of the Act with respect to accounting records and the preparation of abridged financial statements .

These abridged financial statements were approved by the board of directors and authorised for issue on 11 October 2017 , and are signed on behalf of the board by:

S K Williams

Director

Company registration number: 04650829

AADEPT ENVIRONMENTAL LIMITED

NOTES TO THE ABRIDGED FINANCIAL STATEMENTS

YEAR ENDED 31 JANUARY 2017

1. General information

The company is a private company limited by shares, registered in England and Wales. The address of the registered office is Onega House, 112 Main Road, Sidcup, Kent, DA14 6NE, United Kingdom.

2. Statement of compliance

These abridged financial statements have been prepared in compliance with the provisions of FRS 102 Section 1A, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland'.

3. Accounting policies

Basis of preparation

The abridged financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through profit or loss.

The abridged financial statements are prepared in sterling, which is the functional currency of the entity.

Transition to FRS 102

The entity transitioned from previous UK GAAP to FRS 102 as at 1 February 2015. Details of how FRS 102 has affected the reported financial position and financial performance is given in note 7.

Judgements and key sources of estimation uncertainty

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported. These estimates and judgements are continually reviewed and are based on experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Tangible assets

Tangible assets are initially recorded at cost, and subsequently stated at cost less any accumulated depreciation and impairment losses. Any tangible assets carried at revalued amounts are recorded at the fair value at the date of revaluation less any subsequent accumulated depreciation and subsequent accumulated impairment losses. An increase in the carrying amount of an asset as a result of a revaluation, is recognised in other comprehensive income and accumulated in equity, except to the extent it reverses a revaluation decrease of the same asset previously recognised in profit or loss. A decrease in the carrying amount of an asset as a result of revaluation, is recognised in other comprehensive income to the extent of any previously recognised revaluation increase accumulated in equity in respect of that asset. Where a revaluation decrease exceeds the accumulated revaluation gains accumulated in equity in respect of that asset, the excess shall be recognised in profit or loss.

Depreciation

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

Impairment of fixed assets

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date. For the purposes of impairment testing, when it is not possible to estimate the recoverable amount of an individual asset, an estimate is made of the recoverable amount of the cash-generating unit to which the asset belongs. The cash-generating unit is the smallest identifiable group of assets that includes the asset and generates cash inflows that largely independent of the cash inflows from other assets or groups of assets. For impairment testing of goodwill, the goodwill acquired in a business combination is, from the acquisition date, allocated to each of the cash-generating units that are expected to benefit from the synergies of the combination, irrespective of whether other assets or liabilities of the company are assigned to those units.

Provisions

Provisions are recognised when the entity has an obligation at the reporting date as a result of a past event, it is probable that the entity will be required to transfer economic benefits in settlement and the amount of the obligation can be estimated reliably. Provisions are recognised as a liability in the abridged statement of financial position and the amount of the provision as an expense. Provisions are initially measured at the best estimate of the amount required to settle the obligation at the reporting date and subsequently reviewed at each reporting date and adjusted to reflect the current best estimate of the amount that would be required to settle the obligation. Any adjustments to the amounts previously recognised are recognised in profit or loss unless the provision was originally recognised as part of the cost of an asset. When a provision is measured at the present value of the amount expected to be required to settle the obligation, the unwinding of the discount is recognised as a finance cost in profit or loss in the period it arises.

Financial instruments

A financial asset or a financial liability is recognised only when the company becomes a party to the contractual provisions of the instrument. Basic financial instruments are initially recognised at the transaction price, unless the arrangement constitutes a financing transaction, where it is recognised at the present value of the future payments discounted at a market rate of interest for a similar debt instrument. Debt instruments are subsequently measured at amortised cost. Where investments in non-convertible preference shares and non-puttable ordinary shares or preference shares are publicly traded or their fair value can otherwise be measured reliably, the investment is subsequently measured at fair value with changes in fair value recognised in profit or loss. All other such investments are subsequently measured at cost less impairment. Other financial instruments, including derivatives, are initially recognised at fair value, unless payment for an asset is deferred beyond normal business terms or financed at a rate of interest that is not a market rate, in which case the asset is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument. Other financial instruments are subsequently measured at fair value, with any changes recognised in profit or loss, with the exception of hedging instruments in a designated hedging relationship.

Financial assets that are measured at cost or amortised cost are reviewed for objective evidence of impairment at the end of each reporting date. If there is objective evidence of impairment, an impairment loss is recognised in profit or loss immediately. For all equity instruments regardless of significance, and other financial assets that are individually significant, these are assessed individually for impairment. Other financial assets are either assessed individually or grouped on the basis of similar credit risk characteristics. Any reversals of impairment are recognised in profit or loss immediately, to the extent that the reversal does not result in a carrying amount of the financial asset that exceeds what the carrying amount would have been had the impairment not previously been recognised.

4. Tangible assets

	£
Cost	
At 1 February 2016 and 31 January 2017	20,149

Depreciation	
At 1 February 2016 and 31 January 2017	20,149

Carrying amount	
At 31 January 2017	—

5. Director's advances, credits and guarantees

At 31 January 2017 S K Williams owed Aadept Environmental Limited £48,018 (2016: £48,018). There are no terms attached to the loan provided to the director and it has been provided to the company interest free.

6. Related party transactions

The company was under the control of Mr Williams throughout the current and previous year. Mr Williams is the managing director and majority shareholder.

7. Transition to FRS 102

These are the first abridged financial statements that comply with FRS 102. The company transitioned to FRS 102 on 1 February 2015.

No transitional adjustments were required in equity or profit or loss for the year.

This document was delivered using electronic communications and authenticated in accordance with the registrar's rules relating to electronic form, authentication and manner of delivery under section 1072 of the Companies Act 2006.
