Directors responsibilities

Company Law requires the Directors to prepare financial statements for each financial year, which give a true and fair view of the state of affairs of the company and of the profit and loss account of the company for the period. In preparing these financial statements, the Directors are required to:

- select suitable accounting policies and then apply them consistently
- make judgements and estimates that are reasonable and prudent
- follow applicable accounting standards, subject to any material departures disclosed and explained in the financial statements
- prepare the financial statements on a going concern basis unless it is inappropriate to presume that the company will continue in business

The Director is responsible for keeping proper books and accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable her to ensure that the financial statements comply with the Companies Act 1985. They are also responsible for safeguarding the assets and hence taking reasonable steps for the prevention and detection of fraud and other irregularities.

In preparing this report, the Director has taken advantage of special exemptions applicable to small companies.
