## Notes to the financial statements

### 1 Accounting policies, judgements and estimates

#### a) General information

Mitie Services (Retail) Limited (the "Company") is a private company limited by shares and is incorporated and domiciled in the United Kingdom. The Company's financial statements are presented in pounds sterling, which is the Company's functional and presentational currency. All amounts have been rounded to the nearest pound, unless otherwise indicated.

The Company has not presented an income statement, statement of changes in equity or cash flow statement with these financial statements as it has not recognised any income, incurred any expenditure or recognised any gains or losses during the current or prior years.

#### b) Statement of compliance with FRS 101

These financial statements were prepared in accordance with Financial Reporting Standard 101 *Reduced Disclosure Framework* ("FRS 101").

In preparing these financial statements, the Company applies the recognition, measurement and disclosure requirements of International Financial Reporting Standards as adopted by the UK ("UK-adopted International Accounting Standards"), but makes amendments where necessary in order to comply with the Companies Act 2006 and to take advantage of FRS 101 disclosure exemptions.

On 31 December 2020, International Financial Reporting Standards ("IFRS") as adopted by the European Union at that date was brought into UK law and became UK-adopted International Accounting Standards, with future changes being subject to endorsement by the UK Endorsement Board. In preparing these financial statements in accordance with FRS 101, the Company transitioned to UK-adopted International Accounting Standards (as described above) in its financial statements for the year ended 31 March 2021. This change constituted a change in accounting framework. However, there was no impact on recognition, measurement or disclosure in the period reported as a result of the change in framework.

#### c) Basis of preparation

##### Going concern

The Directors have prepared the financial statements on a basis other than that of a going concern as they intend to liquidate the Company in the future. No material adjustments arose as a result of ceasing to apply the going concern basis.

##### Re-presentation

The financial statements have been presented to the nearest pound. As the prior year financial statements were presented to the nearest thousand pounds, this change may have resulted in some immaterial rounding differences to the balances previously presented.

#### d) Significant accounting policies

The accounting policies set out below have, unless otherwise stated, been applied consistently to all periods presented in these financial statements.

##### Financial instruments

##### *Classification and measurement*

Equity instruments issued by the Company are recorded at the proceeds received, net of direct issue costs.

#### e) Critical accounting judgements and key sources of estimation uncertainty

The preparation of financial statements under FRS 101 requires management to make judgements, estimates and assumptions that affect amounts recognised for assets and liabilities at the reporting date and the amounts of revenue and expenses incurred during the reporting period. Actual results may differ from these judgements, estimates and assumptions.

##### Critical judgements in applying the Company's accounting policies

There were no critical judgements that had significant effects on the amounts recognised in the financial statements.

##### Key sources of estimation uncertainty

There were no key sources of estimation uncertainty at the balance sheet date that may have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities in the next financial year.
