Disclosure of information to auditors

The directors who held office at the date of approval of this directors' report confirm that, so far as they are each aware, there is no relevant audit information of which the Company's auditors are unaware, and each director has taken all the steps that he ought to have taken as a director to make himself aware of any relevant audit information and to establish that the Company's auditors are aware of that information

Auditors

In accordance with Section 384 of the Companies Act 1985, a resolution for the re-appointment of KPMG LLP as auditors of the company is to be proposed at the forthcoming annual general meeting

By order of the board

Statement of directors' responsibilities in respect of the Directors' Report and the financial statements

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations

Company law requires the directors to prepare financial statements for each financial year. Under that law they have elected to prepare the financial statements in accordance with UK Accounting Standards and applicable law (UK Generally Accepted Accounting Practice).

The financial statements are required by law to give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period.

In preparing these financial statements, the directors are required to

- select suitable accounting policies and then apply them consistently,
- make judgments and estimates that are reasonable and prudent,
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements, and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that its financial statements comply with the Companies Act 1985. They have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the company and to prevent and detect fraud and other irregularities.

Independent auditors' report to the members of Aviagen International Finance Two Limited

We have audited the financial statements of Aviagen International Finance Two Limited for the year ended 30 June 2007 which comprise the Profit and Loss Account, the Balance Sheet, the Statement of Total Recognised Gains and Losses and the related notes. These financial statements have been prepared under the accounting policies set out therein.

This report is made solely to the company's members, as a body, in accordance with section 235 of the Companies Act 1985. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditors

As described in the Statement of Directors' Responsibilities on page 3, the company's directors are responsible for the preparation of the financial statements in accordance with applicable law and UK Accounting Standards (UK Generally Accepted Accounting Practice).

Our responsibility is to audit the financial statements in accordance with relevant legal and regulatory requirements and International Standards on Auditing (UK and Ireland).

We report to you our opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the Companies Act 1985. We also report to you whether in our opinion the information given in the Directors' Report is consistent with the financial statements.

In addition we report to you if, in our opinion, the company has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law regarding directors' remuneration and other transactions is not disclosed.

We read the Directors' Report and consider the implications for our report if we become aware of any apparent misstatements within it.

Basis of audit opinion

We conducted our audit in accordance with International Standards on Auditing (UK and Ireland) issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgments made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

Opinion

In our opinion the financial statements

- give a true and fair view, in accordance with UK Generally Accepted Accounting Practice, of the state of the company's affairs as at 30 June 2007 and of its loss for the year then ended,
- have been properly prepared in accordance with the Companies Act 1985, and
- the information given in the Directors' Report is consistent with the financial statements.

These financial statements were approved by the board of directors on 7 April 2008 and were signed on its behalf by

CP Hill
 Director

Notes

(forming part of the financial statements)

1 Accounting policies

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the company's financial statements

Basis of preparation

The financial statements have been prepared in accordance with applicable accounting standards and under the historical cost accounting rules. In addition, they are prepared on a going concern basis, which assumes the continued support of the parent company. If this was not the case adjustments would have to be made to restate the assets to their recoverable amounts and accrue for further liabilities that may arise.

The company is exempt by virtue of s228 of the Companies Act 1985 from the requirement to prepare group accounts. The financial statements present information about the company as an individual undertaking and not about its group.

Cash flow statement

The company is exempt from the requirement of FRS1 (revised) to prepare a cash flow statement as it is a wholly owned subsidiary of Aviagen International Finance Limited and its cash flows are included within the consolidated cash flow statement of that company.

Investments

Investments in subsidiary undertakings are stated at cost less amounts written off.

Foreign currencies

Transactions in foreign currencies are recorded using the rate of exchange ruling at the date of the transaction. Monetary assets and liabilities denominated in foreign currencies are translated using the rate of exchange ruling at the balance sheet date and the gains or losses on translation are included in the profit and loss account.

Taxation

The charge for taxation is based on the profit for the year and takes into account taxation deferred because of timing differences between the treatment of certain items for taxation and accounting purposes. Deferred tax is recognised, without discounting, in respect of all timing differences between the treatment of certain items for taxation and accounting purposes which have arisen but not reversed by the balance sheet date, except as otherwise required by FRS 19.

Notes (continued)

2 Loss on ordinary activities before taxation

	Year ended 30 June 2007 \$000	18 month period ended 30 June 2006 \$000
<i>Loss on ordinary activities before taxation is stated after charging</i>		
Auditors' remuneration		
Audit of these financial statements	—	—
Other services relating to taxation	—	696
	<u>—</u>	<u>696</u>

3 Remuneration of directors

No directors' emoluments were paid during the year or the previous financial period. The directors were the only employees of the company.

11 Contingent liabilities

All the companies within the group have issued unlimited guarantees, and have secured, by a bond and floating charge on their own assets, the overdrafts and other liabilities provided to group companies by a syndicate of banks led by UBS Limited

12 Related party disclosures

The company has taken advantage of the exemption contained in FRS 8 Related Party Disclosures, not to report details of transactions with entities which are more than 90% controlled by a common parent company

There were no other related party transactions during the year

Notes *(continued)*

13 Immediate and ultimate parent company

The immediate parent company is Aviagen International Finance One Limited. The smallest group of companies in which the results of the company are consolidated is that headed by Aviagen International Finance Limited, incorporated in England. The consolidated accounts of this group are available from Companies House, 37 Castle Terrace, Edinburgh EH1 2EB.

At the year end the company's ultimate parent was EW Group GmbH incorporated in Germany. This company's accounts are not available to the public.
