## **WICHFORD CARLISLE LIMITED**

### **STATEMENT OF DIRECTORS' RESPONSIBILITIES**

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law they have elected to prepare the financial statements in accordance with United Kingdom Accounting Standards and applicable law (UK Generally Accepted Accounting Practice). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the company and to prevent and detect fraud and other irregularities.

### **PROVISION OF INFORMATION TO AUDITORS**

Each of the persons who are directors at the time when this directors' report is approved has confirmed that:

- so far as that director is aware, there is no relevant audit information of which the company's auditors are unaware, and
- that director has taken all the steps that ought to have been taken as a director in order to be aware of any information needed by the company's auditors in connection with preparing their report and to establish that the company's auditors are aware of that information

This confirmation is given and should be interpreted in accordance with the provisions of Section 418 of the Companies Act 2006.

Approved by the Board of Directors  
and signed by order of the Board

Stephen Oakenfull  
Director

## **WICHFORD CARLISLE LIMITED DIRECTORS' REPORT**

The Directors present their report and financial statements for Wichford Carlisle Limited (the "Company") for the year ended 31 August 2012.

This report has been prepared in accordance with the provisions applicable to small companies within Part 15 of the Companies Act 2006.

### **ACTIVITIES AND BUSINESS REVIEW**

The Company is a property holding company.

The profit after taxation for the year was £3,809 (2011: £19,413).

The Directors do not propose the payment of a dividend (2011: £nil).

### **GOING CONCERN**

The Company is in a net liability position. As a result, judgement is required by the Directors regarding the application of the going concern basis of accounting.

The Company's ultimate parent, Redefine International P.L.C., has provided an undertaking to provide necessary support to the Company to meet its liabilities as they fall due for a period of at least twelve months from the approval of these financial statements. The Directors therefore have a reasonable expectation that the Company has adequate resources to continue in operation for the foreseeable future.

On this basis, the Directors of the Company believe it is appropriate to prepare the financial statements on a going concern basis.

### **PRINCIPAL RISKS AND UNCERTAINTIES**

The company is subject to commercial property risk. Property is essentially a defensive asset class, which provides excellent diversification benefits.

Although over the long-term property is considered a low risk asset, investors must be aware that significant short and medium-term risk factors are inherent in the asset class.

Investments in properties are relatively illiquid and usually more difficult to realise than listed equities or bonds. Investment in property cannot therefore necessarily be converted to cash on demand.

Property is inherently difficult to value due to the individual nature of each property. As a result, valuations are subject to uncertainty. There is no assurance that the estimates resulting from the valuation process will reflect the actual sales price even where a sale occurs shortly after the valuation date.

### **AUDITORS**

The auditors, KPMG, will be proposed for re-appointment in accordance with Section 485 of the Companies Act 2006.

### **DIRECTORS AND DIRECTORS' INTERESTS**

The Directors who held office during the year are as follows:

|                   | Appointed  | Resigned   |
|-------------------|------------|------------|
| Stephen Oakenfull | 01/09/2009 |            |
| Andrew Rowell     | 30/11/2011 | 20/05/2015 |
| Peter Gingell     |            | 31/11/2011 |

The Directors have no interest in the shares of the Company.

### **Independent auditor's report to the members of Wichford Carlisle Limited**

We have audited the financial statements of Wichford Carlisle Limited for the year ended 31 August 2012 which comprises the principal accounting policies, the profit and loss account, the balance sheet, the statement of total recognised gains and losses and related notes. These financial statements have been prepared under the accounting policies set out herein.

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members, for our audit work, for this report, or for the opinions we have formed.

### **Respective responsibilities of directors and auditors**

As explained more fully in the Statement of Directors' Responsibilities, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit, and express an opinion on, the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's (APB's) Ethical Standards for Auditors.

### **Scope of the audit of the financial statements**

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed, the reasonableness of significant accounting estimates made by the directors, and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the directors' report to identify material inconsistencies with the audited financial statements. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

### **Opinion on financial statements**

In our opinion the financial statements

- give a true and fair view of the state of the Company's affairs as at 31 August 2012 and of its loss for the year then ended,
- have been properly prepared in accordance with UK Generally Accepted Accounting Practice, and
- have been prepared in accordance with the requirements of the Companies Act 2006.

### **Opinion on matters prescribed by the Companies Act 2006**

- In our opinion the information given in the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements.

## **Independent auditor's report to the members of Wichford Carlisle Limited (continued)**

### **Matters on which we are required to report by exception**

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us, or
- the financial statements are not in agreement with the accounting records and returns, or
- certain disclosures of directors' remuneration specified by law are not made, or
- we have not received all the information and explanations we require for our audit.

Director

**WICHFORD CARLISLE LIMITED**  
**NOTES TO THE ACCOUNTS**  
**FOR THE YEAR ENDED 31 AUGUST 2012**

**1. ACCOUNTING POLICIES**

The following accounting policies have been consistently applied throughout the period and are unchanged from the previous year:

**Basis of preparation**

The accounts are prepared under the historical cost convention as modified by the revaluation of investment properties and in compliance with the Companies Act 2006. They have been prepared in accordance with United Kingdom Generally Accepted Accounting Principles which have been applied consistently.

**Going concern**

The Company is in a net liability position. As a result, judgement is required by the Directors regarding the application of the going concern basis of accounting.

The Company's ultimate parent, Redefine International P.L.C., has provided an undertaking to provide necessary support to the Company to meet its liabilities as they fall due for a period of at least twelve months from the approval of these financial statements. The Directors therefore have a reasonable expectation that the Company has adequate resources to continue in operation for the foreseeable future.

On this basis, the Directors of the Company believe it is appropriate to prepare the financial statements on a going concern basis.

**Taxation**

Current tax including UK Corporation tax, is provided at amounts expected to be paid (or recovered) using the rates and laws that have been enacted or substantially enacted by the balance sheet date.

The payment of taxation is deferred or accelerated because of timing differences between the treatment of certain items for accounting and taxation purposes. Full provision for deferred taxation is made under the liability method, without discounting, on all timing differences that have arisen, but not reversed by the balance sheet date, unless such provision is not permitted by Financial Reporting Standard 19.

**Investment properties**

Investment properties are initially recognised at cost, being the fair value of consideration given, including acquisition costs associated with the purchase of investment property.

The Company's property is held for long-term investment. After initial recognition, investment properties are carried at open market value and are accounted for in accordance with SSAP 19, 'Accounting for Investment Properties', as follows:

(1) Investment properties are revalued semi-annually. The surplus or deficit on revaluation is transferred to the Revaluation Reserve unless a deficit below original cost, or its reversal, on an individual property is expected to be permanent, in which case it is recognised in the profit and loss account for the year; and

(2) No depreciation is provided in respect of freehold/feuhold and long leasehold properties. The Directors believe that the policy of not providing depreciation is necessary in order to give a true and fair view since the current value of investment properties and changes to that value, are of primary importance rather than a calculation of systematic depreciation. Depreciation is only one of many factors reflected in the semi-annual valuation and the amount which might otherwise have been included cannot be separately identified or quantified.

**Property disposals**

Profit or losses on disposal of a property are recognised upon completion of a sale.

**NOTES TO THE ACCOUNTS (continued)**  
**FOR THE YEAR ENDED 31 AUGUST 2012**

**1. ACCOUNTING POLICIES (continued)**

**Turnover**

Rental income under operating leases is included in these financial statements on a receivable basis. Insurance premiums recharged to tenants are not reflected in either income or expense.

**Interest receivable and payable**

Interest receivable and payable is accounted for on the accruals basis.

**Creditors' payment policy**

It is the policy of the Company to settle all expenses on a timely basis in the ordinary course of business.

It is the Group's policy to agree appropriate terms and conditions in advance with its suppliers and to make payment in accordance with those terms and conditions, provided that the supplier has complied with them.

**Interest bearing borrowings**

Immediately after issue, debt is stated at the fair value of the consideration received on the issue of the capital instrument after deduction of issue costs. The finance cost of the debt is allocated to periods over the term of the debt at a constant rate on the carrying amount.
