## Strategic report For the year ended 31 October 2018

The directors present the strategic report for the year ended 31 October 2018.

#### Fair review of the business

The directors view the performance for the year as satisfactory. Turnover has increased as a consequence of the Spa maturing, as well as the development of other areas of the business, and increased caravan sales. Operating profit has returned to expected levels.

This has been a year of consolidation, and understanding the full impact of the Spa on our overall business.

During the year dividends of £200,000 were declared.

#### Principal risks and uncertainties

As for many businesses of our size, the business environment in which we operate continues to be challenging. The company operates in an industry which is impacted by consumer spending patterns and their overall level of disposable income in the current economic climate is variable. The level of disposable income is therefore viewed as a key risk facing the company.

#### **Development and performance**

The directors feel that the future prospects will be acceptable and performance for the current year is in line with budget.

#### **Key performance indicators**

Key performance indicators are considered to be those that communicate the financial performance and strength of the company as a whole, these being gross margin and operating profit margin. The key performance indicators are shown below:

|                         | 2018 £'000 | 2017 £'000 | % change |
|-------------------------|------------|------------|----------|
| Turnover                | 19,558     | 16,799     | 16.4     |
| Gross profit            | 6,136      | 4,671      | 31.4     |
| Gross profit margin     | 31.4       | 27.8       |          |
| Operating profit        | 1,455      | 848        | 71.6     |
| Operating profit margin | 7.4        | 5.0        |          |

On behalf of the board

Simon Mackaness

Director 9 April 2019

#### **Directors' report**

#### For the year ended 31 October 2018

The directors present their annual report and financial statements for the year ended 31 October 2018.

#### **Principal activities**

The principal activities of the group in the year under review were as follows:

- a) Hotel accommodation with restaurant and spa
- b) Conference and banqueting facilities
- c) Holiday park and self-catering holiday properties
- d) Golf course

#### **Directors**

The directors who held office during the year and up to the date of signature of the financial statements were as follows:

#### Simon Mackaness

| Peter Banks        | (Appointed 30 November 2017) |
|--------------------|------------------------------|
| Judith Mackaness   | (Appointed 30 November 2017) |
| Matthew Mackaness  | (Appointed 30 November 2017) |
| Nicholas Mackaness | (Appointed 30 November 2017) |

#### Results and dividends

The results for the year are set out on page 8.

Ordinary dividends were paid amounting to £200,000. The directors do not recommend payment of a further dividend.

#### **Disabled persons**

Aketon is an equal opportunities employer and supports the employment training and advancement of disabled persons where it is possible.

#### **Employee involvement**

The company's policy is to consult and discuss with employees, through staff forums and at meetings, matters likely to affect employees' interests.

Information of matters of concern to employees is given through information bulletins and reports which seek to achieve a common awareness on the part of all employees of the financial and economic factors affecting the group's performance.

#### **Auditor**

The auditor, Saffery Champness LLP, is deemed to be reappointed under section 487(2) of the Companies Act 2006.

**Directors' report (continued)** For the year ended 31 October 2018

#### Statement of disclosure to auditor

So far as each person who was a director at the date of approving this report is aware, there is no relevant audit information of which the auditor of the company is unaware. Additionally, the directors individually have taken all the necessary steps that they ought to have taken as directors in order to make themselves aware of all relevant audit information and to establish that the auditor of the company is aware of that information.

On behalf of the board

Simon Mackaness

Director
Date: A. April 2019

## Directors' responsibilities statement For the year ended 31 October 2018

The directors are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the group and company, and of the profit or loss of the group for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- · make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the group and company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the group's and company's transactions and disclose with reasonable accuracy at any time the financial position of the group and company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the group and company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

## Independent auditor's report To the members of Aketon Limited

#### **Opinion**

. .

We have audited the financial statements of Aketon Limited (the 'parent company') and its subsidiaries (the 'group') for the year ended 31 October 2018 which comprise the group statement of comprehensive income, the group statement of financial position, the company statement of financial position, the group statement of changes in equity, the group statement of cash flows, the company statement of cash flows and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the group's and the parent company's affairs as at 31 October 2018 and of the group's profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

#### **Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the directors' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the directors have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the group's or the parent company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

## Independent auditor's report (continued) To the members of Aketon Limited

#### Other information

The directors are responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

#### Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of our audit:

- the information given in the strategic report and the directors' report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the strategic report and the directors' report have been prepared in accordance with applicable legal requirements.

#### Matters on which we are required to report by exception

In the light of the knowledge and understanding of the group and the parent company and its environment obtained in the course of the audit, we have not identified material misstatements in the strategic report and the directors' report.

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept by the parent company, or returns adequate for our audit have not been received from branches not visited by us; or
- the parent company financial statements are not in agreement with the accounting records and returns;
   or
- · certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

.

Independent auditor's report (continued)
To the members of Aketon Limited

#### **Responsibilities of directors**

As explained more fully in the directors' responsibilities statement, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the group's and the parent company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the group or the parent company or to cease operations, or have no realistic alternative but to do so.

#### Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: http://www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

#### Use of our report

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

## Notes to the financial statements For the year ended 31 October 2018

#### 1 Accounting policies

#### **Company information**

Aketon Limited ("the company") is a private limited company incorporated in England and Wales. The registered office is Rudding Park, Harrogate, North Yorkshire, HG3 1JH.

The group consists of Aketon Limited and its subsidiary Rudding Park Limited.

### 1.1 Accounting convention

These financial statements have been prepared in accordance with FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" ("FRS 102") and the requirements of the Companies Act 2006.

The financial statements are prepared in sterling, which is the functional currency of the company. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention. The principal accounting policies adopted are set out below.

The company is a qualifying entity for the purposes of FRS 102, being a member of a group where the parent of that group prepares publicly available group financial statements, including this company, which are intended to give a true and fair view of the assets, liabilities, financial position and profit or loss of the group. The company has therefore taken advantage of exemptions from the following disclosure requirements for parent company information presented within the group financial statements:

- Section 4 'Statement of Financial Position': Reconciliation of the opening and closing number of shares:
- Section 7 'Statement of Cash Flows': Presentation of a statement of cash flow and related notes and disclosures;
- Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instrument Issues': Carrying amounts, interest income/expense and net gains/losses for each category of financial instrument; basis of determining fair values; details of collateral, loan defaults or breaches, details of hedges, hedging fair value changes recognised in profit or loss and in other comprehensive income;
- Section 26 'Share based Payment': Share-based payment expense charged to profit or loss, reconciliation of opening and closing number and weighted average exercise price of share options, how the fair value of options granted was measured, measurement and carrying amount of liabilities for cash-settled share-based payments, explanation of modifications to arrangements;
- Section 33 'Related Party Disclosures': Compensation for key management personnel.

As permitted by s408 Companies Act 2006, the company has not presented its own profit and loss account and related notes. The company's profit for the year was £149,108 (2017: £67,500)

Notes to the financial statements (continued) For the year ended 31 October 2018

#### 1 Accounting policies (continued)

#### 1.2 Basis of consolidation

In the parent company financial statements, the cost of a business combination is the fair value at the acquisition date of the assets given, equity instruments issued and liabilities incurred or assumed, plus costs directly attributable to the business combination. The excess of the cost of a business combination over the fair value of the identifiable assets, liabilities and contingent liabilities acquired is recognised as goodwill. The cost of the combination includes the estimated amount of contingent consideration that is probable and can be measured reliably, and is adjusted for changes in contingent consideration after the acquisition date. Provisional fair values recognised for business combinations in previous periods are adjusted retrospectively for final fair values determined in the 12 months following the acquisition date. Investments in subsidiaries, joint ventures and associates are accounted for at cost less impairment.

Deferred tax is recognised on differences between the value of assets (other than goodwill) and liabilities recognised in a business combination accounted for using the purchase method and the amounts that can be deducted or assessed for tax, considering the manner in which the carrying amount of the asset or liability is expected to be recovered or settled. The deferred tax recognised is adjusted against goodwill or negative goodwill.

The group financial statements incorporate those of Aketon Limited and all of its subsidiaries (ie entities that the group controls through its power to govern the financial and operating policies so as to obtain economic benefits). Subsidiaries acquired during the year are consolidated using the purchase method. Their results are incorporated from the date that control passes.

All financial statements are made up to 31 October 2018. Where necessary, adjustments are made to the financial statements of subsidiaries to bring the accounting policies used into line with those used by other members of the group.

All intra-group transactions, balances and unrealised gains on transactions between group companies are eliminated on consolidation. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the asset transferred.

#### 1.3 Going concern

At the time of approving the financial statements, the directors have a reasonable expectation that the company has adequate resources to continue in operational existence for the foreseeable future. Thus the directors continue to adopt the going concern basis of accounting in preparing the financial statements.

#### 1.4 Turnover

Turnover is recognised at the fair value of the consideration received or receivable for goods and services provided in the normal course of business, and is shown net of VAT and other sales related taxes. The fair value of consideration takes into account trade discounts, settlement discounts and volume rebates.

Hotel, conference and banqueting and holiday park revenue is recognised at the date the event or visit takes place. Revenue for the golf department is spread evenly over the year to which it relates.

## Notes to the financial statements (continued) For the year ended 31 October 2018

#### 1 Accounting policies (continued)

#### 1.5 Intangible fixed assets - goodwill

In 2015, goodwill was reassessed as having a remaining useful economic life of 3 years has therefore been fully written off this year.

#### 1.6 Tangible fixed assets

buildings

Tangible fixed assets other than certain freehold land and buildings are stated at cost less depreciation. Depreciation is provided at rates calculated to write off the cost less estimated residual value of each asset over its expected useful life, as follows:

Fixtures, fittings & equipment

Motor vehicles

Holiday Park buildings

Golf course, academy and clubhouse

Over 1-10 years, straight line

Over 10-20 years, straight line

Over 20 years, straight line

Other freehold land and buildings

Not depreciated, as noted below

Freehold land and assets in the course of construction are not depreciated.

The directors have not depreciated certain freehold land and buildings as they consider the depreciation charge to be immaterial due to very long useful economic lives. They are disclosed in the accounts at the following book values:

|  | Book value       | Book value |
|--|------------------|------------|
|  | 2018             | 2017       |
| 1  | £                | £          |
| Rudding Park Hotel                           | 21,670,563       | 21,537,544 |
| Holiday Park Stone Cottages, Shop and Office | 1,145,584        | 1,116,939  |
| Golf course construction                     | <u>2,147,716</u> | 2,147,716  |
|  | 24,963,863       | 24,802,199 |

The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is credited or charged to profit or loss.

#### 1.7 Fixed asset investments

Equity investments are measured at fair value through profit or loss, except for those equity investments that are not publicly traded and whose fair value cannot otherwise be measured reliably, which are recognised at cost less impairment until a reliable measure of fair value becomes available.

In the parent company financial statements, investments in subsidiaries, associates and jointly controlled entities are initially measured at cost and subsequently measured at cost less any accumulated impairment losses.

Notes to the financial statements (continued) For the year ended 31 October 2018

#### 1 Accounting policies (continued)

A subsidiary is an entity controlled by the group. Control is the power to govern the financial and operating policies of the entity so as to obtain benefits from its activities.

#### 1.8 Impairment of fixed assets

At each reporting period end date, the group reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). Where it is not possible to estimate the recoverable amount of an individual asset, the company estimates the recoverable amount of the cashgenerating unit to which the asset belongs.

The carrying amount of the investments accounted for using the equity method is tested for impairment as a single asset. Any goodwill included in the carrying amount of the investment is not tested separately for impairment.

Recoverable amount is the higher of fair value less costs to sell and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognised immediately in profit or loss, unless the relevant asset is carried at a revalued amount, in which case the impairment loss is treated as a revaluation decrease.

Recognised impairment losses are reversed if, and only if, the reasons for the impairment loss have ceased to apply. Where an impairment loss subsequently reverses, the carrying amount of the asset (or cash-generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (or cash-generating unit) in prior years. A reversal of an impairment loss is recognised immediately in profit or loss, unless the relevant asset is carried at a revalued amount, in which case the reversal of the impairment loss is treated as a revaluation increase.

#### 1.9 Stocks

Stocks are stated at the lower of cost and estimated selling price less costs to complete and sell. Cost comprises direct materials and includes transport and handling costs. Net realisable value is the price at which stocks can be sold in the normal course of business after allowing for the costs of realisation and, where appropriate, the cost of conversion from their existing state to a finished condition. Provision is made where necessary for obsolete, slow moving and defective stocks.

#### 1.10 Cash and cash equivalents

Cash at bank and in hand are basic financial assets and include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

Notes to the financial statements (continued) For the year ended 31 October 2018

#### 1 Accounting policies (continued)

#### 1.11 Financial instruments

The group has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the group's statement of financial position when the group becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset and the net amounts presented in the financial statements when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

#### Basic financial assets

Basic financial assets, which include debtors, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

#### Other financial assets

Other financial assets, including investments in equity instruments which are not subsidiaries, associates or joint ventures, are initially measured at fair value, which is normally the transaction price. Such assets are subsequently carried at fair value and the changes in fair value are recognised in profit or loss, except that investments in equity instruments that are not publicly traded and whose fair values cannot be measured reliably are measured at cost less impairment.

#### Impairment of financial assets

Financial assets, other than those held at fair value through profit and loss, are assessed for indicators of impairment at each reporting end date.

Financial assets are impaired where there is objective evidence that, as a result of one or more events that occurred after the initial recognition of the financial asset, the estimated future cash flows have been affected. If an asset is impaired, the impairment loss is the difference between the carrying amount and the present value of the estimated cash flows discounted at the asset's original effective interest rate. The impairment loss is recognised in profit or loss.

If there is a decrease in the impairment loss arising from an event occurring after the impairment was recognised, the impairment is reversed. The reversal is such that the current carrying amount does not exceed what the carrying amount would have been, had the impairment not previously been recognised. The impairment reversal is recognised in profit or loss.

Notes to the financial statements (continued) For the year ended 31 October 2018

#### 1 Accounting policies (continued)

#### Derecognition of financial assets

Financial assets are derecognised only when the contractual rights to the cash flows from the asset expire or are settled, or when the group transfers the financial asset and substantially all the risks and rewards of ownership to another entity, or if some significant risks and rewards of ownership are retained but control of the asset has transferred to another party that is able to sell the asset in its entirety to an unrelated third party.

#### Classification of financial liabilities

Financial liabilities and equity instruments are classified according to the substance of the contractual arrangements entered into. An equity instrument is any contract that evidences a residual interest in the assets of the group after deducting all of its liabilities.

Basic financial liabilities, including creditors, bank loans, loans from fellow group companies and preference shares that are classified as debt, are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of business from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

#### Other financial liabilities

Other financial liabilities, including debt instruments that do not meet the definition of a basic financial instrument, are measured at fair value through profit or loss.

Derivatives, including interest rate swaps and forward foreign exchange contracts, are not basic financial instruments. Derivatives are initially recognised at fair value on the date a derivative contract is entered into and are subsequently re-measured at their fair value. Changes in the fair value of derivatives are recognised in profit or loss in finance costs or finance income as appropriate, unless hedge accounting is applied and the hedge is a cash flow hedge.

Debt instruments may be designated as being measured at fair value though profit or loss to eliminate or reduce an accounting mismatch or if the instruments are measured and their performance evaluated on a fair value basis in accordance with a documented risk management or investment strategy.

#### Derecognition of financial liabilities

Financial liabilities are derecognised when the group's contractual obligations expire or are discharged or cancelled.

Notes to the financial statements (continued) For the year ended 31 October 2018

#### 1 Accounting policies (continued)

#### 1.12 Equity instruments

Equity instruments issued by the group are recorded at the proceeds received, net of transaction costs. Dividends payable on equity instruments are recognised as liabilities once they are no longer at the discretion of the group.

#### 1.13 Taxation

The tax expense represents the sum of the tax currently payable and deferred tax.

#### **Current tax**

The tax currently payable is based on taxable profit for the year. Taxable profit differs from net profit as reported in the income statement because it excludes items of income or expense that are taxable or deductible in other years and it further excludes items that are never taxable or deductible. The group's liability for current tax is calculated using tax rates that have been enacted or substantively enacted by the reporting end date.

#### Deferred tax

Deferred tax is provided in full in respect of taxation deferred by timing differences between the treatment of certain items for taxation and accounting purposes. The deferred tax balance has not been discounted. No provision has been made for deferred tax on gains recognised on revaluing property to its market value as the company does not intend to sell the revalued assets.

#### 1.14 Employee benefits

The costs of short-term employee benefits are recognised as a liability and an expense, unless those costs are required to be recognised as part of the cost of stock or fixed assets.

The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received.

Termination benefits are recognised immediately as an expense when the company is demonstrably committed to terminate the employment of an employee or to provide termination benefits.

#### 1.15 Retirement benefits

The company operates a defined contribution pension scheme for its staff, which is contributory. These contributions are charged to the profit and loss account in the year in which they are payable in accordance with FRS 102.

Notes to the financial statements (continued) For the year ended 31 October 2018

#### 1 Accounting policies (continued)

#### 1.16 Leases

Leases are classified as finance leases whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessees. All other leases are classified as operating leases.

Assets held under finance leases are recognised as assets at the lower of the assets fair value at the date of inception and the present value of the minimum lease payments. The related liability is included in the statement of financial position as a finance lease obligation. Lease payments are treated as consisting of capital and interest elements. The interest is charged to the income statement so as to produce a constant periodic rate of interest on the remaining balance of the liability.

#### 2 Critical accounting judgements and key sources of estimation uncertainty

In the application of the group's accounting policies, the directors are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.

### **Critical judgements**

The following judgements (apart from those involving estimates) have had the most significant effect on amounts recognised in the financial statements.

#### **Provisions**

Provision is made for bad and doubtful debts and obsolete stock. These provisions require management's best estimate of the recoverability of trade debtors and the expected future use of stock.

#### Depreciation

For some of the buildings held, including the main hotel, no depreciation is charged. A critical judgement is the view of management that the economic life of these assets is extensive, meaning any depreciation charge would be immaterial.

|    |   |            |            | <del></del> |      |
|    | Amounts included above which fall due after five years: |            |            |             |      |
|    | Payable by instalments                                  | 6,202,500  | 8,302,500  | -           | -    |
|    |   |            |            |             |      |

The bank loans are secured by a first legal charge over freehold land and buildings and a floating charge over plant and machinery.

All loans are with Santander plc. One loan is for £1,200,000 at rate of 1.6% over the bank's LIBOR rate, a second is for £3,000,000 at a fixed rate of 3.36%. These two loans are interest only until 1 January 2021 and are then repaid by 20 consecutive quarterly instalments.

On the 18 December 2015 Rudding Park Limited entered into a loan agreement with Santander plc for loans of up to £9,500,000 for the purpose of building a spa. Of this, £5,000,000 was available under EIB funding with a variable rate of 1.1% over the bank's LIBOR rate, repayable in 15 consecutive quarterly instalments. On 15 December 2016 this loan was converted to a fixed rate loan with a rate of 1.935%. £3,000,000 is outstanding at the year end and is repayable in 9 quarterly instalments. The second facility of £4,500,000 was fully drawn in the previous year, with a variable rate of 1.6% over the bank's LIBOR rate, repayable in 40 consecutive quarterly instalments commencing 18 March 2021.

#### 20 Finance lease obligations

|   | Group  |        | Company |      |

| Within one year   | 76,336 | 31,753 | -       | -    |
|   |        |        |         |      |

Notes to the financial statements (continued) For the year ended 31 October 2018

#### 20 Finance lease obligations (continued)

Finance lease payments represent rentals payable by the company for certain items of plant and machinery. Leases include purchase options at the end of the lease period, and no restrictions are placed on the use of the assets. All leases are on a fixed repayment basis and no arrangements have been entered into for contingent rental payments.

#### 21 Deferred taxation

Deferred tax assets and liabilities are offset where the group or company has a legally enforceable right to do so. The following is the analysis of the deferred tax balances (after offset) for financial reporting purposes:

| Group   | Liabilities<br>2018<br>£              | Liabilities<br>2017<br>£                                    |
|---|---------------------------------------|---|
| Accelerated capital allowances Other timing differences | 995,653<br>(44,950)<br>———<br>950,703 | 922,709<br>(14,738)<br>———————————————————————————————————— |
| The company has no deferred tax assets or liabilities.  | Group<br>2018                         | Company<br>2018   |

|                              | 2018    | 2018 |
|------------------------------|---------|------|
| Movements in the year:       | £       | £    |
| Liability at 1 November 2017 | 907,971 | -    |
| Charge to profit or loss     | 42,732  | -    |
|                              |         |      |
| Liability at 31 October 2018 | 950,703 | -    |
|                              |         |      |

The deferred tax liability set out above is expected to reverse within 12 months and relates to accelerated capital allowances that are expected to mature within the same period.

Notes to the financial statements (continued) For the year ended 31 October 2018

| 22 | Retirement benefit schemes  |         |         |
|----|---|---------|---------|
|    |   | 2018    | 2017    |
|    | Defined contribution schemes  | £       | £       |
|    | Charge to profit or loss in respect of defined contribution schemes | 160,516 | 102,841 |

A defined contribution pension scheme is operated for all qualifying employees. The assets of the scheme are held separately from those of the group in an independently administered fund.
