**Notes to the Abbreviated Accounts**  
**for the Year Ended 30 June 2014**

**1. ACCOUNTING POLICIES**

**Basis of preparing the financial statements**

The accounts have been prepared on a going concern basis which assumes the continued support of the company by its bankers and director.

**Accounting convention**

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

**Turnover**

Income is recognised during the year when the company provides goods and services.

**Tangible fixed assets**

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Plant and machinery	- 15% on reducing balance
Motor vehicles	- 25% on reducing balance
Computer equipment	- 25% on reducing balance

**Stocks**

Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

**Deferred tax**

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date where transactions or events that result in an obligation to pay more, or a right to pay less, tax in the future have occurred at the balance sheet date.

This is subject to deferred tax assets only being recognised if it is considered more likely than not that there will be suitable profits from which the future reversal of the underlying timing differences can be deducted.

Timing differences are differences arising between the Company's taxable profits and its results as stated in the financial statements, which are capable of reversal in one or more subsequent periods.
