NOTES TO THE ABBREVIATED ACCOUNTS FOR THE PERIOD ENDED 31 MARCH 2004

1 Accounting policies

1.1 Accounting convention

The financial statements are prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective June 2002).

The financial statements have been prepared on a going concern basis which assumes that the company will continue in operational existence for the foreseeable future.

The validity of this assumption depends on the continued support of the directors, creditors and bankers.

If the company were unable to continue in operational existence for the foreseeable future, adjustments would have to be made to reduce the balance sheet values to their recoverable amounts and to provide for further liabilities that might arise.
