CATHOLIC TRUST FOR ENGLAND AND WALES

TRUSTEES' ANNUAL REPORT

FOR THE YEAR ENDED 31 DECEMBER 2022

The Trustees, who are directors for the purpose of company law, present their report together with the consolidated financial statements of the Catholic Trust for England and Wales (CaTEW) hereafter "The Trust", for the year ended 31 December 2022. The report also incorporates a Strategic Report as required under the Companies Act 2006.

This report and accounts have been prepared in accordance with the Charities Act 2011, the Companies Act 2006, the Memorandum and Articles of Association and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (2nd edition, effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

HISTORY AND ORGANISATION

The Trust promotes the Catholic religion principally, but not exclusively, in England and Wales. The Trust has brought together predecessor charities that existed to support the work of the Catholic Church in these countries. The Trust is the charitable and legal entity which holds in trust, the assets and property of the Catholic Bishops' Conference of England and Wales (CBCEW) and raises funds for the CBCEW. These resources are held by the Trust to enable the CBCEW Secretariat (and those agencies and offices managed by the Secretariat which operate under the legal governance of the Trust) to procure those activities and programmes of work which the Bishops wish to commission or support collegially.

The Trustees have had regard to the Charity Commission's guidance on public benefit. Through the work of the departments, agencies and projects set out below, the Trust, in line with the Church's teachings, looks to ensure the moral and spiritual well being of the individual, and to help discern the common good, being what is best for all in society.

As well as the promotion of Catholicism and the application of the Gospels teachings to the modern day world, the Trust supports people to live out their faith through guidance at a local level as well as advancement and direction of national policy. The details of individual projects which are of public benefit can be found below in this report. As well as working on behalf of existing Catholics, the Church is open to and welcomes non-Catholics. The work of the Trust contributes to the sum of public knowledge and good by publishing items which encourage Catholic life and detailing the work of the Trust on its website and via its media service and resources, all of which are freely available.

OBJECTIVES AND ACTIVITIES

In order to fulfil its charitable aims and objectives, the activities of the Trust are determined by the requirements of the Bishops' Conference of England and Wales.

The Catholic Bishops' Conference of England and Wales is a permanent body within the organisation of the Catholic Church that brings together the Bishops of England and Wales. As a Conference the Bishops "jointly exercise certain pastoral functions for the Christian faithful... in order to promote the greater good which the Church offers to humanity, especially through forms and programs of the apostolate fittingly adapted to the circumstances of time and place" (cf. *Code of Canon Law* can 447).

The departments of CBCEW implement the present broad areas of activity for the Bishops in supporting the dioceses of England and Wales and witnessing to the Gospel in the contemporary world: Catholic Education and Formation, Christian Life and Worship, Social Justice, Dialogue and Unity, Evangelisation and Catechesis and International Affairs. In addition to these discrete work streams, there are also two pan-departmental offices: The Catholic Safeguarding Advisory Service (CSAS) and the Catholic Communications Network (CCN).

The Trust employs staff to carry out the work of the Departments, which also rely heavily on the participation of volunteers who serve as committee members and advisers.

GRANT MAKING POLICY

The Trust is not a grant making body but does disburse money to entities via national initiatives. This forms part of its mission through positive engagement with public bodies and other charitable trusts.

STRATEGIC REPORT

INTRODUCTION

Following the restructuring of the Bishops' Conference Secretariat in 2020, it now comprises four Directorates, a Commission for Clergy and the Department for Catholic Education and Formation which focuses on the pastoral aspects of school and university life, recognising that the main work of education at a national level rests within the Catholic Education Service, an agency of the Bishops' Conference.

The four Directorates delivering the bishops' core purpose, led by a director, and motivated by the proclamation of the Gospel are:

- Mission
Incorporating the Departments of Christian Life and Worship, Dialogue and Unity, National Office for Vocation, Evangelisation and Discipleship
- Policy and Research
Incorporating the Departments of Social Justice, International Affairs
- Partnerships and Public Affairs
- Communications

These help to articulate CaTEW's purpose:

'The Secretariat of the Bishops' Conference provides a centre of knowledge and capability for assisting the bishops and dioceses in proclaiming the Gospel of Jesus Christ, and supporting the communities of faith in England and Wales. Proclamation of the love of Jesus Christ motivates all of the work of the secretariat and permeates every aspect of that work in supporting the mission of the bishops.'

ACHIEVEMENTS AND PERFORMANCE

Catholic Education and Formation (incorporating the work of the Catholic Education Service)

The CES continues to promote the values of Catholic education to influence national debates. Regular meetings take place with Government Ministers, Shadow Ministers, the Welsh Assembly, political advisers and party-political think-tanks to inform party political policies on education. The CES continues to promote Catholic education through its proactive and reactive media strategy.

The CES works with many Catholic international organisations to monitor developments likely to affect Catholic education across Europe and more widely and takes an active part in the Cathedrals Group of Church universities and university colleges within the UK.

The CES work closely with *Formatio* which leads the national strategy for Governance and Leadership in Education. *Formatio* was established by the CES as a separate charity in 2018 to carry out the Bishops' Conference mandate to develop a national strategy for the formation of leaders, teachers and governors in Catholic schools and is a collaboration between the dioceses, Catholic universities, and the larger Catholic Multi-Academy Trusts (CMATs) (and certain larger schools in Wales where there is no current policy for academisation). The CES has continued with a broader communications strategy on behalf of *Formatio* under three main areas: communicating the message, sustainability

FOR THE YEAR ENDED 31 DECEMBER 2022

(including funding), and subsidiarity. Initiatives are shared with the four *Formatio* Regional Hubs for wider dissemination.

CES also works with the newly established Catholic Academy Trust Training Collaboration (CATtColl), a cross-diocesan training consortium to facilitate the efficient and effective delivery of major projects, e.g. NPQ suite, the possibility of Catholic Initial Teaching Training provision and the development of a CEO best practice network.

In February 2022, the CES launched the book, *Catholic Schools: Partners in Formation*, as part of its 175th Anniversary celebrations. The publication was welcomed by the Secretary of State for Education. Many dioceses, national organisations and parliamentarians were represented at the launch which took place within the Palace of Westminster.

The CES continues to provide training to diocesan officers, governors, directors and members of Catholic academy companies and HR providers. The demand for this training across the country is growing and is both needed and appreciated.

DIRECTORATE FOR MISSION

Christian Life and Worship

Work continues on the review of liturgical translations prepared for the Bishops' Conference by the International Commission for English in the Liturgy (ICEL), including a new Lectionary for Mass in England and Wales based on the English Standard Version – Catholic Edition Bible, which is due for publication in 2024.

The Spirituality Committee held a day of reflection in May 2022, led by Professor Jim McManus, the President of the UK Association of Directors of Public Health, who spoke to his report on resilience, trauma and pastoral recovery especially in the wake of the covid-19 pandemic.

The Patrimony Committee submitted a detailed response to the public consultation exercise launched by the National Lottery Heritage fund as the NLHF looks forward to its next five-year strategy. The Catholic Church in England and Wales has benefitted from over £6M funding for specific Grade II* and above Church renovation projects, through a clear programme of conservation architecture proposals to enhance original features.

Mrs Sophie Andreae, the Vice-Chair of the Patrimony Committee, also spoke at a seminar held at the British Museum on Catholic material culture, drawing attention to the rich collections around the country, many of which are little known. The Patrimony Committee will continue to keep in touch with the team at the British Museum to support their efforts to promote interest in this area and in the bicentenary of Catholic Emancipation in 2029.

Dialogue and Unity

This Department continues to support the work being done by diocesan and county ecumenical and inter-religious co-ordinators by offering advice and resources. It assisted and resourced the existing five ecumenical bilateral dialogues (with the Anglicans, Methodists, United Reformed Church, the Byzantine Orthodox and the Oriental Orthodox Church) and the Working Group for the Courtyard of the Gentiles initiative (to promote dialogue with culture and especially with non-believers). The department also oversees the important area of Catholic-Jewish relations through the Office of the Chief Rabbi, the Council of Deputies for Jews in the UK and the Council for Christians and Jews.

CATHOLIC TRUST FOR ENGLAND AND WALES

TRUSTEES' ANNUAL REPORT

FOR THE YEAR ENDED 31 DECEMBER 2022

The Department collaborated with the national ecumenical instruments (Churches Together in England, CYTUN – Wales, and Churches Together in Britain and Ireland) by assisting with the annual training of new diocesan and county ecumenical officers, working with the denominational National Ecumenical Officers, and being actively involved with meetings of the CTE Enabling Group and Forum and Churches Together in Britain and Ireland (CTBI). The Department Secretary, Fr Jan Nowotnik, also represented the Bishops' Conference at ecumenical meetings and events held during the year.

The main impact of the Department's work continues to be the building and development of relationships and trust through ecumenical and inter-religious dialogue. This networking promotes greater knowledge, understanding and respect for people of other traditions and of other faiths (or no-faith). The Department coordinates a network of those engaged in inter-religious dialogue in the dioceses of England and Wales to provide support, guidance, and expertise on this developing area of work across the country, engaging with the major world faiths.

This department has good links and collaboration with both the Dicastery for the Promotion of Christian Unity and the Dicastery for the Promotion of Interreligious Dialogue of the Holy See. Much of the work listed is coordinated with these offices to give an international scope to this work of dialogue.

Evangelisation and Discipleship

The Department of Evangelisation and Discipleship exists to support the work done by diocesan coordinators of youth ministry, catechesis and adult formation. The main priorities of the department are catechesis, the promotion of scripture and youth ministry.

In collaboration with Bible Society, the "God who Speaks" Project, part of the Department's biblical apostolate, continues its important work in promoting the use and study of scripture in the Church. The "God who Speaks" website carries excellent resources for scripture and bible study and has been particularly well used by schools.

Following the publication of the Papal instruction *Antiquum Ministerium* "On Instituting the Ministry of the Catechist," the Department has established a working party to continue to explore how best to respond to the need to identify the parameters for this lay Ministry, including the selection and formation of candidates. This new initiative by the Pope dovetails with the recent publication of the "Directory for Catechesis" which has become foundational to the work of this area of mission.

The Department continues its close collaboration with the Catholic Youth Ministry Federation (CYMFed) on both World Youth Day (which in 2023 will take place in Fatima, Portugal) and National Youth Sunday (annually on the Feast of Christ the King).

The department now oversees the pastoral and sacramental aspects of Marriage and Family Life. The Mission Team has undertaken a survey of catechesis for baptism and marriage preparation. The results offer an overview of the work in this area that is being carried out by dioceses in England and Wales and charts a way in which the Department can best accompany the Marriage and Family Life coordinators in their local work.

National Office for Vocation (NOV)

An important part of the Department for Evangelisation and Discipleship, NOV works in collaboration with local and national agencies to support the promotion of 'vocation' within the Catholic community. This includes the calling to married life, to single life, to the diaconate as well as priesthood and consecrated life. NOV continues to support vocations directors and seminary rectors in their work.

NOV had a presence at both the European Youth Symposium in Krakow, Poland, and the Ampleforth Summer Festival with Youth 2000. At the Festival, they hosted a "Vocations Café", and ran a workshop on Mission.

Several events and resources were provided for Vocations Sunday and the days around it (this is annually the Fourth Sunday of Easter). These included an online discussion which brought together those discerning a vocation, as well as people interested in the witness and testimony of those living out their vocation. It was a very successful event and will become a regular element for future Vocation Sunday plans.

DIRECTORATE FOR POLICY AND RESEARCH

Social Justice

The Department for Social Justice covers areas of social and pastoral policy in England and Wales. It operates using an outcome-focused vision, with the priority areas of work being: (1) life issues, (2) healthcare and mental health, (3) criminal justice, (4) the Faith in Politics internship, (5) Watching briefs (domestic abuse, gender identity, disability), (6) The World of Work, (7) Caritas Social Action Network (CSAN) which remains the core agency of the Department, (8) marriage and family life policy work, and (9) the environment.

Day for Life and Care for the elderly

The Annual Day for Life in 2022 took as its theme *Care for the elderly*. This is a joint initiative between the Bishops' Conferences of England and Wales, Scotland, and Ireland. Pope Francis sent a message of support and a blessing for the initiative. Articles were also placed in the Catholic media to raise awareness of the theme. A significant number of resources for people to engage with on this issue were available from the Bishops' Conference website.

Policy work

Work continued on the full range of life issues and several statements were released on end-of-life cases, the withdrawal of treatment and on abortion issues. A briefing for the Bishops' Conference website was also provided on the cost of living crisis in addition to regular briefings for Parliamentarians on issues arising as part of the Government legislative plan.

Environment

The 2002 Bishops' Conference document, *The Call of Creation*, was fully revised to reflect the "signs of the times" as well as the teaching of Pope Francis in his two key encyclical letters *Laudato Si* and *Fratelli Tutti*. A full programme of activity was arranged around its publication.

International Affairs

The Department for International Affairs is engaged in working on a wide range of issues in support of the Bishops' Conference work. The particular focus of the International Affairs Department is to act in solidarity and support of worldwide Local Churches and to give expression to this Bishops' Conference's witness on the dignity of the person, especially in relation to human rights.

The Department continues to coordinate the annual international meeting of the Holy Land Coordination Group. This year its meeting focused on the special status of Jerusalem within Israel/Palestine relations and the importance of the Christian presence in the city.

FOR THE YEAR ENDED 31 DECEMBER 2022

Other areas that the Department has engaged with include its continuing advocacy on promoting fundamental human rights and especially freedom of religion and belief, as well as a focus on those seeking asylum in the UK, particularly in supporting those in indefinite detention.

The theme of Racial Justice Sunday in 2022 was *In the Image and Likeness of God* and celebrated presentations of icons of Our Lady and the Child Jesus from a range of countries and cultures, highlighting the rich diversity of the Catholic community, and encouraging reflection on how we are all made in the image of God. These were very well received and have been adapted for use beyond their original purpose and are now permanently available for use by parishes, schools and groups. The national non-Christian press also reported on this initiative in a positive way.

The war in Ukraine formed a backdrop to the work of solidarity with the Church abroad. The bishops supported the Ukrainian people and the local Church, the Holy See, and all those working for a peaceful resolution. Department Bishops joined with the Ukrainian Eparchy to Great Britain in writing to the Foreign Secretary welcoming the UK's resolute defence of Ukrainian sovereignty and opposition to Russia's invasion, as well as calling for the provision of aid and sanctuary for refugees fleeing the country. The Department also continued its fraternal support for and solidarity with many Bishops' Conferences and Local Churches in Asia, Africa, and Latin America.

PARTNERSHIPS AND PUBLIC AFFAIRS DIRECTORATE

This team ensures that the voice of the Church influences government policy effectively by drawing upon the collective knowledge, practice and grassroots experience of the Church's agencies, charities, and diocesan and parish activities. It develops close relationships with the UK Parliament, the Welsh Senedd, other Bishops' Conferences and the Holy See. This enables the Church to translate policy developed by the Policy and Research Team into practical action.

It also liaises with the agencies of the Bishops' Conference in their work and provides briefings for them on the position of the Bishops regarding their specialist fields. The team also draws on the expertise in Catholic charities and dioceses, which assists the Bishops' Conference in addressing specific issues when they arise.

Faith in Politics Internship

Since 2021, the coordination of this scheme sits within the Partnerships and Public Affairs Directorate. After a pause due to the pandemic, the programme began again in September 2021. In the academic year 2022-2023 4 interns took part, working 4 days a week in their placement and Fridays participating in visits, seminars and other activities organised by the Bishops' Conference.

COMMUNICATIONS

Directorate for Communications

The Communications Office of the Catholic Bishops' Conference plays a key role in promoting Catholicism and the proclamation of Gospel teaching to the modern world. The role of the team is to help the Church communicate in good times and in bad. In addition to supporting the Bishops and the Bishops' Conference Secretariat by helping to formulate ways to communicate this witness, there are a number of areas of ongoing work. This work is both internal and outwards facing through daily media contacts, briefings and relationship building.

Social Media continues to play a major part in the bishops' communications' strategy. Through Twitter, Facebook, Instagram and other appropriate social media platforms, the Directorate for Communications aims

to engage Catholics and all those interested in the work and witness of the Church in this country. In addition, they provides a free photo sharing site which highlights the Church's work and witness in England and Wales, Europe and across the world. These photos are downloaded, shared and published by over 41 million people worldwide.

COMMISSION FOR CLERGY

The Commission for Clergy brings together work relating to the national seminaries, the overseas seminaries and liaison with seminary rectors, the Conference of Diocesan Directors of Vocations, and the Conference of Directors of Ongoing Formation. 2022 saw the publication of a revised Vocation Directors' Handbook, and guidance for those involved in the process of selection and admission of candidates to seminary. The main focus of the Commission is the production of a new Charter for Priestly Formation for England and Wales in the light of the Holy See's new *Ratio Fundamental* for the formation of priests.

SAFEGUARDING

A new safeguarding structure for the Catholic Church in England and Wales, based on national standards, was established in April 2021 and the remit for this work passed to the Catholic Safeguarding Standards Agency (CSSA). The new structure is an independent agency from the Bishops' Conference and CaTEW and has its own Board of Directors; however CaTEW remains the corporate trust of this body.

FINANCIAL REVIEW

Income and Expenditure

In 2022 the income of the Trust from all sources was £9,178,319 (2021: £10,752,542). The main sources of income are assessments on the Dioceses of England and Wales mandated by the Bishops, and parish collections agreed by the Bishops for the purposes of the Bishops' Conference and associated agencies and offices. Authorised parish collections received by CaTEW are taken on Home Mission Sunday (to support Evangelisation work), World Communications Day (to support CCN), the Day for Life (to support the Anscombe Bioethics Centre and the pro-life activities of the Conference), and Racial Justice Sunday (to support the Church's work with migrants and refugees, and to provide funding to the Catholic Agency for Racial Justice).

Other income is derived from investments, grants and property.

Total expenditure for the year was £9,745,761 (2021: £11,290,851). The expenditure of the Trust is analysed in detail in the accounts attached to this report.

The results for the year are shown on page 19. A detailed analysis of the results is provided in the notes to the accounts. The net movement in funds for the year was a deficit of £5,900,455 (2021: surplus of £3,361,056).

Costs were reduced in line with the falling revenues; The loss for the year is mainly attributable to losses on the investment portfolios of £5,203,399 due to conditions prevailing at the balance sheet date.

CATHOLIC TRUST FOR ENGLAND AND WALES

TRUSTEES' ANNUAL REPORT

FOR THE YEAR ENDED 31 DECEMBER 2022

The balance sheet shows total reserves of £48,453,342. Restricted funds of £4,950,062 represent unexpended balances held on trust to be applied for specific purposes. A further £36,999,554 has been set aside as designated funds as it is either represented by fixed assets or designated for a specific future use and so not available for the general purposes. Designated funds within CaTEW include £8,141,058 which represents the net book value of the charity's tangible fixed assets, £1,000,014 which represents the value of the programme related investments. The remaining funds amounting to £6,503,726 (2021: £6,904,415) are the general funds or 'free' reserves as defined by the Charity Commission.

Investment policy

The trustees have adopted a general statement of an ethical investment policy:

The Catholic Church's understanding of Ethical Investment takes account of a series of "social encyclicals" which followed from Pope Leo XIII's encyclical letter *Rerum Novarum* of 1891. That document set out to maintain in contemporary industrial society the priority of the human over the economic, and the spiritual and moral over the material.

In the management of investments both Charity Law and Church teaching apply.

Under Charity Law, the trustees must seek to obtain the best financial return possible consistent with commercial prudence. Following the Church's teaching, the trustees also seek to maintain an ethical investment policy through a process of making value judgements about the products, services and corporate practices as well as their financial efficacy. Their judgements and decisions to invest or disinvest, and of seeking to change through shareholder action, reflect particularly that teaching which promotes the dignity and sanctity of human life and the importance of society in general.

This has been communicated to the investment managers of the Trust and, through regular meetings with them and periodic assessment by the Investment Sub-Committee. Its implementation is kept under review.

The trustees appreciate the importance of choosing a suitable long-term investment strategy and benchmark. The trustees' current investment strategy emphasises income generation in conjunction with capital growth, with the aim being to produce an income yield of 3% after fees and expenses. Accordingly, the investment managers are instructed to report against appropriate benchmarks.

The Trust's investment assets are spread between four portfolios held with Charles Stanley, Ruffer LLP, Killik & Co, and Evelyn & Partners.

In aggregate, the portfolios achieved an average income yield of 2.7% in 2022 (excluding gains/losses on foreign currency forward contracts).

FOR THE YEAR ENDED 31 DECEMBER 2022

Reserves Policy

The Trust's operational policy is to try to ensure that it has adequate free reserves to meet its continuing charitable obligations and day-to-day working capital requirements.

The Trust is reliant upon Diocesan assessments for a significant proportion of its income, which are agreed annually by the Bishops' Conference.

The Trust aims to have the equivalent of up to six months' charitable expenditure (approximately £3,500,000 excluding exceptional expenditure) in free reserves as defined by the Charity Commission. This level is kept under review to ensure that there are sufficient reserves to meet new initiatives from the Bishops.

The value of The Trust's free reserves at 31 December 2022, following principles established by the Charity Commission, was £6,503,727 or 11 months of budgeted expenditure. The pandemic has had a large impact on income generation, but the trustees are confident that efficiencies resulting from the restructure will increase the level of free reserves available over time.

Future Plans

Covid-19 and the associated 2020 and 2021 lockdowns continue to have a significant financial impact on the Trust. A decline in Mass attendance during this period has severely affected Diocesan finances, as well as adversely impacting the Trust's own national collections. The Bishops of England and Wales have called for a return of people to the Sunday practice of the faith which may assist in improving the income in dioceses; this is yet to be fully determined. The focus within CaTEW remains providing a high quality of work in accord with the strategic direction of the Bishops, whilst concentrating on driving expenditure down, and streamlining operations.

It is hoped that the commitment made two years ago, at the outset of the pandemic, to cut the Diocesan levy and restructure the internal organisation of the Secretariat, can be maintained. The Trustees will have to be vigilant on our income financial position in the light of the external fiscal pressures of inflation and rising costs which may require them to reassess this commitment.

Following the restructure of the organisation in 2021, staff are now more outcome focused and working flexibly across various work streams. As well as improving work prioritisation and effectiveness the new structure, along with the introduction of new financial protocols, has enabled a reduction in central costs.

Furthermore, as people begin to return to mass following the pandemic, the Trust seeks to maximise the effectiveness of its national collections: World Communications Day, Day for Life, Evangelii Gaudium Sunday (previously Home Mission Sunday) and Racial Justice Sunday, in order to generate funding for priority work areas and initiatives.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The Catholic Trust for England and Wales (CaTEW) was incorporated as a company limited by guarantee on 15 April 2003 and is registered as a charity. The Trust's governing document is the Memorandum and Articles of Association.

The governance of the charity is accomplished through the Annual General Meeting with the members, and meetings of the Board of Trustees and its constituent sub committees. The day to day management of the charity is delegated to the Operational Management Group, detailed on page 14 of this report, and is supervised through the constituent Board meetings.

Risk assessment

The trustees assess the major risks to which the charity is exposed, in particular those relating to specific operational areas of the charity, its investments and its finances by identifying and ranking risks in terms of their potential impact and likelihood. - Recruitment of staff due to market driven salary expectations
Mitigations:
 - Interesting, challenging and rewarding work

Subsidiary companies

The charity has four wholly owned subsidiary companies during the year: Colloquium (CaTEW) Limited, CBCEW Events Limited, Catholic Safeguarding Agency Limited (CSSA), and Walsingham Trust which is also a registered charity.

Colloquium (CaTEW) Limited was incorporated on 15 April 2003. Colloquium collects royalties from the sale of publications under the auspices of the Bishops' Conference.

CBCEW Events Limited was incorporated on 23 June 2017. This company has been established to facilitate large scale events on behalf of the Bishops' Conference.

Walsingham Trust was incorporated on 1 November 2018. The assets and operations of the charity were transferred from an unincorporated Trust with the same name (charity number 265755) on 1 January 2019 at which point CaTEW assumed sole membership of the newly formed charitable company, which received a reserve transfer totalling £1,933,950. The primary areas of activity in 2020 were the Shrine, a hostel, a retreat centre, a tearoom, a shop selling religious artefacts, a museum, and the Walsingham Association which supports the work of the Trust.

CIS Limited, a company incorporated on 24 July 2002, is a company limited by share in which the trust has an 80% holding. This company, which is registered with the FCA, acts as a broker for a suite of insurance policies tailored to the needs of the Catholic Church.

The subsidiary companies' results are included in the consolidated financial statements presented with this report.

The CSSA was incorporated on 5th February 2021 as a new company which took responsibility for the work of the trust in respect of safeguarding.

Remuneration policy

The pay of the senior staff is reviewed annually and normally increased with consideration to both the cost of living and average pay reviews within other not for profit organisations. Senior staff salaries are benchmarked with reference to the external market through regular participation in relevant pay surveys. The remuneration bench-mark is 90% of the mid-point of the range paid for similar roles.

Relationships with other Charitable Organisations

At the request of the Bishops' Conference of England and Wales and with the agreement of the Irish Episcopal Conference and the Bishops' Conference of Scotland, CaTEW assumed the corporate trusteeship of the Anscombe Bioethics Centre (previously the Linacre Centre for Healthcare Ethics) (Registered Charity Number 274327) on 27 February 2006.

On behalf of the three Bishops' Conferences mentioned above, the Trust acquired premises for the St Luke's Centre (Registered Charity Number 1111058), a wellness centre for priests and religious, and acts as the landlord for the centre.

As the administrative arm of the Bishops' Conference of England and Wales, the Trust has close links with the Diocesan charities, on which the annual assessments are made. The Trust related to the charities of religious congregations within the Conference of Religious, particularly through its provision of the administrative, legal, human resources and financial management for the Catholic Safeguarding Advisory Service (CSAS) before safeguarding activities were transferred to the CSSA in April 2021.

The Trust also relates closely to those agencies of the Bishops' Conference that exist as independent charities, the main ones being: the Catholic Agency for Overseas Development (CAFOD), Caritas-Social Action Network, the Pontifical Mission Societies (Missio) and Stella Maris. The Trust provides office accommodation for the National Justice and Peace Network, Stella Maris, and the Catholic Medical Association.

TRUSTEES' ANNUAL REPORT

FOR THE YEAR ENDED 31 DECEMBER 2022

STATEMENT OF TRUSTEES' RESPONSIBILITIES

The trustees (who are also directors of CaTEW for the purposes of company law) are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires trustees to prepare financial statements for each financial year which give a true and fair view of the state of the affairs of the charitable company and the group and of the incoming resources and application of resources, including the income and expenditure, of the charitable group for that period. In preparing these financial statements, the trustees are required to:

- Select suitable accounting policies and apply them consistently;
- Observe the methods and principles in the Charities SORP;
- Make judgements and estimates that are reasonable and prudent;
- State whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that this basis applies.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and the group and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In so far as the trustees are aware:

- there is no relevant audit information of which the charitable company's auditor is unaware; and
- the trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditor is aware of that information.

This report, which incorporates the Strategic Report, was Approved by the Board of Trustees on 27 September 2023 and signed on its behalf by:

Mr John Gibbs

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS & TRUSTEES OF CATHOLIC TRUST FOR ENGLAND AND WALES
FOR THE YEAR ENDED 31 DECEMBER 2022

Opinion

We have audited the financial statements of the Catholic Trust for England and Wales for the year ended 31 December 2022 which comprise the Consolidated Statement of Financial Activities, The Group and Charity Balance Sheets, the Consolidated Cash Flow Statement, and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the state of the group and parent charitable company's affairs as at 31 December 2022 and of the group's net movement in funds, including the income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charitable company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

Other information

The trustees are responsible for the other information. The other information comprises the information included in the Trustees' Report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Trustees' Report (which includes the strategic report and the directors' report prepared for the purposes of company law) for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the strategic report and the directors' report included within the Trustees' Report have been prepared in accordance with applicable legal requirements.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS & TRUSTEES OF CATHOLIC TRUST FOR ENGLAND AND WALES

FOR THE YEAR ENDED 31 DECEMBER 2022

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the charitable company and its environment obtained in the course of the audit, we have not identified material misstatements in the Trustees' Report (which incorporates the strategic report and the directors' report).

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept by the parent charitable company, or returns adequate for our audit have not been received from branches not visited by us; or
- the charitable company financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit

Responsibilities of trustees for the financial statements

As explained more fully in the trustees' responsibilities statement set out on page 15, the trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

Based on our understanding of the charitable company and the environment in which it operates, we identified that the principal risks of non-compliance with laws and regulations related to the Companies Act 2006 and the Charities Act 2011 and we considered the extent to which non-compliance might have a material effect on the financial statements. We also considered other factors such as income tax, payroll tax and sales tax.

We evaluated management's incentives and opportunities for fraudulent manipulation of the financial statements (including the risk of override of controls), and concluded that the risk was low. Audit procedures performed by the engagement team included:

- Discussions with management including consideration of known or suspected instances of non-compliance with laws and regulation and fraud;
- Evaluating management's controls designed to prevent and detect irregularities;
- Identifying and testing journals, in particular journal entries posted with unusual account combinations, postings by unusual users or with unusual descriptions; and
- Challenging assumptions and judgements made by management in their critical accounting estimates

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS & TRUSTEES OF CATHOLIC TRUST FOR ENGLAND AND WALES
FOR THE YEAR ENDED 31 DECEMBER 2022

Because of the inherent limitations of an audit, there is a risk that we will not detect all irregularities, including those leading to a material misstatement in the financial statements or non-compliance with regulation. This risk increases the more that compliance with a law or regulation is removed from the events and transactions reflected in the financial statements, as we will be less likely to become aware of instances of non-compliance. The risk is also greater regarding irregularities occurring due to fraud rather than error, as fraud involves intentional concealment, forgery, collusion, omission or misrepresentation.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Use of our report

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charitable company's members those matters we are required to state to them in an Auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and the charitable company's members as a body, for our audit work, for this report, or for the opinions we have formed.

CATHOLIC TRUST FOR ENGLAND AND WALES

STATEMENT OF ACCOUNTING POLICIES

FOR THE YEAR ENDED 31 DECEMBER 2022

The financial statements have been prepared in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102), the Statement of Recommended Practice "Accounting by Charities" SORP 2015 and the Companies Act 2006. The particular accounting policies adopted are described below. The financial statements are prepared under the historical cost convention, as modified to include certain tangible fixed assets at a valuation and fixed asset investments at fair value.

a) Basis of preparation

The financial statements represent the Catholic Trust for England and Wales together with its three trading subsidiary companies (consolidated on a line by line basis) listed in note 14. In accordance with the Companies Act 2006, no separate statement of financial activities has been prepared for the Charity alone.

The Charity meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes.

b) Preparation of accounts on a going concern basis

The trustees consider there are no material uncertainties about the Charity's ability to continue as a going concern. The review of our financial position, reserves levels and future plans gives Trustees confidence that the Charity remains a going concern for the foreseeable future.

c) Legacies, Donations and Grants

Legacies and donations are recognised when receipt is probable; when the Trust becomes legally entitled to them; and they can reasonably be measured in financial terms. Receipts of property, investments or other gifts in kind are included at fair value. Grants are recognised when receivable.

d) Investments and Investment Income

Fixed asset investments, excluding the investment in a trading subsidiary, are included at their fair value. The investment in a subsidiary company is included in the financial statements at cost. Investment income is accounted for as it accrues.

e) Taxation

As a registered charity, the Trust is exempt from income tax, corporation tax and capital gains tax derived from its charitable activities. Recovery of tax deducted at source is credited to the category of income to which it relates.

f) Income and Expenditure

Income is included in the Statement of Financial Activities on the basis of the amounts receivable for the year and expenditure is included on the basis of the amounts payable for work done and services provided in the year.

Charitable expenditure consists of all expenditure directly relating to the objects of the Charity. Certain central costs, which cannot be directly allocated, are apportioned on the basis of the Trustees' estimate of the time spent on the relevant functions.

CATHOLIC TRUST FOR ENGLAND AND WALES

STATEMENT OF ACCOUNTING POLICIES (Continued)

FOR THE YEAR ENDED 31 DECEMBER 2022

f) Income and Expenditure (continued)

Raising funds consists of all expenditure incurred by the Trust to raise funds for its charitable purposes. Certain central costs, which cannot be directly allocated, are apportioned between direct charitable expenditure and governance costs on the basis of the Trustees' estimate of the time spent on the relevant functions.

Supports costs comprise the costs of running the Charity, including strategic planning for its future development, also external audit, any legal advice, and all the costs of complying with constitutional and statutory requirements, such as the costs of Trustees' meetings and of preparing statutory accounts and satisfying public accountability.

g) Tangible fixed assets

Individual fixed assets costing more than £5,000 are capitalised at cost. Depreciation on freehold property is calculated on a straight line basis at a rate of 1% per annum. Depreciation on furniture and equipment is calculated by the straight line method to write off the cost/value less anticipated residual value, over an expected useful life of four years. A full years' depreciation is charged in the year of acquisition and none in the year of disposal.

h) Gains and Losses

Gains/losses on investments are calculated as the difference between opening market value and closing market value after adjusting for additions and disposals during the period. No distinction is made between realised and unrealised gains in the financial statements.

i) Programme related investments

Programme related investments are included in the balance sheet at cost. Any gain or loss arising from disposal or impairment is credited or charged to the statement of financial activities.

j) Stock

Stocks are stated at the lower of cost or net realisable value. Cost represents purchase price, calculated on a first in first out basis.

k) Debtors

Trade and other debtors are recognised at the settlement amount due after any discounts offered. Prepayments are valued at the amount prepaid net of any discounts due. Accrued income and tax recoverable is included at the best estimate of the amounts receivable at the balance sheet date.

l) Creditors

Creditors are recognised where the charity has a present obligation resulting from a past event that will probably result in a transfer of funds to a third party and the amount due for settlement can be measured or estimated reliably. Creditors are normally recognised at their settlement amount after allowing for any trade discount.

m) Fund Accounting

Unrestricted funds comprise accumulated surpluses and deficits on general funds. They are available for use at the discretion of the Trustees in furtherance of the general charitable objectives.

Designated funds are funds set aside by the Trustees for specific purposes (see note 13).

Restricted funds are used for specific purposes as stated by the grantor. Expenditure which meets these criteria is charged to the fund (see note 12).

CATHOLIC TRUST FOR ENGLAND AND WALES

STATEMENT OF ACCOUNTING POLICIES (Continued)

FOR THE YEAR ENDED 31 DECEMBER 2022

n) Employee benefits

Short term benefits

Short term benefits including holiday pay are recognised as an expense in the period in which the service is received.

Employee termination benefits

Termination benefits are accounted for on an accrual basis and in line with FRS 102.

Pension scheme

The charity operates a defined contribution pension scheme for the benefit of its employees. The assets of the scheme are held independently from those of the charity in an independently administered fund. The pensions costs charged in the financial statements represent the contributions payable during the year.

o) Leasing

Rent payable under operating leases is charged to the Statement of Financial Activities over the lease term.

p) Foreign currency translation

Monetary assets and liabilities denominated in foreign currencies are translated into sterling at the rates of exchange ruling at the balance sheet date. Transactions in foreign currencies are recorded at the rate ruling at the date of the transaction. All differences are taken to the statement of financial activities.

q) Critical accounting judgements and key sources of estimation uncertainty

In the application of the accounting policies, Trustees are required to make judgements, estimates, and assumptions about the carrying value of assets and liabilities that are not readily apparent from other sources. The estimates and underlying assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affected current and future periods.

Judgements made by the Trustees, in the application of these accounting policies that have significant effect on the financial statements and estimates with a significant risk of material adjustment in the next year are deemed to be in relation to the depreciation rates of tangible fixed assets and are discussed above.

In the view of the Trustees, no assumptions concerning the future or estimation uncertainty affecting assets or liabilities at the balance sheet date are likely to result in a material adjustment to their carrying amounts in the next financial year.

All fixed assets are used in direct furtherance of the Charity's objects. Included in the above table are assets held by subsidiaries with a net book value of £3,575,436.

The charity has continued to adopt a policy of not revaluing its tangible fixed assets. The book value of freehold properties is based upon book value at the time of transfer from predecessor charities in 2003.

It is likely that there are material differences between the open market values of the charity's freehold properties and their book values. The amount of such differences cannot be ascertained without incurring significant costs, which, in the opinion of the trustees, is not justified in terms of the benefits to the users of the accounts.

7. PROGRAMME RELATED INVESTMENTS (continued)

St Luke's Centre

The St Luke's Centre was purchased in 2006 to provide a Wellness Centre for Priests operated by the St Luke's Institute of Maryland, USA. It is a project to minister to priests and religious women and men who so generously give of themselves to serve others. A full repairing lease for five years at a peppercorn rent has been signed on 27 April 2018.

Venerable English College (VEC) Rome

This investment relates to funds advanced from a constituent charity, The Lisbon Trust Fund, in 1987 and 1993 totalling £428,700, to give financial support to the college. The college is a seminary for the training of priests for the Dioceses of England and Wales. The VEC agreed to begin repayment of these monies at the rate of £10,000 per annum, commencing 1 January 2006. A lump sum repayment of £50,000 was made in 2014. Further lump sum repayments were made as follows: £57,000 in 2015, £10,000 in 2018, £12,000 in 2019, £12,000 in 2020 and £50,000 in 2021. The rate of repayment will be reviewed after 10 years and the loan is interest free.

The Trustees allocate resources from general funds to meet the budget requirements of this priority area for the Bishops' Conference.

In 2002, the Catholic Parliamentary Internship Programme was created to enable graduates to be placed, each year, with Christian MPs at Westminster. The programme includes part time study at St Mary's University, exposure to the work of the Catholic Church at national and international level and regular spiritual guidance. Named after the home of Pope Francis, in which the members stayed, the Group now has members in over 30 countries. Through a series of conferences the Bishops' Conference has brought together the heads of national and international police and law enforcement agencies along with international organisations to look at how they can work with the Church to help victims.
