### **DIRECTORS' REPORT FOR THE YEAR ENDED 31 MARCH 2019**

The directors of Southern Water (NR) Holdings Limited (Registered No. 04772485) present their annual report and audited financial statements for the year ended 31 March 2019.

The directors, in preparing this directors report, have complied with s414C of the Companies Act 2006.

### **PRINCIPAL ACTIVITIES**

The principal activity of the company continued to be that of an intermediate holding company for Southern Water (NR) Limited.

### **REVIEW OF THE BUSINESS, RESULTS AND DIVIDENDS**

The company acted as a holding company during the year.

The company did not trade during the year, and there is no intention for it to trade in the future.

During the year the company received dividends of £nil (2018: £nil) from its investment in Southern Water (NR) Limited and paid dividends of £nil (2018: £nil) to its immediate parent Southern Water Investments Limited. No final dividend has been declared or paid for the year ended 31 March 2019.

The company generated neither a profit or loss during the financial year (2018: £nil).

The company has £nil net assets (2018: £nil) comprising largely of an investment in Southern Water (NR) Limited of £176.0m (2018: £176.0m) offset by amounts owed to group undertakings of £176.1m (2018: £176.1m).

### **PRINCIPAL RISKS AND UNCERTAINTIES**

The principal risk the company is exposed to is the occurrence of events that would result in an impairment to the value of its investment in Southern Water (NR) Limited and the recoverability of its inter company debt. Ultimately this is reliant on cash funds being available at the main trading company within the group, Southern Water Services Limited, to support the group.

The directors are confident that these risks are mitigated by the use of effective risk management policies employed by Southern Water Services Limited. For further details regarding these policies please refer to the strategic report of Southern Water Services Limited.

### **GOING CONCERN**

The directors have received confirmation that its ultimate parent undertaking, Greensands Holdings Limited, intends to support the company for at least one year after these financial statements are signed and accordingly believe that preparing the financial statements on the going concern basis is appropriate.

### **FUTURE DEVELOPMENTS**

The directors expect the general level of activity to remain consistent with 2019 in the forthcoming year, however there maybe wider economic factors, such as the UK's anticipated departure from the European Union, which could affect future company dealings.

### **EVENTS AFTER THE STATEMENT OF FINANCIAL POSITION DATE**

There are no significant events after the statement of financial position date to report.

## **SOUTHERN WATER (NR) HOLDINGS LIMITED**

### **NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2019**

#### **1 Accounting policies**

##### **Basis of preparation**

Southern Water Limited (the Company) is a private company limited by shares incorporated in the United Kingdom under the Companies Act 2006 and is registered in England and Wales. The address of the Company's registered office is shown on page 1 and the principle activities of the company are disclosed in the directors' report on page 3.

The company meets the definition of a qualifying entity under Financial Reporting Standard 100 (FRS 100) issued by the Financial Reporting Council (FRC). Accordingly, these financial statements were prepared in accordance with 'FRS 101 Reduced Disclosure Framework' incorporating the Amendments to FRS 101 issued by the FRC in July 2015 and the amendments to Company law made by The Companies, Partnerships and Groups (Accounts and Reports) Regulations 2015. The principal accounting policies adopted are set out below and have been applied consistently throughout the current and preceding year.

The financial statements have been prepared on a going concern basis under the historical cost convention and are presented in pounds sterling because that is the currency of the primary economic environment in which the Company operates

Historical cost is generally based on the fair value of the consideration given in exchange for the goods and services.

The financial statements contain information about Southern Water (NR) Holdings Limited as an individual company and do not contain consolidated financial information as the parent of subsidiary companies. The company is exempt under Section 400 of the Companies Act 2006 from the requirement to prepare consolidated financial statements as it and its subsidiary undertaking are included by full consolidation in the consolidated financial statements of the ultimate holding company, Greensands Holdings Limited. The group financial statements of Greensands Holdings Limited are available to the public and can be obtained from the Southern Water website or Southern Water's registered office; Southern House, Yeoman Road, Worthing, BN13 3NX.

As permitted by FRS 101, the company has taken advantage of the disclosure exemptions available under that standard in relation to presentation of a statement of cash flows, financial instruments, standards not yet effective and related party transactions. Where required, equivalent disclosures are given in the group financial statements of Greensands Holdings Limited.

##### **Adoption of new and revised accounting and financial reporting standards**

This is the first set of the company's annual financial statements where IFRS 15 'Revenue from Contracts with Customers' and IFRS 9 'Financial Instruments' have been applied.

There was no material impact resulting from the application of these standards.

## **SOUTHERN WATER (NR) HOLDINGS LIMITED**

### **NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2019 (continued)**

#### **1 Accounting policies (continued)**

##### **Going concern**

The directors believe that preparing the financial statements on the going concern basis is appropriate due to the continued financial support of the ultimate parent company Greensands Holdings Limited. The directors have received confirmation that Greensands Holdings Limited intends to support the company for at least one year after these financial statements are signed.

##### **Related party disclosure**

The company has taken advantage of the exemption under FRS 101 paragraph 8(j) from the requirements of IAS 24, 'Related Party Disclosures', on the grounds that it is a wholly owned subsidiary of a group headed by Greensands Holdings Limited, whose financial statements are publicly available from the address in note 13.

##### **Investments**

Investments held as non-current assets are stated at cost, less provision, if appropriate, for any impairment in value other than a temporary impairment in value. The carrying values of non-current asset investments are reviewed for impairment in years if events or changes in circumstances indicate the carrying value may not be recoverable. Interest income is accrued on a daily basis. Dividends and other investment income is accounted for when it becomes receivable.

##### **Financial instruments**

The company has adopted IFRS 9 'Financial Instruments' from 1 April 2018.

IFRS 9 introduces new requirements for 1) the classification and measurement of financial assets and financial liabilities, 2) impairment for financial assets and 3) general hedge accounting. There was no material impact resulting from the application of this standard.

Financial assets and financial liabilities are recognised in the company's statement of financial position when the company becomes a party to the contractual provisions of the instrument.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss (FVTPL)) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at FVTPL are recognised immediately in profit or loss.

**NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2019 (continued)**

**1 Accounting policies (continued)**

**Financial assets**

**(i) Loans and receivables**

Trade receivables, loans, and other receivables that have fixed or determinable payments that are not quoted in an active market are classified as 'loans and receivables'. Loans and receivables are measured at amortised cost using the effective interest method, less any impairment. Interest income is recognised by applying the effective interest rate, except for short-term receivables when the recognition of interest would be immaterial.

**(ii) Impairment of financial assets**

All debt type financial assets which are not measured at FVTPL are assessed for impairment at each reporting date using a forward looking approach by identifying expected credit losses ('ECL's). ECLs are defined as the difference between the contractual cash flows that are due in accordance with the contract and the cash flows that the company expected to receive, discounted at the original effective interest rate.

Based on that analysis at the end of the reporting period, the impairment on the company's assets are considered to be immaterial and no allowance has been recognised in financial statements.

**(iii) Derecognition of financial assets**

The company derecognises a financial asset only when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another entity. On derecognition of a financial asset the difference between the asset's carrying amount and the sum of the consideration received and receivable and the cumulative gain or loss that had been recognised in other comprehensive income and accumulated in equity is recognised in profit or loss.

**Financial liabilities**

**(i) Financial liabilities and equity**

Debt and equity instruments are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangement.

**(ii) Other financial liabilities**

Other financial liabilities, including borrowings, are initially measured at fair value, net of transaction costs. Other financial liabilities are subsequently measured at amortised cost using the effective interest method, with interest expense recognised on an effective yield basis.

The effective interest method is a method of calculating the amortised cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments through the expected life of the financial liability, or, where appropriate, a shorter period, to the net carrying amount on initial recognition.

**(iii) Derecognition of financial liabilities**

The company derecognises financial liabilities when, and only when, the company's obligations are discharged, cancelled or they expire.

## **SOUTHERN WATER (NR) HOLDINGS LIMITED**

### **NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2019 (continued)**

#### **2 Critical accounting judgements and key sources of estimation uncertainty**

In the application of the company's accounting policies, which are described in note 1 above, the directors are required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the year in which the estimate is revised if the revision affects only that year, or in the year of the revision and future years if the revision affects both current and future years.

##### **Critical judgements in applying the company's accounting policies**

The following are the critical judgements that the directors have made in the process of applying the company's accounting policies and that have the most significant effect on the amounts recognised in financial statements.

- (i) **Impairment**  
Impairment is recognised in the income statement when there is evidence that the value of an investment is higher than the recoverable amount. Recoverable amount is the lower of, value in use or net realisable value. An impairment review requires management to make subjective judgements regarding the recoverable amount of the investment under review.

##### **Key sources of estimation uncertainty**

The directors believe that there are currently no key sources of estimation that the company is required to disclose.

#### **3 Employee information**

The company had no employees (2018: None).

The services of the directors are deemed to be wholly attributable to their services to Southern Water Services Limited.

Accordingly no details in respect of the emoluments paid to the directors are included here as they are fully disclosed in the financial statements of Southern Water Services Limited.

#### **4 Result before taxation**

In 2019 and 2018 audit fees of £1,000 in relation to auditing of the financial statements were borne by Southern Water Services Limited and not recharged to the company.

### **INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF SOUTHERN WATER (NR) HOLDINGS LIMITED**

#### **Report on the audit of the financial statements**

##### **Opinion**

In our opinion the financial statements of Southern Water (NR) Holdings Limited (the 'company'):

- give a true and fair view of the state of the company's affairs as at 31 March 2019 and of its result for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice, including Financial Reporting Standard 101 "Reduced Disclosure Framework"; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

We have audited the financial statements which comprise:

- the income statement;
- the statement of financial position;
- the statement of changes in equity; and
- the related notes 1 to 9.

The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 101 "Reduced Disclosure Framework" (United Kingdom Generally Accepted Accounting Practice).

##### **Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report.

We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the Financial Reporting Council's (the 'FRC's') Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

##### **Conclusions relating to going concern**

We are required by ISAs (UK) to report in respect of the following matters where:

- the directors' use of the going concern basis of accounting in preparation of the financial statements is not appropriate; or
- the directors have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

We have nothing to report in respect of these matters.

### **INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF SOUTHERN WATER (NR) HOLDINGS LIMITED (continued)**

#### **Other information**

The directors are responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in respect of these matters.

#### **Responsibilities of directors**

As explained more fully in the directors' responsibilities statement, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

#### **Auditor's responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the FRC's website at: [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of our auditor's report.

#### **Report on other legal and regulatory requirements**

##### **Opinions on other matters prescribed by the Companies Act 2006**

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the strategic report and the directors' report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the strategic report and the directors' report have been prepared in accordance with applicable legal requirements.

In the light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified any material misstatements in the strategic report or the directors' report.
