NOTES TO THE ABBREVIATED ACCOUNTS FOR THE YEAR ENDED 31 DECEMBER 2013

1 Accounting policies

1.1 Accounting convention

The financial statements are prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

1.2 Investments

Fixed asset investments are stated at cost less provision for diminution in value.

1.3 Foreign currency translation

The financial statements have been prepared in Swiss Francs. Monetary assets and liabilities denominated in other currencies are translated into Swiss Francs at the rates of exchange ruling at the balance sheet date. Transactions in foreign currencies are recorded at the rate ruling at the date of the transaction. All differences are taken to the profit and loss account.

1.4 Hedging

Where the company's cost of investments in overseas subsidiary undertakings and participating interests are matched in whole or in part by foreign currency borrowings, the exchange differences arising on the retranslation of such borrowings are recroded as reserve movements and reflected in the statement of total recognised gains and losses to the extent of the exchange difference arising on the retranslation of the costs of the investments.
