### T & K Property Services Limited Notes to the Abbreviated Accounts for the year ended 31 May 2007

#### 1 Accounting policies

The accounts have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective June 2002)

#### Turnover

Turnover represents the invoiced value of goods and services supplied by the company, net of value added tax and trade discounts.

#### Depreciation

Depreciation has been provided at the following rates in order to write off the assets over their estimated useful lives.

Leasehold property

Nil

Fixtures and fittings

20% Reducing balance

#### Stocks

Stock is valued at the lower of cost and net realisable value

#### Deferred taxation

Full provision is made for deferred taxation resulting from timing differences between the recognition of gains and losses in the accounts and their recognition for tax purposes. Deferred taxation is calculated on an un-discounted basis at the tax rates which are expected to apply in the periods when the timing differences will reverse.

#### Foreign currencies

Any transactions in foreign currencies are recorded at the rate ruling at the date of the transaction. Any monetary assets and liabilities denominated in foreign currencies are translated at the rate of exchange ruling at the balance sheet date. All differences are taken to the profit and loss account.

#### Leasing and hire purchase commitments

Assets held under finance leases and hire purchase contracts, which are those where substantially all the risks and rewards of ownership of the asset have passed to the company, are capitalised in the balance sheet and depreciated over their useful lives.

The interest element of the rental obligations is charged to the profit and loss account over the period of the lease and represents a constant proportion of the balance of capital repayments outstanding

Rentals paid under operating leases are charged to income on a straight line basis over the lease term

#### **Pensions**

If the company operates a defined contribution pension scheme, contributions are charged to the profit and loss account as they become payable in accordance with the rules of the scheme.
