#### 1. INTRODUCTION

#### Introduction

This report has been prepared to provide members and creditors with an update on the progress of the Liquidation of the Company since our last report dated 22 July 2019.

Given the information previously provided to members and creditors in our earlier reports, we have not included detailed background information in respect of the Company and have focussed on the progress of the Liquidation subsequent to those reports.

A schedule of statutory information in respect of the Company is attached at Appendix 1.

#### Details of the appointment of the Joint Liquidators

Chris Newell and Frank Wessely of Quantuma LLP were appointed Joint Liquidators of the Company on 2 June 2017.

The Joint Liquidators confirm that they are authorised to carry out all functions, duties and powers by either one or both of them...

#### 2. THE PROGRESS OF THE LIQUIDATION

#### The Joint Liquidators' receipts and payments account

Attached at Appendix 2 is a receipts and payments account covering the Review Period together with a summary of the transactions in the previous Review Periods.

The rest of this report describes the key developments in the Liquidation over the Review Period.

We have summarised the main asset realisations during the Review Period and an estimation of the those assets yet to be realised, together with details of costs incurred but as yet remaining unpaid.

#### **VAT Basis**

Receipts and payments are shown net of VAT, with any amount due from HM Revenue and Customs shown separately. A small VAT reclaim is in progress.

#### Administrative, Statutory & Regulatory Tasks

The Joint Liquidators have met a considerable number of statutory and regulatory obligations. Whilst many of these tasks have not had a direct benefit in enhancing realisations for the insolvent estate, they have assisted in the efficient and compliant progressing of the Liquidation, which has ensured that the Joint Liquidators and their staff have carried out their work to high professional standards.

During the Review Period, primarily these tasks have included:

- Drafting and issuing the progress report to creditors;
- Consulting with and instructing staff and independent advisers as regards practical, technical and legal aspects of the case to ensure efficient progress;
- Maintaining electronic case files, which must include records to show and explain the Liquidation and any decisions made by the Joint Liquidators that materially affect the Liquidation;
- Monitoring and maintaining an adequate statutory bond;
- Conducting periodic case reviews to ensure that the Liquidation is progressing efficiently, effectively and in line with the statutory requirements;

- Maintaining and updating the estate cash book and bank accounts, including regular bank reconciliations and processing receipts and payments; and
- Completing periodic tax returns.

#### Realisation of assets

Since the Review Period, the total of £51,840 attributed to Goodwill has been reallocated to Work In Progress to accurately reflect the nature of this realisation.

We would refer creditors to our previous reports with respect to asset realisations.

#### Estimated future realisations

There are no further assets to be realised.

#### **Payments**

The payments made are listed in the receipts and payments account attached at Appendix II and are self-explanatory.

#### Costs incurred but remaining unpaid

During the Review Period, the Joint Liquidators have incurred time costs and category 2 disbursements, not all of which have yet been discharged. Further details of these costs are set out below.

#### 3. CREDITORS: CLAIMS AND DISTRIBUTIONS

#### Secured creditors

As previously reported, The Company granted a first ranking fixed and floating charge to Barclays Bank PLC ("Barclays") on 21 July 2008.

The Company granted a second ranking fixed and floating charge to Barclays on 10 January 2013.

The directors have advised that there are no sums are due in respect of the two charges.

#### **Preferential creditors**

The preferential creditors' claims as per the director's Statement of Affairs amounted to £2,644 and were in respect of 3 employees for wage arrears and holiday pay.

We have received preferential claims of £2,538 to date.

It is unlikely a dividend will be payable to preferential creditors.

#### Prescribed Part

Under Section 176A of the Insolvency Act 1986, where after 15 September 2003 a company has granted to a creditor a floating charge, a proportion of the net property of the company must be made available purely for the unsecured creditors. This equates to:

- 50% of net property up to £10,000;
- Plus, 20% of net property in excess of £10,000.
- Subject to a maximum of £600,000.

As there are no sums due to Barclays under their floating charge the prescribed part provisions will not apply.

#### **Unsecured creditors**

Unsecured claims were estimated at £321,171 in the director's estimated Statement of Affairs and to date, 5 claims have been received totalling £276,357.

Based on current information, it is unlikely there will be sufficient asset realisations to make a dividend to unsecured creditors.

#### **Tax Matters**

The Company historically entered into an Employer Financial Retirement Benefits Scheme ("EFRBS"). As a result of this scheme and the historic tax planning undertaken by the Company, HMRC advised the Company that they have determined that the EFRBS was effectively a tax avoidance scheme, that contributions made into the scheme are employment income and subsequently issued an Accelerated Payments Notice ("APN"). The director has requested our assistance in seeking settlement with HMRC to settle under specific terms. During the Review Period, there was a pause in the settlement process following HMRC undertaking a loan charge review. This has subsequently been completed and settlement negotiations are now ongoing.

#### Claims process

Even though it is anticipated that no dividend will be available to unsecured creditors, should this position change you are requested to submit claims to the address on the front of this report, marked for the attention of Maryam Khan.

A Proof of Debt form is attached at Appendix 5

#### 4. OTHER MATTERS AND INFORMATION TO ASSIST CREDITORS

#### **EU Regulations (Whether Proceedings Are Main Proceedings or Territorial)**

The Company's centre of main interest was in the UK as their registered office and trading address Suite 2 19/21 Market House, Market Place, Wokingham, RG40 1PA and therefore it is considered that the EU Regulations apply. These proceedings are main proceedings as defined in the EU Regulation.

#### 5. THE JOINT LIQUIDATORS' REMUNERATION AND EXPENSES

A copy of 'A Creditors Guide to Liquidators' Fees' effective from 6 April 2017 together with the firm's current schedule of charge-out rates and chargeable disbursements may be found at <a href="https://www.quantuma.com/quide/creditors-quide-fees/">https://www.quantuma.com/quide/creditors-quide-fees/</a>.

A hard copy of both the Creditors' Guide and the firm's charge-out rate and disbursement policy may be obtained on request at no cost.

#### **Pre-Appointment Costs**

A fixed fee of £5,000 plus VAT was agreed and paid by the director prior to the winding-up resolution.

#### Joint Liquidators' Remuneration

The basis of the Joint Liquidators' fees was fixed and approved by creditors on 20 July 2017 by the vote by correspondence process.

1. That the basis of the Joint Liquidators' fees be fixed by reference to the time properly given by the Joint Liquidators and their staff in attending to matters as set out in the fees estimate, such time to be charged at the prevailing standard hourly charge out rates used by Quantuma LLP at the time when the work is performed (plus VAT).

Further fees in excess of the fees estimate, in the sum of £24,165, were approved by reason of postal resolutions considered and approved by creditors 17 August 2018.

In accordance with this resolution, fees totalling £16,900 plus VAT have been drawn.

We believe this case generally to be of average complexity and no extraordinary responsibility has to date fallen upon us as Joint Liquidators.

#### Comparison of estimates

The Joint Liquidators' time costs incurred to date (whether or not they have been charged to the Liquidation estate) are compared with the adjusted fees estimate and the actual time costs incurred to date.

For a detailed schedule of work undertaken by the Joint Liquidators during the Review Period and the whole period of the Liquidation, see Appendix 3. A detailed narrative list of the work undertaken during the Review Period is provided at Appendix 4.

The expenses incurred to date are compared with the original expenses estimate as follows:

Stationery	60.00	0.00	18.50	
Photocopying	50.00	0.00	34.20	
TOTAL	110.00	0.00	52.70	

The bases on which the expenses defined as Category 2 disbursements are calculated are explained in Quantuma LLP's current schedule of charge-out rates and chargeable disbursements referred to above. Creditors approved the payment of Category 2 disbursements on these bases on 20 July 2017.

Having regard for the costs that have already been incurred, the Joint Liquidators determine that:

- the fees estimate has been exceeded; and
- the expenses estimate has been exceeded.

The main reason why the fees estimate has been exceeded is it that the administration and planning work on this case, dealing with the HM Revenue & Customs, and Company's affairs generally incurred a considerable amount of time that was not anticipated. Further time will also be incurred to close the liquidation.

However, given the limited realisations anticipated in this case, the Joint Liquidators do not propose to draw fees in excess of the fees estimate at present.

#### Other professional costs

#### **Pension Advisors**

Clumber Consulting Limited were instructed to deal with and finalise matters regarding the Company's pension scheme. Their costs have been agreed as a fixed fee of £725 plus VAT. This sum has been paid in full.

#### **Agents & Valuers**

Richard Birch & Company ("RBC") were instructed as agents and valuers in relation to value the Company's assets. Their costs have been agreed on a fixed basis of £750 and their standard sales commission rate of 10%, plus disbursements and VAT. RBC's costs have yet to be paid.

#### Commission

The commission payments in the sum of £38,880 represent the agreed commission at 75% to Eric Francis, the director of the Company, and Ms N Baker for collecting the work in progress as detailed in work in progress as detailed in section 2 of this report.

#### Accountants

Windsor Accountancy were instructed to deal with tax matters and to assist with the settlement with HMRC. Their costs have been agreed as a fixed fee of £300 plus VAT. Their costs were incurred during the previous Review Period but were paid in full during this Review Period.

All professional costs are reviewed and analysed before payment is approved.

#### Creditors' right to request information

Any secured creditor, or unsecured creditor with the support of at least 5% in value of the unsecured creditors or with permission of the Court, may request in writing the Joint Liquidators to provide additional information regarding remuneration or expenses to that already supplied within this report. Such requests must be made within 21 days of receipt of this report.

#### Creditors' right to challenge remuneration and/or expenses

Any secured creditor, or unsecured creditor with the support of at least 10% in value of the unsecured creditors or with permission of the Court, may apply to the Court for one or more orders, reducing the amount or the basis of remuneration which the Joint Liquidators are entitled to charge or otherwise challenging some or all of the expenses incurred.

Such applications must be made within 8 weeks of receipt by the applicant(s) of the progress report detailing the remuneration and/or expenses being complained of.

Please note that such challenges may not disturb remuneration or expenses disclosed in prior progress reports.

#### **Future of the Liquidation**

Once negotiations with HM Revenue & Customs to settle the liability due under the APN have been finalised, the Joint Liquidators will seek their release from office by issuing their final account to members and creditors.

Should you have any queries in regard to any of the above please do not hesitate to contact Maryam Khan on 01628 478 100 or by e-mail at Maryam.Khan@quantuma.com.
