Pursuant to clause 37.4(b) of the Facilities Agreement, the Subsidiary appoints GMG Newco 1 to act as its agent in order to, inter alia, agree and sign all documents under or in connection with the Finance Documents (as defined in the Facilities Agreement which includes the Facilities Agreement, the Senior Security and the Priority Agreement) without further reference to the Subsidiary, including any amendments to the terms of the guarantee and indemnity contained in the Facilities Agreement. Pursuant to clause 19 (*Guarantee and Indemnity*) of the Facilities Agreement the Subsidiary will (i) jointly and severally guarantee to each of the Finance Parties the due and punctual performance by each Obligor (as defined in the Facilities Agreement) all of its obligations under the Finance Documents (as defined in the Facilities Agreement), (ii) undertake that it will immediately on demand pay any amounts which are due but remain unpaid by an Obligor (as defined in the Facilities Agreement), and (iii) indemnify each Finance Party immediately upon demand against loss or liability suffered by that Finance Party as a result of any payment obligation guaranteed by the Subsidiary becoming unenforceable, invalid or illegal.
2. Pursuant to the Facilities Agreement, a mechanism is in place whereby if a demand is made under the Vendor Note Instruments (as defined in the Facilities Agreement), such demand is met by the automatic mechanism in place pursuant to clause 5.4 (*Refinancing of Vendor Guarantees*) of the Facilities Agreement which results in the Company drawing down such amount equal to the amount of the Vendor Note Demand (as defined in the Facilities Agreement) under the A2 Term Loan, in respect of the Old Vendor Note Instruments, or A3 Term Loan, in respect of the New Vendor Note Instruments, (both terms as defined in the Facilities Agreement) and such amount being lent on to Corporation or GMG Newco 2 respectively so that the relevant notes can be repaid. Pursuant to clause 7.5 (*Indemnities*) of the Facilities Agreement, the Company further indemnifies the Issuing Bank (as defined in the Facilities Agreement) under the terms of the Facilities Agreement for any loss or liability incurred by the Issuing Bank (as defined in the Facilities Agreement) in connection with the guarantee issued by the Issuing Bank (as defined in the Facilities Agreement) in respect of the Vendor Note Instruments.
3. Pursuant to the Senior Security (and as a result of its accession thereto), the Subsidiary will covenant with the Security Agent that it will pay or discharge the Secured Liabilities on the due date therefor in the manner provided in the relevant Finance Document (as defined in the Facilities Agreement). Any amount not paid when due shall bear interest (as well after as before judgment and payable on demand) at the Default Rate (as defined in the Senior Security) from time to time from the due date until the date such amount is unconditionally and irrevocably paid and discharged in full, save to the extent that interest on such amount for such period is charged pursuant to the relevant Finance Document (as defined in the Facilities Agreement) and itself constitutes a Secured Liability. The Subsidiary will secure its obligations under the Senior Security by way of first fixed and floating charges over all its undertaking, property and assets present and future. Pursuant to the terms of the Senior Security, the Subsidiary will with full title guarantee, as continuing security for the payment, discharge and performance of the Secured Liabilities, assign and agree to assign to the Security Agent all its right, title and interest (if any) in

and to the Insurances, the Acquisition Documents, the Hedging Documents, the TNT Transaction Documents, the Intra-Group Loan Agreements and the Investor Documents. The Subsidiary also agrees that it shall, at its own expense, execute and do all such assurances, acts and things as the Security Agent may reasonably require (including, in the case of execution of any documents governed by foreign law, having regard to the cost of such actions) for perfecting or protecting the security intended to be created by the Senior Security over the Security Assets or any part thereof or for facilitating (if and when the security becomes enforceable) the realisation of the Security Assets or any part thereof and the exercise of all powers, authorities and discretions vested in the Security Agent or any Receiver of the Security Assets or any part thereof or in any such delegate or sub-delegate as aforesaid. To that intent, the Subsidiary shall, in particular, execute all transfers, conveyances, assignments and assurances of such property whether to the Security Agent or its nominees and give all notices, orders and directions and make all registrations which the Security Agent may reasonably think expedient. The Subsidiary will forthwith at the request of the Security Agent execute a legal mortgage, general charge or assignment over all or any of the Security Assets subject to or intended to be subject to any fixed security hereby created in favour of the Security Agent in such form as the Security Agent may require but containing terms no more onerous than those in the Senior Security. Each defined term in this paragraph, unless otherwise stated in these schedules, shall have the meaning given to it in the Senior Security.

4. Pursuant to the Priority Agreement, the Subsidiary will acknowledge the arrangements made between the Finance Parties and the Investors (as defined in the Priority Agreement) which regulate, inter alia, the ability of the Subsidiary to make certain payments to certain of the Secured Creditors and Investors (both terms as defined in the Priority Agreement). In addition, the Subsidiary will give certain undertakings in relation to debt owed by the Subsidiary to other members of the Group (as defined in the Facilities Agreement) and debt owed to the Subsidiary by other members of the Group (as defined in the Facilities Agreement) in order to subordinate the rights in relation to such debt to the rights of the Secured Creditors (as defined in the Priority Agreement) in relation to the Secured Liabilities. Under the terms of the Priority Agreement, the Subsidiary will also give a guarantee of the Hedging Debt owed to any Hedging Bank by any other Obligor (as defined in the Priority Agreement).
5. Pursuant to the TPL/Target Loan Agreement, the Subsidiary undertakes to the Target that it will provide to the Target a loan in a maximum aggregate amount of £6,899,953. Sums drawn down by the Target under the TPL/Target Loan Agreement may be used (inter alia) to assist funding the Current Acquisitions. Outstandings under the TPL/Target Loan Agreement will, subject to the Priority Agreement, be repayable on the Subsidiary's demand with no interest payable on the loan.
6. Pursuant to the Intra Group Loan Agreement, the Subsidiary undertakes to the Company and GMG Newco 2 that it will provide to the Company and GMG Newco 2 a loan facility in a maximum aggregate principal amount of £514,900,000. Sums drawn down by the Company under the Intra Group Loan Agreement may be used (inter alia) to make payments due under the Facilities Agreement. Sums drawn down by GMG Newco 2 under the Intra Group Loan Agreement may be used (inter alia) to make payments due under the New Vendor Loan Notes (as defined in the Facilities Agreement). No interest is payable on outstandings under the loan.
7. Pursuant to the Deed of Pledge, the Subsidiary will covenant with the Security Agent that it will pay or discharge the Secured Liabilities on the due date therefore in the manner provided in the relevant Finance Document. The Subsidiary will, as continuing security for the payment, discharge and performance of the Secured Liabilities, pledge and charge to and in favour of the Security Agent, the Existing Shares and any Related Rights to

which it is entitled and will irrevocably and unconditionally bind and oblige itself to pledge and charge to and in favour of the Security Agent any Further Shares and any Related Rights to which it becomes entitled (each term as defined in the Deed of Pledge). The Subsidiary also agrees that it shall execute and do all such assurances, acts and things as the Security Agent may reasonably require for perfecting or protecting the security intended to be created by the Deed of Pledge over the Secured Assets or for facilitating (if and when the security becomes enforceable) the realisation of the Secured Assets and the exercise of all powers, authorities and discretions conferred on the Security Agent. To that intent, the Subsidiary shall, execute all assignments and transfers (in favour of the Security Agent or to such nominee as it shall direct) of the Secured Assets which came into existence after the Subsidiary enters into the Deed of Pledge and give all notices, orders and directions which the Security Agent acting reasonably may think expedient. Each defined term in this paragraph, unless otherwise stated in these schedules, shall have the meaning given to it in the Deed of Pledge.
