Outright Distribution Limited

Directors' Report for the Year Ended 30 June 2018

The directors present their annual report on the affairs of Outright Distribution Limited ("the company") together with the financial statements for the year ended 30 June 2018.

Results and dividends

The result for the year after taxation amounted to £nil (18-month period ended 30 June 2017 - profit after taxation of £137,000).

No dividends were paid during the year (18-month period ended 30 June 2017 - £969,000).

Ownership change

On 14 June 2018, AT&T Inc. acquired the previous ultimate parent undertaking Time Warner Inc. and became the ultimate parent undertaking.

Principal activity

The company has not traded during the current period. The principal activity of the company during the prior period was to administer and manage legacy distribution contracts in relation to the distribution of the Warner Bros. Television Production UK Limited television programmes. Operations within the company discontinued within the year following the transfer of trade and assets.

On 31 July 2017 the company transferred its trade and assets to its indirect parent company Warner Bros. International Television Production Limited. The company had changed its accounting period from 31 December 2016 to 30 June 2017 to capture the final period of activity before the company sold its trade and assets. Therefore a 12-month period of accounts is reported in the current year compared to 18 months in the prior period.

Going concern

The company's directors have considered the transfer of trade and assets referred above, and the fact that there is no intention to wind up the company in the foreseeable future. On the basis of their assessment of the company's financial position, the company's directors have a reasonable expectation that the company will be able to continue in existence for the foreseeable future. Thus they continue to adopt the going concern basis of accounting in the preparing the annual financial statements.

Directors of the company

Except as noted below, the following were directors of the company who served throughout the year and were still directors at the date of this report:

W A Ogilvie

R Goes (appointed 2 August 2017)

C E Hungate (resigned 18 July 2017)

P Campbell-White (resigned 29 September 2017)

The Articles of Association do not require directors to retire either by rotation or in the year of appointment.

Directors qualifying third party indemnity provisions

The company may indemnify one or more directors of the company against liability in respect of proceedings brought by third parties, subject to the conditions set out in the Companies Act 2006 and the company may purchase insurance for this purpose. AT&T Inc. has purchased a directors and officers liability insurance policy for the benefit of the company and its directors and such policy was in force during the year and is in force as at the date of approving the Directors' Report.

Auditor

Pursuant to section 487 of the Companies Act 2006, the auditor will be deemed to be reappointed and Ernst & Young LLP will continue in office.

Small companies' exemption

In preparing these financial statements, the directors are required to:

- select suitable accounting policies and apply them consistently; and
- make judgements and estimates that are reasonable and prudent.

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the directors' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the directors have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Other information

The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. The directors are responsible for the other information.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

In the light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified material misstatements in the Directors' Report.

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the directors were not entitled to prepare the financial statements in accordance with the small companies regime and take advantage of the small companies exemptions in preparing the directors' report and from the requirement to prepare a strategic report.

Responsibilities of directors

As explained more fully in the directors' responsibilities statement set out on page 4, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

Independent Auditor's Report to the Members of Outright Distribution Limited (continued)

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at <https://www.frc.org.uk/auditorsresponsibilities>. This description forms part of our auditor's report.

Use of our report

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Outright Distribution Limited

Notes to the Financial Statements for the Year Ended 30 June 2018

1 Accounting policies

a) Statement of compliance

Outright Distribution Limited is a limited liability company incorporated in England. The Registered Office is 98 Theobald's Road, London, WC1X 8WB.

The company's financial statements have been prepared in compliance with FRS 102 as it applies to the financial statements of the company for the year ended 30 June 2018.

b) Basis of preparation

The financial statements have been prepared under the historical cost convention and in accordance with the Companies Act 2006 and with applicable United Kingdom accounting standards.

The financial statements are prepared in sterling which is the functional currency of the company and rounded to the nearest £'000.

On 31 July 2017 the company transferred its trade and assets to its indirect parent company Warner Bros. International Television Production Limited. The company had changed its accounting period from 31 December 2016 to 30 June 2017 to capture the final period of activity before the company sold its trade and assets. Therefore a 12-month period of accounts is reported in the current year compared to 18 months in the prior period.

Going concern

The company's directors have considered the transfer of trade and assets (referred to above), and the fact that there is no intention to wind up the company in the foreseeable future. On the basis of their assessment of the company's financial position, the company's directors have a reasonable expectation that the company will be able to continue in existence for the foreseeable future. Thus they continue to adopt the going concern basis of accounting in preparing the annual financial statements.

Statement of cash flows

The company has taken advantage of the exemption in FRS 102.1.12(b) Reduced disclosures for subsidiaries. A statement of cashflows has not been prepared as the company is a member of a group where the parent, Warner Media, LLC (formerly Time Warner Inc.), prepares publicly available consolidated financial statements and the company is included in the consolidation (see note 8).

Related parties

The company has taken advantage of the exemption in FRS 102.1.12(e) Reduced disclosures for subsidiaries. Key management remuneration has not been disclosed as the company is a member of a group where the parent, Warner Media, LLC (formerly Time Warner Inc.), prepares publicly available consolidated financial statements and the company is included in the consolidation (see note 8).

The company has taken advantage of the exemption in FRS 102.33.1A not to disclose related party transactions with fellow wholly-owned subsidiary undertakings of Warner Media, LLC (formerly Time Warner Inc.), which prepares publicly available consolidated financial statements (see note 8).

Outright Distribution Limited

Notes to the Financial Statements for the Year Ended 30 June 2018 (continued)

1 Accounting policies (continued)

c) Judgements and key sources of estimation uncertainty

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported for assets and liabilities as at the statement of financial position date and the amounts reported for revenues and expenses during the year. However, the nature of estimation means that actual outcomes could differ from those estimates. The following judgements (apart from those involving estimates) have had the most significant effect on amounts recognised in the financial statements.

Taxation

The company recognises liabilities for anticipated uncertain corporation tax positions based on reasonable estimates of whether additional taxes will be due and the timing of those additional taxes. Further details are contained in note 5.

Management estimation is required to determine the amount of deferred tax assets that can be recognised, based upon likely timing and level of future taxable profits.

d) Significant accounting policies

Turnover

Turnover recognised in the income statement represents the value of the license fees including withholding tax but excluding Value Added Tax.

Income is recognised when:

- The agreement is contracted
- The arrangement is fixed and determinable
- For finished programme sales when the programme is delivered

Deferred taxation

Deferred tax is recognised without discounting in respect of all timing differences which are differences between taxable profits and total comprehensive income that arise from the inclusion of income and expenses in tax assessments in periods different from those in which they are recognised in the financial statements. Deferred tax assets are only recognised to the extent that they are considered recoverable against future taxable profits.

2 Turnover

An analysis of turnover by geographical market is given below:

	Year ended 30 June 2018 £'000	Year ended 30 June 2018 %	18 months ended 30 June 2017 £'000	18 months ended 30 June 2017 %
United States of America	-	0%	2	100%
Total	-	0%	2	100%

Outright Distribution Limited

Notes to the Financial Statements for the Year Ended 30 June 2018 (continued)

3 Profit on ordinary activities before taxation

This is stated after charging/(crediting):

	Year ended 30 June 2018 £ 000	18 months ended 30 June 2017 £ 000
Foreign exchange gain	-	(135)

The company had no employees in the current year or prior period.

Audit fees for the current year and prior period were borne by a fellow group undertaking.

4 Directors' remuneration

The directors of the company are also directors of, and are paid by, other companies in the group in the current and prior year. They have minimal qualifying services to the company and receive no remuneration in respect of the company.

5. Taxation

a) There is no tax on the results for the current year or prior period.

b) Factors affecting the total tax charge:

The standard rate of current tax for the year, based on the UK standard rate of corporation tax is 19% (18 months ended 30 June 2017 - 19.83%).

The tax charge for the year differs from the standard rate for the reasons in the reconciliation below:

	Year ended 30 June 2018 £ 000	18 months ended 30 June 2017 £ 000
Profit on ordinary activities before taxation	-	137
Taxation on profit on ordinary activities at standard rate	-	27
Factors affecting the tax charge:

Total tax (see note 5(a) above)	-	-

Outright Distribution Limited

Notes to the Financial Statements for the Year Ended 30 June 2018 (continued)

5 Taxation (continued)

c) Factors affecting future tax charges

The Finance Act 2016 included legislation to reduce the main rate of corporation tax from 19% to 17% from 1 April 2020. It is not yet possible to quantify the impact of this rate change upon current tax.

8 Ultimate parent undertaking

The company's immediate parent undertaking is Shed Media Limited.

During the prior period, and until 14 June 2018, Time Warner Inc., a company incorporated in the United States of America, was the ultimate parent undertaking and the parent undertaking of the smallest and largest group of undertakings of which the company is a member and for which group financial statements are drawn up.

On 14 June 2018, AT&T Inc., a company incorporated in the United States of America, acquired Time Warner Inc., which was renamed Warner Media, LLC, in a merger transaction that resulted in Warner Media, LLC becoming a direct subsidiary of AT&T Inc., and AT&T Inc. became the ultimate parent undertaking.
