#### Statement of directors' responsibilities in respect of the directors' report and the financial statements

The directors are responsible for preparing the directors' report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with UK Accounting Standards.

The financial statements are required by law to give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that year.

In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that its financial statements comply with the Companies Act 1985. They have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the company and to prevent and detect fraud and other irregularities.

Under applicable law the directors are also responsible for preparing a directors' report that complies with that law.

By order of the board

T Philip Director 26 August 2009

The company has not traded throughout the year and therefore qualifies as a dormant company.

The company was entitled to exemption under section 249AA of the Companies Act 1985.

Members have not required the company to obtain an audit of its financial statements for the year in question in accordance with section 249B (2) of the Companies Act 1985.

The directors acknowledge their responsibilities for:

- ensuring that the company keeps accounting records which comply with section 221 of the Companies Act 1985;
- preparing financial statements which give a true and fair view of the state of affairs of the company as at the end of the financial year and of its profit or loss for the financial year in accordance with the requirements of section 226, and which otherwise comply with the requirements of the Companies Act 1985 relating to financial statements, so far as applicable to the company.

These financial statements were approved by the board of directors on 26 August 2009 and were signed on its behalf

#### **Notes**

(forming part of the financial statements)

#### 1 Accounting policies

#### **Basis of preparation**

The financial statements have been prepared in accordance with applicable Accounting Standards in the United Kingdom, and under historical cost accounting rules.

#### **Basis of reporting**

Under FRS 1 the company is exempt from the requirement to prepare a cash flow statement on the grounds that a parent undertaking includes the company in its own published consolidated financial statements.

As the company is a wholly owned subsidiary of Towergate Partnership Limited, the company has taken advantage of the exemption contained in FRS 8 and has therefore not disclosed transactions or balances with entities which form part of the group (or investees of the group qualifying as related parties).

#### **Taxation**

Deferred tax is recognised, without discounting, in respect of all material timing differences between the treatment of certain items for taxation and accounting purposes which have arisen but not reversed by the balance sheet date, except as otherwise required by FRS 19.

#### 2 Remuneration of directors

The emoluments of Messrs Cullum, Homer, Maciver and Philip are or were paid by Towergate Partnership Limited, which makes no recharge to the company. All the directors are or were directors of the ultimate parent company and / or a number of fellow subsidiaries and it is not possible to make an accurate apportionment of their emoluments in respect of each of these companies. Their total emoluments are included in the financial statements of the ultimate parent company. Accordingly, the above details include no emoluments in respect of the above named directors.
