Objectives and activities

The charity's objectives

The principal objectives of the charity are:

- The ongoing provision of centres and facilities offering information, advice and support to the inhabitants of Great Yarmouth who are in need of such facilities by reason of their youth, age, infirmity or disability, financial hardship or social circumstances.
- To combat deprivation and disadvantage in the East of England through encouraging enterprising activity in schools and the wider communities. To work with schools, educational establishments and various communities to promote STEM activity and employer engagement.
- To preserve, repair and maintain for the benefit of the general public buildings which are of historic significance.
- To promote such other general charitable purpose for the benefit of the inhabitants of the East of England as the trustees shall from time to time determine.

Public benefit

The trustees have taken due regard to the guidance published by the Charities Commission.

The Bridge Trust is committed to improving the health and economic wellbeing of the Cobholm and Lichfield and South Yarmouth communities, through the existing health and resource centres. This includes the provision of wrap-around childcare services, facilities for teenagers with challenging circumstances.

The Trust is also dedicated to combat deprivation and disadvantage through encouraging enterprising activity in schools and the wider community throughout the East of England. This is achieved by working with educational establishments, communities and business to deliver employer engagement and work-related learning to young people. This includes work and specialised placements, self-employment awareness, enterprise activities and STEM related programmes.

The Trust's underlying aim is to provide a sustainable resource to improve the education and well-being of the communities the charity serves, and contribute to the economic regeneration.

Achievements and performance

In a turbulent climate for charitable activities the trustees have acted to ensure that the charity is on a sound financial footing and with the necessary resources to continue its works in years to come. Over the course of the year we have sub-contracted out all day to day activities of the charity to minimise the overhead costs and reduce any ongoing liabilities. The charity is now running on a cash positive position with long term contracts in place for the management of its assets which result in a surplus to the charity as well as delivery of services to a high level.

During the year the Bridge Trust agreed to take over another charity (East London Small Business Centre Charity) with similar aims and objectives. The efforts of the Trustees to complete the merger was eventually thwarted through the lack of evidence provided by the ELSBC Trustees regarding the assets and liabilities of the charity. The Trustees therefore took the decision to demerge from ELSBC to avoid any compromise to the financial viability and compliance of the Bridge Trust.

Financial review

During the year the Charity has continued to reduce the annual deficit in trading income. The financial position has continued to improve and remains stable and the charity is well placed to continue to provide vital services in some of the most deprived areas in the country.

Reserves and investments policy

Reserves will be held and used for the benefit of the clients supported by the Trust. The majority of assets are in the form of two buildings which will be maintained to ensure that they remain suitable for the purposes intended.

At the year end the charity had no free reserves as unrestricted current liabilities exceeded unrestricted current assets by £72,418 (2017: £83,218).

At the year end the charity also had restricted income funds of £302,414 (2017: £305,489) which relate to the properties gifted on incorporation and funds received on sale of an element of the property, together with the net book value of assets purchased with restricted funds on which a restriction still exists.

Going concern

The charity continues to be a going concern due to income from activities and the rental agreements in place with Nwes Property Services.

Plans for future periods

The Bridge Trust will continue to provide its prime services through the health and resource centres at Cobholm and Lichfield and St James, Great Yarmouth. These centres will concentrate on wrap around childcare services and addressing deprivation through education and encouraging enterprise.

Additionally, The Trust will expand its activities in supporting children and young adults in the assimilation and integration of STEM subjects and related activities through the creation of a virtual STEM Hub. This work will include collaboration with schools, colleges, communities, other charities and in local businesses and industry.

Structure, governance and management

Governing document

The Charity is a company limited by guarantee and is governed by its Memorandum and Articles of Association. The company was incorporated on 25 July 2003 (registration number 04846571), was granted charitable status on 24 August 2005 and is registered with the Charities Commission (registration number 1111009).

Recruitment and appointment of trustees

The trustees are nominated for election because of their skills, expertise and knowledge they can bring to guiding the charity to fulfil its objectives.

The charity is administered by a board comprising not less than three trustees. If the number of trustees reduces to less than three, the remaining trustees act only for the purpose of appointing a new trustee or trustees.

The trustees who held office as at the date the accounts were approved are listed on page 1.

Structure, governance and management *(continued)*

Trustees' induction and training

On appointment trustees are provided with:

- The charity's governing Memorandum and Articles of Association
- The latest accounts of the charity
- Details of the Charity Commission guidance notes CC3 – 'The Essential Trustee – what you need to know, what you need to do'.

In addition, trustees are encouraged to read Charity Commission and other newsletters and to attend courses designed to keep them abreast of their duties and responsibilities.

Organisational structure

The management and operations of the charity are conducted by the Trustees and the Company Secretary. The Bridge Trust currently has no direct employees. Additional external staff, sub-contractors and suppliers are from time to time used for the direct delivery of services. In all cases, this is subject to approval of the Trustees to deem it to be both necessary and appropriate for the delivery of the specific services and to comply with the aims and objectives of the Bridge Trust.

Governance and internal control

The charity is governed by the trustees. Full trustees' meetings take place every 3 months.

Risk management

The trustees are aware of the recommendations of the Charity Commission that the major risks to which the charity is exposed should be reviewed and systems established to mitigate those risks. The Trust has a full portfolio of company procedures that includes the policy of assessing two risks at each trustee meeting; these risks are then continually monitored and assessed and revisited on an annual basis.

Independent Examiner

Independent examiner's report to the trustees of Bridge Trust of Great Yarmouth Limited

Year ended 31 March 2018

I report to the trustees on my examination of the accounts of Bridge Trust of Great Yarmouth Limited for the year ended 31 March 2018 which are set out on pages 6 to 16.

Respective responsibilities of trustees and examiner

As the charity's trustees of Bridge Trust of Great Yarmouth Limited (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ("the 2006 Act").

Having satisfied myself that the accounts of Bridge Trust of Great Yarmouth Limited are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2001 ("the 2011 Act"). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination which gives me cause to believe that in any material respect:

- accounting records were not kept in respect of the company as required by section 386 of the Companies Act 2006;
- the accounts do not accord with those records;
- the accounts do not comply with the accounting requirements of section 396 of the Companies Act 2006 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination; or
- the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102)).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Notes to the financial statements

Year ended 31 March 2018

1. General information

The charity is a private company limited by guarantee, registered in England and Wales and a registered charity in England and Wales. The address of the registered office is Waters Edge, Hethersett Road, East Carleton, Norwich, NR14 8HX.

2. Statement of compliance

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to the charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)), Companies Act 2006 and the Charities Act 2011. The charity has applied Update Bulletin 1 as published on 2 February 2016.

The charity constitutes a public benefit entity as defined by FRS 102.

3. Accounting policies

Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

Going concern

The financial statements have been prepared on a going concern basis as the trustees believe that no material uncertainties exist. The trustees have considered the level of funds held and the expected level of income and expenditure for 12 months from authorising these financial statements. The budgeted income and expenditure is sufficient with the level of reserves for the charity to be able to continue as a going concern.

Fund accounting

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purposes. Unrestricted funds include a revaluation reserve representing the restatement of investment assets at market values.

Restricted funds are subjected to restrictions on their expenditure declared by the donor or through the terms of an appeal, and fall into one of two sub-classes: restricted income funds or endowment funds.

Income

All income is included in the statement of financial activities when entitlement has passed to the charity, it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from contracts for the supply of services is recognised with the delivery of the contracted service. This is classified as unrestricted funds unless there is a contractual requirement for it to be spent on a particular purpose and returned if unspent, in which case it may be regarded as restricted.

Bridge Trust of Great Yarmouth Limited Company Limited by Guarantee

Notes to the financial statements

Year ended 31 March 2018

3. Accounting policies (*continued*)

Income (*continued*)

- investment income is included when receivable.

Expenditure

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

Fixed assets

Fixed assets are stated at cost of an asset, less accumulated depreciation.

Depreciation

Depreciation is calculated so as to write off the cost of an asset, less its estimated residual value, over the useful economic life of that asset as follows:

Equipment	- 25% straight line / 33.3% straight line
Fixtures and fittings	- 25% straight line / 20% straight line
Property improvements	- 2% straight line

Investments

Investment properties are included in the balance sheets at the trustee's best estimate of open market value, based on a valuation carried out by Roche Chartered Surveyors on 10 July 2013. It is the policy of the trustees to have an external valuation of the property every 5 years.

Bridge Trust of Great Yarmouth Limited Company Limited by Guarantee

Notes to the financial statements

Year ended 31 March 2018

3. Accounting policies *(continued)*

Financial instruments

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

4. Limited by guarantee

The Charity is a company limited by guarantee and has no share capital. The liability of each member in the event of winding up is limited to £10.

The restricted property fund represents the valuation of the Cobholm and Lichfield Health and Resource Centre and St James Health and Resource Centre on transfer of ownership from Great Yarmouth Borough Council. The properties were transferred to the Trust by Great Yarmouth Borough Council with the restriction that they can only be used for community purposes (which include without limitation the delivery of primary health care services and letting under lease or license other surplus be ancillary to the main use of the properties as a health and resource centre). During the year ended 31 December 2009, a section of the land was sold to Great Yarmouth and Waveney PCT (now Great Yarmouth and Waveney CCG) for the development of a surgery and pharmacy. The property was written down and the proceeds retained as restricted funds for capital work on the properties.

The restricted NCF grant fund represents monies received from the Norfolk Community Foundation for the conversion and redevelopment works of the Cobholm and Lichfield centre into a childcare facility.

Notes to the financial statements

Year ended 31 March 2018

19. Transactions with the trustees and related parties (continued)

On 5 May 2017 the charity was registered as being the controlling party of East London Small Business Charity Limited (02837557), however as described in the Trustees Report, this take over was thwarted and thus the control of the charity was transferred to Joanna Clarke and James Pinchbeck, of Norfolk and Waveney Enterprise Services Limited, with effect from 25 June 2018. During the period from 5 May 2017 to 16 April 2018 Suenaina Sharma, John Balch (to 5 April 2018) and Kevin Horne (5 April 2018) were directors of the company.

There were no transactions between the two organisations during the year ended 31 March 2018 and it is not considered necessary for the financial statements of the two organisations to be consolidated.

20. Operating Leases
