Statement of directors' responsibilities in respect of the financial statements

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently; and
- make judgments and estimates that are reasonable and prudent.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. Twenty Twenty Production Services Limited (previously Shed Productions (BG) Limited)

Notes to the financial statements at 31 December 2016

1 Accounting policies

a) Statement of compliance

Twenty Twenty Production Services Limited (previously Shed Productions (BG) Limited) is a limited liability company incorporated in England. The Registered Office is 98 Theobald's Road, London, WC1X 8WB.

The company's financial statements have been prepared in compliance with FRS 102 as it applies to the financial statements of the company for the year ended 31 December 2016.

b) Basis of preparation

The financial statements have been prepared under the historical cost convention and in accordance with the Companies Act 2006 and with applicable United Kingdom accounting standards.

The financial statements are prepared in sterling which is the functional currency of the company and rounded to the nearest £'000.

Statement of cash flows

The company has taken advantage of the exemption in FRS 102.1.12(b) Reduced disclosures for subsidiaries. A statement of cashflows has not been prepared as the company is a member of a group where the parent, Time Warner Inc., prepares publicly available consolidated financial statements and the company is included in the consolidation (see note 9).

Related parties

The company has taken advantage of the exemption in FRS 102.1.12(e) Reduced disclosures for subsidiaries. Key management remuneration has not been disclosed as the company is a member of a group where the parent, Time Warner Inc., prepares publicly available consolidated financial statements and the company is included in the consolidation (see note 9).

The company has taken advantage of the exemption in FRS 102.33.1A not to disclose related party transactions with fellow wholly-owned subsidiary undertakings of Time Warner Inc., which prepares publicly available consolidated financial statements (see note 9).

c) Judgements and key sources of estimation uncertainty

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported for assets and liabilities as at the statement of financial position date and the amounts reported for revenues and expenses during the year. However, the nature of estimation means that actual outcomes could differ from those estimates. The following judgements (apart from those involving estimates) have had the most significant effect on amounts recognised in the financial statements.

Taxation

The company recognises liabilities for anticipated uncertain corporation tax positions based on reasonable estimates of whether additional taxes will be due and the timing of those additional taxes. Further details are contained in Note 5.

Management estimation is required to determine the amount of deferred tax assets that can be recognised, based upon likely timing and level of future taxable profits.

d) Significant accounting policies

Turnover

The company engages in film production, and turnover net of value added tax comprises film production fees and profit participations from the exploitation of films. All turnover arises in the United Kingdom from continuing operations.

Participation revenue and production fee income are recognised on an accruals basis following the contractual conditions of the agreements.

Deferred taxation

Deferred tax is recognised without discounting in respect of all timing differences which are differences between taxable profits and total comprehensive income that arise from the inclusion of income and expenses in tax assessments in periods different from those in which they are recognised in the financial statements. Deferred tax assets are only recognised to the extent that they are considered recoverable against future taxable profits.

Twenty Twenty Production Services Limited (previously Shed Productions (BG) Limited)

Notes to the financial statements at 31 December 2016

2 Turnover

The company's turnover was derived from its principal activity wholly undertaken in the United Kingdom.

3 Profit on ordinary activities before taxation

The company had no employees in the current or prior year.

Audit fees for the current and prior year were borne by a fellow group undertaking.

4 Directors' remuneration

The directors of the company are also directors of, and are paid by, other companies in the group in the current and prior year. They have minimal qualifying services to the company and receive no remuneration in respect of the company.

5 Taxation on profit on ordinary activities

a) There is no tax on the results for the current or preceding financial year.

b) Circumstances affecting the total tax charge:

The standard rate of current tax for the year, based on the UK standard rate of corporation tax is 20% (2015 - 20.25%).

The tax charge for the year differs from the standard rate for the reasons in the reconciliation below:

	Year ended 31 December 2016 £'000	Year ended 31 December 2015 £'000
Profit on ordinary activities before taxation	16	19
Taxation on profit on ordinary activities at standard rate	3	4
Factors affecting the tax charge:		
Group relief for nil consideration	-	(4)
Television tax relief	(3)	-
Total tax (see note 5(a) above)	-	-

c) Factors affecting future tax charges

The Finance Act 2013 included legislation to reduce the main rate of corporation tax from 21% to 20% from 1 April 2015.

The Finance (No. 2) Act 2015, enacted on 18 November 2015, and the Finance Act 2016, enacted on 15 September 2016, included two changes to the future mainstream corporation tax rate. From 1 April 2017 the rate will reduce from 20% to 19% and from 1 April 2020 the rate will reduce further to 17%.

It is not yet possible to quantify the impact of this rate change upon current tax.
