Notes to the Financial Statements

1. Accounting policies

The company is a private company limited by shares, incorporated in the United Kingdom (UK) under the Companies Act 2006, registered in England and Wales, and resident for tax in the UK.

These Financial Statements were prepared in accordance with Financial Reporting Standard 102, the financial reporting standard applicable in the UK and Republic of Ireland (FRS 102). The presentation currency of these Financial Statements is £ sterling.

The company's ultimate parent undertaking, Kelda Holdings Limited includes the company in its consolidated Financial Statements. The consolidated Financial Statements of Kelda Holdings Limited are prepared in accordance with International Financial Reporting Standards as issued by the IASB and are available to the public and may be obtained from Western House, Halifax Road, Bradford, West Yorkshire, BD6 2SZ. In these Financial Statements, the company has applied the exemptions available under FRS 102 in respect of the following disclosures:

- Reconciliation of the number of shares outstanding from the beginning to end of the period;
- Cash flow statement and related notes; and
- Key management personnel compensation.

As the consolidated Financial Statements of Kelda Holdings Limited include the equivalent disclosures, the company has also taken the exemptions under FRS 102 available in respect of the following disclosures:

- The disclosures required by FRS 102.11 *Basic Financial Instruments*.

The accounting policies set out below have, unless otherwise stated, been applied consistently to all periods presented in these Financial Statements.

There are no judgements made by the director, in the application of these accounting policies that have significant effect on the Financial Statements and estimates with a significant risk of material adjustment in the next year.

Measurement convention

The Financial Statements are prepared on the historical cost basis.

Basic financial instruments

Trade and other debtors

Trade and other debtors are recognised initially at transaction price less attributable transaction costs. Subsequent to initial recognition they are measured at amortised cost using the effective interest method, less any impairment losses. If the arrangement constitutes a financing transaction, for example if payment is deferred beyond normal business terms, then it is measured at the present value of future payments discounted at a market rate of instrument for a similar debt instrument.

2. Profit and loss account

The company has not traded during the year. Therefore, the company has made neither profits nor losses and no profit and loss account has been presented.

Notes to the Financial Statements (continued)

3. Information regarding director and employees

The company had no employees during the current and preceding year.

No emoluments were payable to the director of the company during the current and preceding year.
