1 Accounting Policies

11 Basis of Financial Statements preparation

The Financial Statements have been prepared under the historical cost convention and in accordance with accounting principles generally accepted in the United Kingdom

12 Cash Flow Statement

As permitted by Financial Reporting Standard No 1, the Company has not prepared a cashflow statement on the grounds that it has satisfied the exemption conditions

13 Turnover

Turnover consists of income from investments

14 Consolidation

The company and its subsiduaries comprise a small group The company has therefore taken advantage of the exemption provided by section 398 of the Companies Act 2006 not to prepare group accounts. The accounts therefore present information about the company as an individual company.

15 Foreign Currencies

Assets and liabilities in foreign currencies are translated into sterling at the rates of exchange at the balance sheet date. Transactions in foreign currencies are translated into sterling at the rate ruling on the date of the transaction. Exchange differences are taken into account in arriving at the operating profit.

15 Deferred Taxation

Provision is made for taxation deferred by the effect of timing differences, to the extent that it is probable that a liability will crystallise, at the rate expected to be ruling at that date
