The majority of the company's shareholders had not paid up their share capital and therefore they were invited to do so by the directors prior to the Liquidation. In accordance with the company's Articles of Association, if they failed to do so within the prescribed timeframe, their shares would be forfeited.

CREDITORS

In a members' voluntary liquidation creditors are required to prove their claims and the joint liquidators must examine the proofs and the particulars of the claims and admit them, in whole or in part, or reject them. The joint liquidators must then settle the priorities of the creditors (as between preferential, secured and unsecured) before paying them in full with statutory interest.

The Statement of Assets and Liabilities accompanying the Declaration of Solvency sworn by the directors at their initial board meeting on 20 April 2010 indicated that there were various creditors owed money by the company. These were subsequently all paid in full prior to the company being placed into Liquidation on 18 May 2010. We have obtained clearance from HM Revenue & Customs that no further amounts are due in respect of PAYE and National Insurance, Corporation Tax and VAT.

BEGBIES TRAYNOR CHARGING POLICY

INTRODUCTION

This note applies where a licensed insolvency practitioner in the firm is acting as an office holder of an insolvent estate and seeks creditor approval to draw remuneration on the basis of the time properly spent in dealing with the case. It also applies where further information is to be provided to creditors regarding the office holder's fees following the passing of a resolution for the office holder to be remunerated on a time cost basis. Best practice guidance¹ requires that such information should be disclosed to those who are responsible for approving remuneration.

In addition, this note applies where creditor approval is sought to make a separate charge by way of expenses or disbursements to recover the cost of facilities provided by the firm and also where payments are to be made to outside parties in which the office holder or his firm or any associate has an interest Best practice guidance² requires that such charges should be disclosed to those who are responsible for approving the office holder's remuneration, together with an explanation of how those charges are calculated

OFFICE HOLDER'S FEES IN RESPECT OF THE ADMINISTRATION OF INSOLVENT ESTATES

The office holder has overall responsibility for the administration of the estate. He/she will delegate tasks to members of staff. Such delegation assists the office holder as it allows him/her to deal with the more complex aspects of the case and ensures that work is being carried out at the appropriate level. There are various levels of staff that are employed by the office holder and these appear below.

The firm operates a time recording system which allows staff working on the case along with the office holder to allocate their time to the case. The time is recorded at the individual's hourly rate in force at that time which is detailed below.

EXPENSES INCURRED BY OFFICE HOLDERS IN RESPECT OF THE ADMINISTRATION OF INSOLVENT ESTATES

Best practice guidance classifies expenses into two broad categories

- Category 1 expenses (approval not required) specific expenditure that is directly related to the case usually referable to an independent external supplier's invoice. All such items are charged to the case as they are incurred.
- □ Category 2 expenses (approval required) items of incidental expenditure directly incurred on the case which include an element of shared or allocated cost and which are based on a reasonable method of calculation
 - (A) The following items of expenditure are charged to the case (subject to approval)
 - Internal meeting room usage for the purpose of statutory meetings of creditors may be charged by some offices and is charged at the rate of £100 (London £150) per meeting External meeting room usage is charged at cost,
 - Car mileage is charged at the rate of 45 pence per mile,

Expenses which should be treated as Category 2 expenses (approval required) – in addition to the 2 categories referred to above, best practice guidance indicates that where payments are made to outside parties in which the office holder or his firm or any associate has an interest these should be treated as Category 2 expenses The following items of expenditure which relate to services provided by an entity within the Begbies Traynor Group are to be charged to the case (subject to approval)
