1 Purpose of report

This report has been prepared in accordance with insolvency legislation to provide creditors, members and the Registrar of Companies with information relating to the progress of the liquidation in the period from 11 June 2015 to 10 June 2016

This report has been prepared solely to comply with the statutory requirements of Section 104A of the Insolvency Act 1986 and Rule 4.49C of the Insolvency Rules 1986 (as amended). It has not been prepared for use in respect of any other purpose, or to inform any investment decision in relation to any debt or financial interest in the Company. Any estimated outcomes for creditors are illustrative and may be subject to significant change.

RSM Restructuring Advisory LLP was previously named Baker Tilly Restructuring and Recovery LLP until 26 October 2015.

Neither the Liquidators nor RSM Restructuring Advisory LLP accept any liability whatsoever arising as a result of any decision or action taken or refrained from as a result of information contained in this report.

2 Progress of the liquidation in the previous twelve months

2.1 Realisation of assets

2.1.1 Potential claim for compensation for mis-selling of interest rate hedging product

As you may be aware, a settlement agreement was recently reached between the Financial Conduct Authority ('FCA') and certain major banks, including Lloyds Bank Plc in relation to the sale of interest rate hedging products. In respect of this matter, no products were sold.

2.2 Investigations

In accordance with our statutory obligations, we have filed the appropriate documentation with the Department for Business, Innovation and Skills in relation to the conduct of the directors.

I can advise you that, following my initial assessment, no further investigations were deemed necessary, and can confirm that these actions have been concluded.

2.3 Administration and planning

The following administration and planning tasks have been dealt with by the Administrators:

- filing statutory documents at Companies House,
- case planning and strategy,
- conducting case reviews,
- liaising with the members and creditors,
- carrying out an investigation into the Company and its directors,
- preparing the progress report on the conduct of the liquidation, and
- completing and submitting tax returns on behalf of the Company.

3 Matters preventing closure

The Joint Liquidators wrote to HM Revenue & Customs ("HMRC") requesting clearance to close the case.

Corporation tax clearance was granted on 28 April 2016. Clearance from the Insolvency Claims Handling Unit (ICHU) was received on 25 July 2016, which fell outside the period of this report. We will now begin closure proceedings.

3.1 Assets remaining to be realised

There are no assets to be realised.

4 Creditors' claims and dividend prospects

Dividend prospects and projected returns to creditors, where known, are detailed in Appendix A, including any amount under the prescribed part. Please note that these are indicative only and should not be used as the sole or principal basis for any bad debt provision or other purposes. They may be subject to revision and additional costs.

There will be no dividend paid to unsecured creditors.

4.1 Prescribed part

The 'Prescribed Part' is a statutory amount, calculated as a percentage of net floating charge realisations, which entitles unsecured creditors to a share of realisations. This is calculated on a sliding scale up to maximum of £600,000 before costs.

There are no asset realisations, therefore the Prescribed Part of the assets under Section 176A of the Insolvency Act 1986 (as amended) will not apply.

5 Receipts and payments summary

We attach as Appendix B a summary of our receipts and payments for the period from 11 June 2015 to 10 June 2016. There have been no receipts or payments in the period.

VAT basis

Receipts and payments are shown inclusive of VAT as the Company was not VAT registered, and consequently VAT is not recoverable from HMRC.

6 Costs and Joint Liquidators' remuneration

6.1 Joint Liquidators' remuneration and disbursements

The Joint Liquidators' remuneration was approved on a time cost basis by the Creditors on 11 June 2015. We have incurred time costs of £1,292.40 (plus VAT) since the date of our appointment. Of this, the full amount remains outstanding.

Approval was also given to the drawing of disbursements, including category 2 disbursements. Details of the current rates are attached at Appendix D.

6.2 Remuneration and disbursements incurred in the period from 11 June 2015 to 10 June 2016

We have incurred time costs of £1,292.40 (plus VAT) in the current period. An analysis of time incurred in the period is attached at Appendix G. Details of the sums drawn in respect of remuneration in the period covered by the report are shown on the receipts and payments account (Appendix B).

Category 2 disbursements incurred in the period are detailed in Appendix E.

7 Joint Liquidators' statement of expenses

7.1 Statement of expenses

A statement of the expenses incurred during the period, is attached at Appendix F. This includes all expenses incurred by the Joint Liquidators in the period of the report irrespective of whether they have been paid or not and may include estimated amounts where actual invoices have not been received. The receipts and payments abstract at Appendix B sets out the expenses actually paid in the period together with cumulative figures.

At the Section 98 meeting on 11 June 2015 creditors approved the Statement of Affairs and creditors meeting fees in the sum of £5,000 plus VAT and disbursements to be paid to Baker Tilly Restructuring & Recovery LLP. These fees have been paid by ultimate beneficiaries of the group.

7.2 Detailed cost breakdown

Attached to this report are five Appendices relating to my costs on this assignment:

- Appendix C RSM Restructuring Advisory LLP's charging, expenses and disbursements policy statement,

- Appendix D Joint Liquidators' charge out and disbursement rates,
- Appendix E. Category 2 disbursements table,
- Appendix F Statement of expenses incurred in the period, and
- Appendix G Joint Liquidators' time cost analysis

The work that we do as Joint Liquidators is derived from the responsibilities placed upon us by the underlying legal and regulatory framework for work of this nature in general. The actual matters with which we are dealing are set out briefly in both this report and in our earlier report to creditors.

We believe this case generally to be of average complexity with no extraordinary responsibility has to date fallen upon us as Joint Liquidators. The underlying basis of charging proposed to and approved by the creditors has been RSM Restructuring Advisory LLP standard charge out rates. RSM Restructuring Advisory LLP charge out rates have been reviewed periodically.

8 Creditors' right to information and ability to challenge remuneration and expenses

In accordance with the provisions of Rules 4.49E and 4.131 of the Insolvency Rules 1986 creditors have a right to request further information about remuneration or expenses and to challenge such remuneration or expenses.

A request for further information must be made in writing within 21 days of receipt of this report.

Any secured creditor, or any unsecured creditor with either the concurrence of at least 10% in value of the unsecured creditors (including that creditor) or the permission of the court, may apply to court that the remuneration charged, the basis fixed or expenses incurred by the liquidator are in all the circumstances excessive.

A Guide to Liquidators Fees, which provides information for creditors in relation to the remuneration of a Liquidator, can be accessed at <http://rsm-insolvencypoint.com> under 'general information for creditors'. A hard copy can be requested from my office by telephone, email or in writing.

Any such challenge must be made no later than eight weeks after receipt of the report which first discloses the charging of remuneration or incurring of the expenses in question.
