Basis of preparing the financial statements

These financial statements have been prepared in accordance with the provisions of Section 1A "Small Entities" of Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

The company meets its day to day working capital requirements through a loan from the director, Mr D C Bennett and an overdraft facility provided by the company's bankers. On this basis, the director considers it appropriate to prepare the financial statements on a going concern basis. Turnover represents the fair value of services provided during the year. Turnover is recognised as contract activity progresses and the right to consideration is earned. Fair value reflects the amount expected to be recoverable from clients. Turnover excludes value added tax.

Goodwill

Goodwill, being the amount paid in connection with the acquisition of a business in 2004 and 2006 has now been fully amortised.

Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date.
