Jafa North-East UK Ltd

Notes to the Unaudited Financial Statements for the Year Ended 31 August 2022

1 Accounting policies

Jafa North-East UK Ltd ("the company") is a private company limited by shares incorporated in England.

The company was dormant and has not traded in the year.

The Registered Office is Atria, Spa Road, Bolton, Lancashire, BL1 4AG.

Statement of compliance

The financial statements have been prepared in compliance with United Kingdom Accounting Standards, including Financial Reporting Standard 102, "The Financial Reporting Standard applicable in the United Kingdom and the Republic of Ireland" ("FRS 102") and the Companies Act 2006.

Basis of preparation

These financial statements are prepared on a going concern basis, under the historical cost convention.

The preparation of financial statements in conformity with FRS 102 requires the use of certain critical accounting estimates. It also requires management to exercise its judgement in the process of applying the company's accounting policies.

The financial statements have been prepared in Sterling, which is the functional currency.

Group accounts not prepared

The company has taken advantage of the exemption provided by Section 400 of the Companies Act 2006 and has not prepared group accounts.

The financial statements present information about Jafa North-East UK Ltd as an individual company and do not contain consolidated financial information of it as a parent of its fellow group constituents. The results of the company and its group are included in the consolidated financial statements of SSCP Spring Topco Limited which are publicly available.

Share capital

Ordinary shares are classified as equity. Equity instruments are measured at the fair value of the cash or other resources received or receivable, net of the direct costs of issuing the equity instruments. If payment is deferred and the time value of money is material, the initial measurement is on a present value basis.

Investments

Investments in equity shares which are not publicly traded and where fair value cannot be measured reliably are measured at cost less impairment.
