10. SECURITY AGENT'S POWER TO REMEDY

10.1 Power to Remedy

If any Chargor fails to comply with any obligation set out in Clause 7 (*Protection of Security*) or Clause 8 (*Undertakings*) and that failure is not remedied to the satisfaction of the Security Agent within 5 Business Days of the Security Agent giving notice to the relevant Chargor or the relevant Chargor becoming aware of the failure to comply, it will allow (and irrevocably authorises) the Security Agent or any person which the Security Agent nominates to take any

action on behalf of that Chargor which is necessary to ensure that those obligations are complied with.

10.2 Indemnity

Each Chargor will indemnify the Security Agent against all losses incurred by the Security Agent as a result of a breach by any Chargor of its obligations under Clause 7 (*Protection of Security*) or Clause 8 (*Undertakings*) and in connection with the exercise by the Security Agent of its rights contained in Clause 10.1 above. All sums the subject of this indemnity will be payable by the relevant Chargor to the Security Agent on demand and if not so paid will bear interest at the Default Rate. Any unpaid interest will be compounded with monthly rests.

11. CONTINUING SECURITY

11.1 Continuing Security

The Security constituted by this Debenture shall be a continuing security notwithstanding any intermediate payment or settlement of all or any part of the Secured Obligations or any other act, matter or thing.

11.2 Other Security

The Security constituted by this Debenture is to be in addition to and shall neither be merged in nor in any way exclude or prejudice or be affected by any other Security or other right which the Security Agent and/or any other Secured Party may now or after the date of this Debenture hold for any of the Secured Obligations, and this Security may be enforced against each Chargor without first having recourse to any other rights of the Security Agent or any other Secured Party.

12. ENFORCEMENT OF SECURITY

12.1 Enforcement Powers

For the purpose of all rights and powers implied or granted by statute, the Secured Obligations are deemed to have fallen due on the date of this Debenture. The power of sale and other powers conferred by section 101 of the Law of Property Act 1925 and all other enforcement powers conferred by this Debenture shall be immediately exercisable at any time after an Event of Default has occurred which is continuing.

12.2 Statutory Powers

The powers conferred on mortgagees, receivers or administrative receivers by the Law of Property Act 1925 and the Insolvency Act 1986 (as the case may be) shall apply to the Security created under this Debenture, unless they are expressly or impliedly excluded. If there is ambiguity or conflict between the powers contained in those Acts and those contained in this Debenture, those contained in this Debenture shall prevail.

12.3 Exercise of Powers

All or any of the powers conferred upon mortgagees by the Law of Property Act 1925 as varied or extended by this Debenture, and all or any of the rights and powers conferred by this Debenture on a Receiver (whether expressly or impliedly), may be exercised by the Security Agent without further notice to any Chargor at any time after an Event of Default has occurred and is continuing, irrespective of whether the Security Agent has taken possession or appointed a Receiver of the Charged Property.

12.4 Disapplication of Statutory Restrictions

The restriction on the consolidation of mortgages and on power of sale imposed by sections 93 and 103 respectively of the Law of Property Act 1925 shall not apply to the security constituted by this Debenture.

12.5 Appropriation under the Financial Collateral Regulations

- (a) To the extent that any of the Charged Property constitutes “financial collateral” and this Deed and the obligations of the Chargors hereunder constitute “security financial collateral arrangement” (in each case as defined in, and for the purposes of, the Financial Collateral Arrangements (No. 2) Regulations 2003 (as amended) (the “Regulations”)), the Security Agent shall have the right to appropriate all or any part of such financial collateral in or towards discharge of the Secured Obligations and may exercise that right to appropriate by giving notice to the relevant Chargors at any time after an Event of Default has occurred and is continuing.
- (b) The Parties agree that the value of any such appropriated financial collateral shall be: (x) in the case of securities, the price at which such securities can be disposed of by the Security Agent; and (y) in the case of any other asset, the market value of such financial collateral as determined by the Security Agent, in each case, in a commercially reasonable manner (including by way of an independent valuation). The Parties agree that the methods of valuation provided for in this paragraph shall constitute commercially reasonable methods of valuation for the purposes of the Regulations.

12.6 Powers of Leasing

The Security Agent may lease, make agreements for leases at a premium or otherwise, accept surrenders of leases and grant options or vary or reduce any sum payable under any leases or tenancy agreements as it thinks fit, without the need to comply with any of the provisions of sections 99 and 100 of the Law of Property Act 1925.

12.7 Fixtures

The Security Agent may sever any fixtures from the property to which they are attached and sell them separately from that property.

12.8 Bank Accounts

At any time after an Event of Default has occurred and is continuing the Security Agent may and is hereby irrevocably and unconditionally authorised, without further enquiry and without either giving notice to a Chargor or obtaining any consent, to apply the whole or part of all monies standing to the credit of the Accounts in or towards payment of the Secured Obligations.

13. RECEIVERS

13.1 Appointment of Receiver

- (a) Subject to paragraph (c) below, at any time after notice demanding payment of any sum which is then due but unpaid in respect of the Secured Obligations has been given by the Security Agent to any Chargor, or if so requested by the relevant Chargor, the Security Agent may by writing under hand signed by any officer or manager of the Security Agent, appoint any person (or persons) to be a Receiver of all or any part of the Charged Property.
- (b) Section 109(1) of the Law of Property Act 1925 shall not apply to this Debenture.

- (c) The Security Agent shall be entitled to appoint a Receiver save to the extent prohibited by section 72A Insolvency Act 1986.

13.2 Powers of Receiver

Each Receiver appointed under this Debenture shall have (subject to any limitations or restrictions which the Security Agent may incorporate in the deed or instrument appointing it) all the powers conferred from time to time on receivers by the Law of Property Act 1925 and the Insolvency Act 1986 (each of which is deemed incorporated in this Debenture), so that the powers set out in schedule 1 to the Insolvency Act 1986 shall extend to every Receiver, whether or not an administrative receiver. In addition, notwithstanding any liquidation of the relevant Chargor, each Receiver shall have power to:

- (a) manage, develop, reconstruct, amalgamate or diversify any part of the business of the relevant Chargor;
- (b) enter into or cancel any contracts on any terms or conditions;
- (c) incur any liability on any terms, whether secured or unsecured, and whether to rank for payment in priority to this security or not;

- (f) make and effect all repairs, renewals and improvements to any of the Charged Property and maintain, renew, take out or increase insurances;
- (g) exercise all voting and other rights attaching to the Shares or Investments and stocks, shares and other securities owned by the relevant Chargor and comprised in the Charged Property, but only following a written notification from either the Receiver or the Security Agent to the relevant Chargor stating that the Security Agent shall exercise all voting rights in respect of the Shares or Investments and stocks, shares and other securities owned by the relevant Chargor and comprised in the Charged Property;
- (h) redeem any prior Security on or relating to the Charged Property and settle and pass the accounts of the person entitled to that prior Security, so that any accounts so settled and passed shall (subject to any manifest error) be conclusive and binding on the relevant Chargor and the money so paid shall be deemed to be an expense properly incurred by the Receiver;
- (i) appoint and discharge officers and others for any of the purposes of this Debenture and/or to guard or protect the Charged Property upon terms as to remuneration or otherwise as he may think fit;
- (j) settle any claims, accounts, disputes, questions and demands with or by any person who is or claims to be a creditor of the relevant Chargor or relating to any of the Charged Property;
- (k) implement or continue the development of (and obtain all consents required in connection therewith) and/or complete any buildings or structures on any real property comprised in the Charged Property;

- (l) purchase or acquire any land or any interest in or right over land;
- (m) exercise on behalf of the relevant Chargor all the powers conferred on a landlord or a tenant by any legislation from time to time in force in any relevant jurisdiction relating to rents or agriculture in respect of any part of the Property; and
- (n) do all other acts and things (including signing and executing all documents and deeds) as the Receiver considers to be incidental or conducive to any of the matters or powers in this Clause 13.2, or otherwise incidental or conducive to the preservation, improvement or realisation of the Charged Property, and use the name of the relevant Chargor for all such purposes,

and in each case may use the name of any Chargor and exercise the relevant power in any manner which he may think fit.

13.3 Receiver as Agent

Each Receiver shall be the agent of the relevant Chargor, which shall be solely responsible for his acts or defaults, and for his remuneration and expenses, and be liable on any agreements or engagements made or entered into by him. The Security Agent will not be responsible for any misconduct, negligence or default of a Receiver.

13.4 Removal of Receiver

The Security Agent may by notice remove from time to time any Receiver appointed by it (subject to the provisions of section 45 of the Insolvency Act 1986 in the case of an administrative receivership) and, whenever it may deem appropriate, appoint a new Receiver in the place of any Receiver whose appointment has terminated, for whatever reason.

13.5 Remuneration of Receiver

The Security Agent may from time to time fix the remuneration of any Receiver appointed by it.

13.6 Several Receivers

If at any time there is more than one Receiver, each Receiver may separately exercise all of the powers conferred by this Debenture (unless the document appointing such Receiver states otherwise).

14. APPLICATION OF PROCEEDS

14.1 Order of Application

All moneys received or recovered by the Security Agent or any Receiver pursuant to this Debenture shall (subject to the claims of any person having prior rights thereto) be applied in the order and manner specified by the Intercreditor Agreement notwithstanding any purported appropriation by any Chargor.

14.2 Insurance Proceeds

If an Event of Default has occurred and is continuing, all moneys received by virtue of any insurance maintained or effected in respect of the Charged Property shall be paid to the Security Agent (or, if not paid by the insurers directly to the Security Agent, shall be held on trust for the Security Agent) and shall, at the option of the Security Agent, be applied in replacing or reinstating the assets destroyed, damaged or lost (any deficiency being made good by the

relevant Chargor) or (except in the case of leasehold premises) in reduction of the Secured Obligations.

14.3 Section 109 Law of Property Act 1925

Sections 109(6) and (8) of the Law of Property Act 1925 shall not apply to a Receiver appointed under this Debenture.

14.4 Application against Secured Obligations

Subject to Clause 14.1 above, any moneys or other value received or realised by the Security Agent from a Chargor or a Receiver under this Debenture may be applied by the Security Agent to any item of account or liability or transaction forming part of the Secured Obligations to which they may be applicable in any order or manner which the Security Agent may determine.

14.5 Suspense Account

Until the Secured Obligations are paid in full, the Security Agent or the Receiver (as applicable) may place and keep (for such time as it shall determine) any money received, recovered or realized pursuant to this Debenture or on account of any Chargor's liability in respect of the Secured Obligations in an interest bearing separate suspense account (to the credit of either the relevant Chargor or the Security Agent or the Receiver as the Security Agent or the Receiver shall think fit) and the Security Agent or the Receiver may retain the same for the period which it considers expedient without having any obligation to apply all or any part of that money in or towards discharge of the Secured Obligations.

15. PROTECTION OF SECURITY AGENT AND RECEIVER

15.1 No Liability

Neither the Security Agent nor any Receiver shall be liable in respect of any of the Charged Property or for any loss or damage which arises out of the exercise or the attempted or purported exercise of, or the failure to exercise any of, their respective powers, unless caused by its or his gross negligence or wilful default under the Secured Debt Documents.

15.2 Possession of Charged Property

Without prejudice to Clause 15.1 above, if the Security Agent or the Receiver enters into possession of the Charged Property, it will not be liable to account as mortgagee in possession and may at any time at its discretion go out of such possession.

15.3 Primary liability of Chargor

Each Chargor shall be deemed to be a principal debtor and the sole, original and independent obligor for the Secured Obligations and the Charged Property shall be deemed to be a principal security for the Secured Obligations. The liability of each Chargor under this Debenture and the charges contained in this Debenture shall not be impaired by any forbearance, neglect, indulgence, abandonment, extension of time, release, surrender or loss of securities, dealing, variation or arrangement by the Security Agent or any other Secured Party, or by any other act, event or matter whatsoever whereby the liability of the relevant Chargor (as a surety only) or the charges contained in this Debenture (as secondary or collateral charges only) would, but for this provision, have been discharged.

15.4 Waiver of defences

Clause 19 (*Guarantee and Indemnity*) of the Senior Facilities Agreement will apply in relation to this Debenture as if incorporated in this Debenture, but on the basis that the obligations of

each Guarantor arising under those clauses will be deemed to be substituted by the obligations of each Chargor under this Debenture.

15.5 Security Agent

The provisions set out in Clause 17 (*The Security Agent*) of the Intercreditor Agreement shall govern the rights, duties, responsibilities and obligations of the Security Agent under or in connection with this Debenture. In the event of an inconsistency between this Debenture and the Intercreditor Agreement, the Intercreditor Agreement shall prevail.

15.6 Delegation

The Security Agent may delegate by power of attorney or in any other manner all or any of the rights, duties, responsibilities and obligations which are for the time being exercisable by it under this Debenture to any person or persons upon such terms and conditions (including the power to sub-delegate) as it may think fit. The Security Agent will not be liable or responsible to any Chargor or any other person for any losses arising from any act, default, omission or misconduct on the part of any delegate.

15.7 Cumulative Powers

The powers which this Debenture confers on the Security Agent, the other Secured Parties and any Receiver appointed under this Debenture are cumulative, without prejudice to their respective powers under the general law, and may be exercised as often as the relevant person thinks appropriate. The Security Agent, the other Secured Parties or the Receiver may, in connection with the exercise of their powers, join or concur with any person in any transaction, scheme or arrangement whatsoever. The respective powers of the Security Agent, the other Secured Parties and the Receiver will in no circumstances be suspended, waived or otherwise prejudiced by anything other than an express consent or amendment.

15.8 Indemnity

For the avoidance of doubt, Clause 22.1 (*Debtors' Indemnity*) of the Intercreditor Agreement shall apply to this Deed to the extent provided in that clause.

16. POWER OF ATTORNEY

Each Chargor, by way of security, irrevocably and severally appoints the Security Agent, each Receiver and any person nominated for the purpose by the Security Agent or any Receiver (in writing and signed by an officer of the Security Agent or Receiver) as its attorney (with full power of substitution and delegation) in its name and on its behalf and as its act and deed to execute, seal and deliver (using the company seal where appropriate) and otherwise perfect and do any deed, assurance, agreement, instrument, act or thing which it ought to execute and do under the terms of this Debenture, or which may be required or deemed proper in the exercise of any rights or powers conferred on the Security Agent or any Receiver under this Debenture or otherwise for any of the purposes of this Debenture, and each Chargor covenants with the Security Agent and each Receiver to ratify and confirm all such acts or things made, done or executed by that attorney.

17. PROTECTION FOR THIRD PARTIES

17.1 No Obligation to Enquire

No purchaser from, or other person dealing with, the Security Agent or any Receiver (or their agents) shall be obliged or concerned to enquire whether:

- (a) the right of the Security Agent or any Receiver to exercise any of the powers conferred by this Debenture has arisen or become exercisable or as to the propriety or validity of the exercise or purported exercise of any such power; or
- (b) any of the Secured Obligations remain outstanding and/or are due and payable or be concerned with notice to the contrary and the title and position of such a purchaser or other person shall not be impeachable by reference to any of those matters.

17.2 Receipt Conclusive

The receipt of the Security Agent or any Receiver shall be an absolute and a conclusive discharge to a purchaser, and shall relieve him of any obligation to see to the application of any moneys paid to or by the direction of the Security Agent or any Receiver.

18. COSTS AND EXPENSES

Clause 21 (*Costs and Expenses*) of the Intercreditor Agreement will apply in relation to this Deed as if incorporated in this Deed, on the basis that the obligations of the Parent arising under those clauses will be deemed to be substituted by the obligations of the Chargor under this Deed, and that references to "Debt Document" or "Secured Debt Document" shall be taken to mean this Deed.

19. REINSTATEMENT AND RELEASE

19.1 Amounts Avoided

If any amount paid by a Chargor in respect of the Secured Obligations is capable of being avoided or set aside on the liquidation or administration of the relevant Chargor or otherwise, then for the purposes of this Debenture that amount shall not be considered to have been paid. No interest shall accrue on any such amount, unless and until such amount is so avoided or set aside.

19.2 Discharge Conditional

Any settlement or discharge between a Chargor and any Secured Party shall be conditional upon no security or payment to that Secured Party by that Chargor or any other person being avoided, set aside, ordered to be refunded or reduced by virtue of any provision or enactment relating to insolvency and accordingly (but without limiting the other rights of that Secured Party under this Debenture) that Secured Party shall be entitled to recover from that Chargor the value which that Secured Party has placed on that security or the amount of any such payment as if that settlement or discharge had not occurred.

19.3 Covenant To Release

Once all the Secured Obligations have been irrevocably paid in full and none of the Security Agent nor any Secured Party has any actual or contingent liability to advance further monies to, or incur liability on behalf of, any Chargor, the Security Agent and each Secured Party shall, at the request and cost of each Chargor, execute any documents (or procure that its nominees execute any documents) or take any action which may be necessary to release the Charged Property from the Security constituted by this Debenture. On the release of any of the Charged Property the Security Agent shall not be bound to return the identical securities which were deposited, lodged, held or transferred and a Chargor will accept securities of the same class and denomination or such other securities as shall then represent the Charged Property being released.

20. CURRENCY CLAUSES

20.1 Conversion

All monies received or held by the Security Agent or any Receiver under this Debenture may be converted into any other currency which the Security Agent considers necessary to cover the obligations and liabilities comprised in the Secured Obligations in that other currency at the Security Agent's spot rate of exchange then prevailing for purchasing that other currency with the existing currency.

20.2 No Discharge

No payment to the Security Agent (whether under any judgment or court order or otherwise) shall discharge the obligation or liability of the relevant Chargor in respect of which it was made unless and until the Security Agent has received payment in full in the currency in which the obligation or liability is payable or, if the currency of payment is not specified, was incurred. To the extent that the amount of any such payment shall on actual conversion into that currency fall short of that obligation or liability expressed in that currency, the Security Agent shall have a further separate cause of action against the relevant Chargor and shall be entitled to enforce the Security constituted by this Debenture to recover the amount of the shortfall.

21. SET-OFF

21.1 Set-off rights

The Security Agent may set off any matured obligation due from a Chargor under the Secured Debt Documents (to the extent beneficially owned by the Security Agent) against any matured obligation owed by the Security Agent to that Chargor, regardless of the place of payment, booking branch or currency of either obligation. If the obligations are in different currencies, the Security Agent may convert either obligation at a market rate of exchange in its usual course of business for the purpose of the set-off.

21.2 Set-off by the Security Agent in its capacity as Account Bank

- (a) Without prejudice to Clause 12.8 (*Bank Accounts*), the Security Agent may at any time after an Event of Default has occurred and is continuing set-off its obligations to repay the monies standing to the credit of the Accounts against the liabilities of a Chargor under this Deed whether or not the relevant account is then held on time or other deposit terms such that it is not then due for repayment from the Security Agent to the Chargor.
- (b) The Security Agent shall be under no obligation to repay all or any part of the monies standing to the credit of the Accounts until the Secured Obligations have been discharged in full.

21.3 Different Currencies

The Security Agent may exercise its rights under clause 21.1 (*Set-off rights*) and clause 21.2 (*Set-off by the Security Agent in its capacity as Account Bank*) notwithstanding that the amounts concerned may be expressed in different currencies and the Security Agent is authorised to effect any necessary conversions at a market rate of exchange selected by it.

21.4 Unliquidated Claims

If, at any time after notice demanding payment of any sum which is then due but unpaid in respect of the Secured Obligations has been given by the Security Agent to any Chargor, the relevant obligation or liability is unliquidated or unascertained, the Security Agent may set-off

the amount which it estimates (in good faith) will be the final amount of that obligation or liability once it becomes liquidated or ascertained.

21.5 No Set-off

A Chargor will pay all amounts payable under this Deed without any set-off, counterclaim or deduction whatsoever unless required by law, in which event a Chargor will pay an additional amount to ensure that the payment recipient receives the amount which would have been payable had no deduction been required to have been made.

22. RULING OFF

If the Security Agent or any other Secured Party receives notice of any subsequent Security or other interest affecting any of the Charged Property (except as permitted by the Secured Debt Documents) it may open a new account for the relevant Chargor in its books. If it does not do so then (unless it gives express notice to the contrary to the relevant Chargor), as from the time it receives that notice, all payments made by the relevant Chargor to it (in the absence of any express appropriation to the contrary) shall be treated as having been credited to a new account of the relevant Chargor and not as having been applied in reduction of the Secured Obligations.

23. REDEMPTION OF PRIOR CHARGES

The Security Agent may, at any time after an Event of Default has occurred and which is continuing, redeem any prior Security on or relating to any of the Charged Property or procure the transfer of that Security to itself, and may settle and pass the accounts of any person entitled to that prior Security. Any account so settled and passed shall (subject to any manifest error) be conclusive and binding on each Chargor. Each Chargor will on demand pay to the Security Agent all principal monies and interest and all losses incidental to any such redemption or transfer.

24. NOTICES

24.1 Communications in writing

Any communication to be made under or in connection with this Debenture shall be made in writing and, unless otherwise stated, may be made by e-mail or letter.

24.3 Delivery

- (a) Any communication or document made or delivered by one person to another under or in connection with this Debenture will only be effective:

- (i) if by way of e-mail, when received in legible form; or
- (ii) if by way of letter, when it has been left at the relevant address or five Business Days after being deposited in the post postage prepaid in an envelope addressed to it at that address,

and, if a particular department or officer is specified as part of its address details provided under Clause 24.2, if addressed to that department or officer.

- (b) Any communication or document to be made or delivered to the Security Agent will be effective only when actually received by the Security Agent and then only if it is expressly marked for the attention of the department or officer identified with the Security Agent's signature below (or any substitute department or officer as the Security Agent shall specify for this purpose).

25. CHANGES TO PARTIES

25.1 Assignment by the Security Agent

The Security Agent may at any time assign or otherwise transfer all or any part of its rights under this Debenture in accordance with the Secured Debt Documents.

25.2 Changes to Parties

Each Chargor authorises and agrees to changes to parties under Clause 25 (*Changes to the Lenders*) of the Senior Facilities Agreement and authorises the Security Agent to execute on its behalf any document required to effect the necessary transfer of rights or obligations contemplated by those provisions.

25.3 Consent of Chargors

Each Chargor confirms that the execution of any other supplemental security document by a Chargor will in no way prejudice or affect the security granted by each of them under (and the covenants given by each of them in), the Debenture and that the Debenture shall remain in full force and effect as supplemented by any such supplemental security document.

26. MISCELLANEOUS

26.1 Certificates Conclusive

A certificate or determination of the Security Agent as to any amount payable under this Debenture will be conclusive and binding on each Chargor, except in the case of manifest error.

26.2 Counterparts

This Debenture may be executed in any number of counterparts, and this has the same effect as if the signatures on the counterparts were on a single copy of this Debenture.

26.3 Invalidity of any Provision

If any provision of this Debenture is or becomes invalid, illegal or unenforceable in any respect under any law, the validity, legality and enforceability of the remaining provisions shall not be affected or impaired in any way.

26.4 Failure to Execute

Failure by one or more parties (“Non-Signatories”) to execute this Deed on the date hereof will not invalidate the provisions of this Deed as between the other Parties who do execute this Deed. Such Non-Signatories may execute this Deed on a subsequent date and will thereupon become bound by its provisions.

27. GOVERNING LAW AND JURISDICTION

- (a) This Debenture and any non-contractual claims arising out of or in connection with it shall be governed by and construed in accordance with English law.

The Parties agree that the courts of England are the most appropriate and convenient courts to settle Disputes and accordingly no party will argue to the contrary.
- (c) The Parties agree that, for the benefit of the Secured Parties only, nothing in this Debenture shall limit the right of the Secured Parties to bring any legal action against any of the Chargors in any other court of competent jurisdiction.

IN WITNESS whereof this Debenture has been duly executed as a deed and is delivered on the date first above written.

SCHEDULE 1
