DIRECTORS' REPORT FOR THE YEAR ENDED 31 MARCH 2012

The directors present their report and financial statements for the year ended 31 March 2012

Principal activities

The company was established to issue residual value guarantees (RVG's) on recycling equipment

Directors

The following directors have held office during the period:

S Creed
J Lea
M Gover
A Hinton

Results

The results of the company's activities are summarised on page 6. The surplus for the financial year amounted to £277,370 (2011: £90,357). During the year, guarantees of £194,590 were called on and paid (2011: £28,599). The directors do not propose the payment of a final dividend (2011: £nil).

Review of activities

eEquip RVG Limited is a wholly owned subsidiary of The Waste and Resources Action Programme (Company Registration No 4125764). The company aims to help recycling companies lease the machinery they need by guaranteeing its future residual value. In the last financial year eEquip RVG Ltd provided guarantees covering over £0.5m (2011: just over £3.7m) of recycling equipment.

The directors estimate that approximately 30% of the residual value guarantees could crystallise, and accordingly provision has been made for this percentage of guarantees given. An additional provision of up to 50% of the residual value guarantee has been made in certain cases where the risk of recovery has been assessed to be higher than 30%.

The directors have considered the amount of capital required to ensure that current and future guarantees can be met. The cash reserves of £2.5 million represent their view of the appropriate amount of capital for the current and projected future position.

Disclosure of information to auditors

The directors who held office at the date of approval of this directors' report confirm that, so far as they are each aware, there is no relevant audit information of which the company's auditors are unaware; and each director has taken all the steps that he ought to have taken as a director to make himself aware of any relevant audit information and to establish that the company's auditors are aware of that information.

EQUIP RVG LIMITED

DIRECTORS' REPORT (continued) FOR THE YEAR ENDED 31 MARCH 2012

Auditors

Pursuant to Section 487 of the Companies Act 2006, the auditors will be deemed to be reappointed and KPMG LLP will therefore continue in office.

Statement of directors' responsibilities in respect of the Directors' Report and the financial statements

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law they have elected to prepare the financial statements in accordance with UK Accounting Standards and applicable law (UK Generally Accepted Accounting Practice).

Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departure disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the company and to prevent and detect fraud and other irregularities.

**NOTES AND ACCOUNTING POLICIES
FOR THE YEAR ENDED 31 MARCH 2012**

1. Basis of financial statements and accounting policies

The company has adopted the following accounting policies which should be read in conjunction with the financial statements set out on pages 6 to 11 and which have been prepared under the historical cost convention and in accordance with applicable accounting standards.

Under FRS 1 the Company is exempt from the requirement to prepare a cash flow statement on the grounds that a parent undertaking includes the Company in its own published consolidated financial statements

As the Company is a wholly owned subsidiary of The Waste & Resources Action Programme, the Company has taken advantage of the exemption contained in FRS 8 and has therefore not disclosed transactions or balances with entities which are wholly-owned within the group. The consolidated financial statements of The Waste & Resources Action Programme, within which this Company is included, can be obtained from the address given in note 12.

These accounts have been prepared on the going concern basis, which assumes the Company will continue to trade without significant curtailment for the foreseeable future. Confirmation has been received from The Waste & Resources Action Programme, that it will provide such support as eEquip RVG Limited requires to enable it to meet its liabilities as and when they fall due for a period not less than one year from the date of approval of these financial statements.

1.1 Income

Revenue grants receivable are initially credited to the Income and Expenditure Account in the period in which the funding is receivable. Income received in advance is carried forward as deferred income. Capital grants receivable are treated as deferred credits and credited to the Income and Expenditure Account over the estimated useful life of the assets.

1.2 Expenditure

All expenditure is charged in the period to which it relates on an accruals basis and a liability is recognised when there is a legal or constructive obligation.

1.3 Provisions

Provision is made for the potential shortfalls in residual values of assets underwritten by the scheme based on the directors' current projections of the probable cost.

1.4 Taxation

The charge for taxation is based on the surplus for the year and takes into account taxation deferred because of timing differences between the treatment of certain items for taxation and accounting purposes.
