DIRECTORS' REPORT FOR THE YEAR ENDED 31 MARCH 2017

The directors present their annual report and financial statements for the year ended 31 March 2017.

eQuip RVG Limited is a wholly owned subsidiary of The Waste and Resources Action Programme (WRAP) (Company Registration No 4125764), which is also a registered charity (no. 1159512). The company's business is to operate a residual value guarantee scheme to help recycling companies lease the machinery. The scheme is now closed for new business and no new guarantees were entered into during the financial year. The leases that the company has provided guarantees for have a range of maturities through to 2018 and the company will wind down the scheme over that period.

The directors make an estimate, based on experience, of the value of the residual value guarantees which could crystallise, and accordingly provision has been made. As the scheme winds down a number of leases have reached maturity during the year. The company made a loss on maturity of leases during the year of £52k (2016: £208k) but the total provision required on the remaining exposures at 31 March 2017 has reduced to £185k (2016: £298k). The reduction in provision is released through the profit and loss account and as a result the operating surplus before taxation was £60k compared to the previous year of £136k.

The company had net current assets, including short term investments, of £606k at 31 March 2017 (2016: £659k), which is sufficient to cover the costs and guarantee exposures of the eQuip scheme as it winds down.

The following directors have held office during the period:

S Creed J Lea (resigned 23 November 2016) M Gover A Hinton (resigned 23 November 2016)

Disclosure of information to auditor

The directors who held office at the date of approval of this directors' report confirm that, so far as they are each aware, there is no relevant audit information of which the company's auditors are unaware; and each director has taken all the steps that he ought to have taken as a director to make himself aware of any relevant audit information and to establish that the company's auditors are aware of that information.

Statement of directors' responsibilities in respect of the Directors' Report and the financial statements

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law they have elected to prepare the financial statements in accordance with UK

Accounting Standards and applicable law (UK Generally Accepted Accounting Practice), including FRS 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland.

Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

On behalf of the Board

M Gover Director

21 June 2017

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF EQUIP RVG LIMITED

We have audited the financial statements of eQuip RVG Limited for the year ended 31 March 2017 set out on pages 6 to 12. The financial reporting framework that has been applied in their preparation is applicable law and UK Accounting Standards (UK Generally Accepted Accounting Practice), including FRS 102 *The Financial Reporting Standard applicable in the UK and Republic of Ireland*.

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members, as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditor

As explained more fully in the Directors' Responsibilities Statement set out on page 2, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit, and express an opinion on, the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of the audit of the financial statements

A description of the scope of an audit of financial statements is provided on the Financial Reporting Council's website at www.frc.org.uk/auditscopeukprivate.

Opinion on financial statements

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 31 March 2017 and of its surplus for the year then ended;
- have been properly prepared in accordance with UK Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Opinion on other matters prescribed by the Companies Act 2006

In our opinion the information given in the Directors' Report for the financial year is consistent with the financial statements.

Based solely on the work required to be undertaken in the course of the audit of the financial statements and from reading the Directors' report:

- we have not identified material misstatements in that report; and
- in our opinion, that report has been prepared in accordance with the Companies Act 2006.

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns;
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the directors were not entitled to take advantage of the small companies exemption from the requirement to prepare a strategic report.

NOTES AND ACCOUNTING POLICIES FOR THE YEAR ENDED 31 MARCH 2017

1. Basis of financial statements and accounting policies

The company has adopted the following accounting policies which should be read in conjunction with the financial statements set out on pages 6 to 12 and which have been prepared under the historical cost convention and in accordance with FRS 102 the financial reporting standard applicable to the United Kingdom and the Republic of Ireland (August 2014). The functional and presentational currency is sterling.

Under FRS 102.12 the Company is exempt from the requirement to prepare a cash flow statement on the grounds that it is a qualifying entity and its parent undertaking includes the Company in its own published consolidated financial statements.

As the Company is a wholly owned subsidiary of The Waste and Resources Action Programme, the Company has taken advantage of the exemption contained in FRS 102 and has therefore not disclosed transactions or balances with entities which are wholly-owned within the group. The consolidated financial statements of The Waste and Resources Action Programme, within which this Company is included, can be obtained from the address given in note 13. The company has applied the following exemptions available under FRS 102 in respect of certain disclosures for the company financial statements: the disclosures required by FRS 102.11 Basic Financial Instruments and FRS 102.12 Other Financial Instrument Issues in respect of financial instruments not falling within the fair value accounting rules of Paragraph 36(4) of Schedule 1.

These accounts have been prepared on the going concern basis. The Residual Value Guarantee scheme which has been the company's sole business is now closed for new business and the leases that the scheme supports will mature by 2018. The directors have assured themselves that the company's assets are sufficient to meet any liabilities as they fall due over this period. Confirmation has also been received from The Waste & Resources Action Programme that it will provide such support as eQuip RVG Limited requires to enable it to meet its liabilities as and when they fall due for a period not less than one year from the date of approval of these financial statements.

1.1. Statutory Information

eQuip RVG Limited is a company limited by shares, registered in England Wales, registration number 4952392. The company's principal activity is the provision of residual value guarantees in the recycling sector.

1.2. Income

Revenue grants receivable are initially credited to the Income and Expenditure Account in the period in which the funding is receivable. Income received in advance is carried forward as deferred income. Capital grants receivable are treated as deferred credits and credited to the Income and Expenditure Account over the estimated useful life of the assets.

1.3. Expenditure

All expenditure is charged in the period to which it relates on an accruals basis and a liability is recognised when there is a legal or constructive obligation.

1.4. Provisions

Provision is made for the potential shortfalls in residual values of assets underwritten by the scheme based on the directors' current projections of the probable cost.

1.5. Taxation

The charge for taxation is based on the surplus for the year and takes into account taxation deferred because of timing differences between the treatment of certain items for taxation and accounting purposes.

2. Interest receivable
