## Notes to the Accounts

for the year ended 31 December 2019

### 1 Accounting policies

#### ***Basis of preparation***

The accounts have been prepared under the historical cost convention and in accordance with FRS 102, The Financial Reporting Standard applicable in the UK and Republic of Ireland (as applied to small entities by section 1A of the standard).

#### ***Turnover***

Turnover is the total amount receivable by the company in the ordinary course of business in respect of resort development, project management and other services, excluding VAT.

#### ***Going Concern***

The accounts have been prepared on a going concern basis which assumes that the shareholders will continue to provide financial support to the company for the foreseeable future as required

#### ***Investments***

Investments in joint ventures are measured at cost less any accumulated impairment losses. Changes in fair value are included in the profit and loss account.

#### ***Foreign currency translation***

Transactions in foreign currencies are initially recognised at the rate of exchange ruling at the date of the transaction. At the end of each reporting period foreign currency monetary items are translated at the closing rate of exchange. Non-monetary items that are measured at historical cost are translated at the rate ruling at the date of the transaction. All differences are charged to profit or loss.

The company has a 50% interest in Boa Vista Holding Ltd, a resort developing holding

company incorporated in Switzerland.

Inherently there can be no certainty on the outcome for the project operated by the joint venture and the company is in dispute with the joint venture partner. Full provision has been made against the company's interest in the joint venture and legal action is being taken in order to recover the value to which the company is entitled.
