#### Basis of preparation of the financial statements

These financial statements have been prepared in accordance with Financial Reporting Standard 102, "The Financial Reporting Standard applicable in the UK and Republic of Ireland" including the provisions of Section 1A "Small Entities" and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

The Directors have considered the impact that the ongoing outbreak of Covid-19, the war in Ukraine and the UK's withdrawal from the European Union might have on the Company and its future business and financial position, considering especially its development plans, customer base, financing and daily operations. While there remain many uncertainties, at present the directors do not foresee any material negative impact on the Company's operations or plans.

The Directors continue to review the company's finances and have a reasonable expectation that the company has adequate resources to continue in operational existence for the foreseeable future. Therefore, they have continued to adopt the going concern basis in the preparation of the 2021 financial statements.
