#### Notes to the abbreviated accounts for the Year Ended 30 November 2006

#### 1 Accounting policies

#### Basis of preparation

The full financial statements, from which these abbreviated accounts have been extracted, have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective January 2005)

#### Cash flow statement

The accounts do not include a cash flow statement because the company, as a small reporting entity, is exempt from the requirements to prepare such a statement

#### Going concern

These financial statements have been prepared on a going concern basis

#### Turnover

Turnover represents the invoiced value of sales of goods, net of value added tax

#### Depreciation

Depreciation is provided on tangible fixed assets so as to write off the cost or valuation, less any estimated residual value, over their expected useful economic life as follows

Plant and machinery Motor vehicles

25% reducing balance basis 25% reducing balance basis

#### Stock

Stock is valued at the lower of cost and net realisable value, after due regard for obsolete and slow moving stocks. Net realisable value is based on selling price less anticipated costs to completion and selling costs.

#### Deferred taxation

Deferred tax is provided in full on timing differences which represent a liability at the balance sheet date, at rates expected to apply when they crystallise based on current tax rates and law. Timing differences arise from the inclusion of items of income or expenditure in tax computations in periods different from those in which they are included in the financial statements. Deferred tax assets and liabilities are not discounted

#### Changes in accounting policy

#### FRSSE 2005

In preparing the financial statements for the current year, the company has adopted the following accounting policy in relation to the adoption of the FRSSE 2005

## Dividends

Dividends shall be charged by the entity directly to reserves on the basis of amounts paid or received, net of any related income tax benefit. If the company declares dividends after the balance sheet date, the dividends shall not be recognised as a liability at the balance sheet date.
